## Reflections On Texas:

**Reflections on Texas** Texas. University. Institute of Texan Cultures, 1979      Reflections on Texas ,1972      **Tranquil Thoughts from the Texas Hill Country** J. Herbert Larson, 2014-02-28 My writings are spiritual I want to transmit to create a peaceful tranquil spirit of faith within my readers I want to open up to the believing reader some of the Bible s jewels or whatever one wishes to call them I want to inspire faith to feed to nurture faith in my readers      Observations & Reflections on Texas Folklore Francis Edward Abernethy, 1972      Celebrating 100 Years of the Texas Folklore Society, 1909-2009 Kenneth L. Untiedt, 2009 The Texas Folklore Society is one of the oldest and most prestigious organizations in the state Its secret for longevity lies in those things that make it unique such as its annual meeting that seems more like a social event or family reunion than a formal academic gathering This book examines the Society s members and their substantial contributions to the field of folklore over the last century Some articles focus on the research that was done in the past while others offer studies that continue today This book does more than present a history of the Texas Folklore Society it explains why the TFS has lasted so long and why it will continue      **Reflections of a Partly Cloudy Mind** JW Gee, 2013-04-18 The author takes the reader on an entertaining journey through military life from the generational perspective of a baby boomer From dealing with losing his military draft student deferment during the Vietnam War to serving as a bodyguard for the Secretary of Defense the author provides the reader with a unique informative and often outrageously hilarious glimpse of military life in the United States Army intelligence and law enforcement communities Learn about sanpaku snafu the Asoh Defense and other obscure forms of military jargon and acronyms Get introduced to an ornery barnyard cat modern day cattle rustlers clever investigative techniques and the perils of using foreign language translators to determine case facts Laugh in wonderment at the murky world of lie detection using a polygraph instrument The colorful and memorable characters described in each chapter to include the author are alternately frail and courageous nave and crafty cynical and patriotic but always captivatingly authentic      The Duty of Moral Reflection with Particular Reference to the Texas Question. A Sermon [on Isa. i 3], Etc Oliver STEARNS, 1845      *Hill Country Backroads* Laurie E. Jasinski, 2001 This book tells an interesting story of the early backroads and scenic destinations of drivers struggles and traveling troubles      *The History of Texas* David Barnett Edward, 2024-11-16 Reprint of the original first published in 1836      The Mineral Resources of Texas Edward Lewis Dodd, William Battle Phillips, 1914      **Viva Texas Rivers!** Steven L. Davis, Sam L. Pfiester, 2022-08-24 More than the lifeblood of our natural world Texas rivers have nourished the human spirit for as long as people have gathered on their banks A living bond has flowed between Texas writers and rivers ever since the 1960 publication of John Graves s classic journey along the Brazos Goodbye to a River Many of Texas leading writers have had their hearts captured by a river and they have created sparkling accounts of the waterways they love Now editors Steven L Davis and Sam L Pfiester have assembled the best of those works into a revelatory collection of diverse literary voices Ranging from the desert

canyonlands of the Rio Grande to the swampy Big Thicket from crystal clear Hill Country streams to the Red River's treacherous quicksand Viva Texas Rivers showcases many classic writings along with brand new essays written for this volume The literary nonfiction is complemented by flashes of poetry that brilliantly reflect these curving ribbons of light Authoritative and expertly edited Viva Texas Rivers offers shimmering accounts of hidden paradises as well as searing exposés of abuse and despoliation Yet even in the bleakest times as these writers have found Texas rivers can bestow a sacred grace and unexpected redemption Viva Texas Rivers brings you as close to the living nirvana of a Texas River as you can get without launching yourself into a canoe and following a great blue heron as it glides just above the breaking rapids leading you around the bend as the river flows onward toward the best places in our hearts *Texas Literary Outlaws* Steven L.
