Reflections From My Heart:

Reflections of My Heart Ken Oswald, 2011-02-15 Life is an adventure sometimes we take it for granted Reflections of my heart are things emotions and feelings i have felt and lived through in my life that many of you may be able to relate to as well People come into your life for a reason a season or a lifetime When someone is in your life for a REASON it is usually to meet a need you have expressed They have come to assist you through a difficulty to provide you with guidance and support To aid you physically emotionally or spiritually They may seem like a godsend and they are They are there for the REASON you need them to be Some people come into your life for a SEASON because your turn has come to share grow or learn They bring you an experience of peace or make you laugh They may teach you something you have never done They usually give you an unbelievable amount of joy Believe it it is real But only for a SEASON LIFETIME relationships teach you lifetime lessons Things you must build upon in order to have a solid emotional Foundation Your job is to accept the lesson Love the person and put what you have learned to use in all other Relationships and areas of your life It is said that love is blind but friendship is clairvoyant Thank you for being a part of my life Whether you were a reason a season or a lifetime

Facing Racial Revolution Jeremy D. Popkin,2010-02-15 The only truly successful slave uprising in the Atlantic world the Haitian Revolution gave birth to the first independent black republic of the modern era Inspired by the revolution that had recently roiled their French rulers black slaves and people of mixed race alike rose up against their oppressors in a bloody insurrection that led to the burning of the colony s largest city a bitter struggle against Napoleon s troops and in 1804 the founding of a free nation Numerous firsthand narratives of these events survived but their invaluable insights into the period have long languished in obscurity until now In *Facing Racial Revolution* Jeremy D Popkin unearths these documents and presents excerpts from more than a dozen accounts written by white colonists trying to come to grips with a world that had suddenly disintegrated These dramatic writings give us our most direct portrayal of the actions of the revolutionaries vividly depicting encounters with the uprising s leaders Toussaint Louverture Boukman and Jean Jacques Dessalines as well as putting faces on many of the anonymous participants in this epochal moment Popkin s expert commentary on each selection provides the necessary background about the authors and the incidents they describe while also addressing the complex question of the witnesses reliability and urging the reader to consider the implications of the narrators perspectives Along with the American and French revolutions the birth of Haiti helped shape the modern world The powerful moving and sometimes troubling testimonies collected in *Facing Racial Revolution* significantly expand our understanding of this momentous event
