novelist the convalescent the seeker of wisdom Marcus identifies memory and melancholy as key themes in Soseki's personal writings and highlights their relevance in his fiction He balances Soseki's account of his Tokyo household with that of his wife Natsume Kyoko who left a straightforward record of life with her celebrated husband Soseki crafted a moving and convincing voice in his shoin which can now be pondered and enjoyed for their penetrating observation and honesty as well as the fresh perspective they offer on one of Japan's literary giants *The Reflection* TLJ Heaven,2021-08-23 The world we create will be a sustainable one One without humanity One without all those you love We will reward you with being one of the last men to view the ashes of the world you currently know And then we will let you die To rectify the tragic loss of his eldest daughter Rebecca Doctor Johnathan Grunge searched for solutions through his genetic studies It was time for Doctor Grunge to unveil his years of research to the public domain He was never aware of the full implications of his experiments His focus was not shifted away from his DNA program to the monster he created in the dark The monster that kept him sleepless at night The monster that lurked over his family *Reflections* James O. Jeffers,2003 The book chronicles James Jeffers life from about age two but it purposefully falls short of being either memoirs or autobiography With this work he has attempted to simply record for his children grandchildren and others the wonderful events of his life as he experienced them The book covers thousands of miles of travel along with living and working with peoples of differing cultures on three continents and in the Caribbean five foreign countries and fifteen different states spanning the nation from coast to coast to coast *Reflection* Jessica Roberts,2012-02-17 **Mr Woodreeve's Reflection** Robert Bluck,2017-02-02 Emma sees something impossible again a man walking unharmed out of a deep churning river Last time her parents thought she was hallucinating Now she'll keep it secret Is Emma going crazy Or does she see things the others can't see or won't admit to seeing On the surface is a family in crisis Emma is an awkward teenager in a world of her own and there is a web of secrets her family are keeping from each other which can only be untangled if they have the courage to share what they have seen There seems to be a hidden world magical or dangerous only a hair's breadth away from everyday Northumberland The family befriend the mysterious Mr Woodreeve and they begin to dream of moving to the country But why is he so friendly and why is Emma in particular drawn to him When he disappears leaving behind his own peculiar story for them to read they are more confused than ever Secret letters secret places secret lovers all have to be discovered and understood before the family can find their way towards the truth Will they be brave enough to share these secrets and how will their lives be changed
