Reflections of Breeze Mollee Ostrander, 2001-04-15 This manuscript has been composed over a while The beginning of it was written some time back and the last half has been recent It has seen its share of additions deletions and adjustments Yet the constancy that has remained has been a need to convey insights into life humanity and the undying perseverance of that which causes one to hold on to endure to be honest with oneself to smile through tears and remain steadfast and determined love and spirit heart and soul endurance perseverance and determination to live instead of merely exist Truth with all of these is freeing my words as included in these works demonstrates this Having chosen to bring into the heart many a person whose existence and life crossed paths with mine it was what I saw in them as they passed by that caused me to take notice and hold on Sadly however and more often than not they failed to see the beauty that is within them With my writings I sought to place a mirror before them so as to show that what some individuals have been blessed with being able to convey they also possess It is my belief that the greatness that is aspired to in heart and soul is within each of us Writing African American Women Elizabeth A.
