Reflections in a Silver Spoon Paul Mellon, John Baskett, 1992      Paul Mellon's Legacy John Baskett, Jules David Prown, Duncan Robinson, Brian Allen, William S. Reese, William J. Reese, Yale Center for British Art, Royal Academy of Arts (Great Britain), 2007-01-01 Paul Mellon 1907 1999 was an unparalleled collector of British art His collection now at Yale in the museum and study center he founded to house it rivals those in Britain's national museums and is unquestionably the most comprehensive representation of British art held outside of the United Kingdom This book and the exhibition that it accompanies celebrate the centenary of his birth Five introductory essays examine Mellon's extraordinary collecting activity as well as his role in creating both the Yale Center for British Art and the Paul Mellon Centre for Studies in British Art in London as gifts to his alma mater Yale 1929 A lavishly illustrated catalogue section showcases 148 of the most exquisite and important paintings watercolors drawings prints sculpture rare books and manuscript material in the Yale Center's collection including major works by Thomas Gainsborough Joshua Reynolds George Stubbs John Constable and J M W Turner

Elizabeth the Queen Sally Bedell Smith, 2012 A tribute to the life and enduring reign of Elizabeth II draws on numerous interviews and previously undisclosed documents to juxtapose the queen's public and private lives providing coverage of such topics as her teen romance with Philip her contributions during World War II and the scandals that have challenged her family This book was previously listed in Forecast      **Rogues and Scholars** James Stourton, 2025-02-04 A colorful and fast moving account of how postwar London became the global center of the art market a story of Impressionist masterpieces dodgy dealers and ground breaking financial transactions On October 15 1958 Sotheby's of Bond Street staged an event sale of seven Impressionist paintings belonging to Erwin Goldschmidt three Manets two Cezannes one Van Gogh and a Renoir Kirk Douglas Anthony Quinn and Somerset Maugham were there as celebrity guests The seven lots went for 781 000 at the time the highest price for a single sale The event established London as the world center of the art market and Sotheby's as an international auction house It began a shift in power from the dealers to the auctioneers and paved the way for Impressionist paintings to dominate the market for the next forty years Sotheby's had pulled off a massive coup by capturing the Impressionist market from Paris and New York and now began its inexorable rise opening offices all over the world A huge expansion of the market followed accompanied by rocketing prices colorful scandals and legal dramas London transformed itself from a fusty place of old master painting sales to a revitalized center of contemporary art crowned by the opening of Tate Modern in 2000 The Tate Modern successfully united new and mostly foreign money in London with the art world offering its patrons a ready made sophisticated social milieu alongside dealers in contemporary art In a vibrant and briskly paced style James Stourton tells the story of the London art market from the immediate postwar period to the turn of the millennium While Sotheby's is the lynchpin of this story Stourton populates his narrative with a glorious rogue's gallery of eccentric scholars clever amateurs brilliant emigrants and stylish grandees with a flair for the deal      **Carl Gustav Jung J.**

Sherry,2010-10-25 Carl Gustav Jung has always been a popular but never a fashionable thinker His ground breaking theories about dream interpretation and psychological types have often been overshadowed by allegations that he was anti Semitic and a Nazi sympathizer Most accounts have unfortunately been marred by factual errors and quotes taken out of context this has been due to the often partisan sympathies of those who have written about him This book provides a more accurate and comprehensive account of Jung s controversial opinions about art politics and race      **Death of a Racehorse** Katie Bo Lillis,2025-05-06 Death of a Racehorse by Katie Bo Lillis investigates the dark undercurrents of modern horse racing through two major scandals exposing a sport plagued by drug abuse class tensions and profit driven neglect of animal welfare With insider access Lillis reveals how ambition wealth and flawed industry practices have pushed horses beyond their limits in a system prioritizing money over ethics      Generation Deluxe Iris Nowell,2004-06-28 They fork out 100 million for starter castles 500 000 for a customized Mercedes and 1 2 million for a watch While Generation Deluxe explores the spending patterns of the wealthy a dark underside emerges excessive consumerism is creating serious damage to the environment and human life Simultaneously the super rich and celebrities are raising awareness and spending multi millions cleaning up the damage and as never before funding solutions to global problems of poverty hunger and disease prevention      **Holy Digital Grail** Michelle R. Warren,2022-03-29 Medieval books that survive today have been through a lot singed by fire mottled by mold eaten by insects annotated by readers cut into fragments or damaged through well intentioned preservation efforts In this book Michelle Warren tells the story of one such manuscript an Arthurian romance with textual origins in twelfth century England now diffused across the twenty first century internet This trajectory has been propelled by a succession of technologies from paper manufacture to printing to computers Together they have made literary history itself a cultural technology indebted to colonial capitalism Bringing to bear media theory medieval literary studies and book history Warren shows how digital infrastructures change texts and books even very old ones In the process she uncovers a practice of tech medievalism that weaves through the history of computing since the mid twentieth century metaphors indebted to King Arthur and the Holy Grail are integral to some of the technologies that now sustain medieval books on the internet This infrastructural approach to book history illuminates how the meaning of literature is made by many people besides canonical authors translators scribes patrons readers collectors librarians cataloguers editors photographers software programmers and many more Situated at the intersections of the digital humanities library sciences literary history and book history Holy Digital Grail offers new ways to conceptualize authorship canon formation and the definition of a book      Philanthropists and Foundation Globalization Joseph Kiger,2017-07-28 The modern American foundation as an instrumentality for charitable and philanthropic giving is in many ways a unique and complex social economic political institution This is particularly the case for foundations with large assets As a social phenomenon the foundation has deep roots in the past At the beginnings of any degree of civilization charitable giving and rudimentary forms of foundations emerge This is the case in many regions of

the world The pattern is consistent once enough property or wealth beyond primitive human needs is accumulated some of it begins to be set aside for what the donors of such wealth consider worthwhile purposes The serious literature contributing greatly to public perception of philanthropy and foundations has been relatively sparse Much of what is available is quantitative and statistical in nature There has been limited objective attention to the motives or reasons spurring individual philanthropists to engage or not to engage in creating foundations such motivation needs historical and comparative analysis Major investigations and studies of foundations together with ancillary national regional and international organizations to facilitate such study have received spotty consideration Philanthropists and Foundation Globalization addresses three interrelated aspects of foundation history First it reviews biographical historical profiles of the founding philanthropists and their heirs engaged in international giving Second it discusses major governmental and non governmental investigations and studies of foundations including domestic ones and also foreign ones in which U S participants have played a prominent role spanning the period 1912 to the present Third it chronicles foundation developments and activities in Europe at the close of the twentieth century The volume provides a historical account of some U S foundations international activity in a particular region in a specific time period and their a *Analytical Psychology in Exile* C. G. Jung, Erich Neumann, 2025-07-22 Two giants of twentieth century psychology in dialogue C G Jung and Erich Neumann first met in 1933 at a seminar Jung was conducting in Berlin Jung was fifty seven years old and internationally acclaimed for his own brand of psychotherapy Neumann twenty eight had just finished his studies in medicine The two men struck up a correspondence that would continue until Neumann s death in 1960 A lifelong Zionist Neumann fled Nazi Germany with his family and settled in Palestine in 1934 where he would become the founding father of analytical psychology in the future state of Israel Presented here in English for the first time are letters that provide a rare look at the development of Jung s psychological theories from the 1930s onward as well as the emerging self confidence of another towering twentieth century intellectual who was often described as Jung s most talented student Neumann was one of the few correspondence partners of Jung s who was able to challenge him intellectually and personally These letters shed light on not only Jung s political attitude toward Nazi Germany his alleged anti-Semitism and his psychological theory of fascism but also his understanding of Jewish psychology and mysticism They affirm Neumann s importance as a leading psychologist of his time and paint a fascinating picture of the psychological impact of immigration on the German Jewish intellectuals who settled in Palestine and helped to create the state of Israel Featuring Martin Liebscher s authoritative introduction and annotations this volume documents one of the most important intellectual relationships in the history of analytical psychology **The Yale Biographical Dictionary of American Law** Roger K. s great achievement in this scholarly and captivating book is to model Flexner's critical appraisal skills in writing about him. Even Flexner himself lacked critical awareness in his autobiography. Bonner, on the other hand, offers a gentle and thoughtful appraisal. The elements that contribute to Flexner's greatness—perseverance, vision, clear thinking, and fair-mindedness—are all balanced with his weaknesses: an obstinate unwillingness to retract and clouded political insight. Bonner dissects Flexner's contribution with meticulous scholarship, avoiding all cheap adulation or debunking. This is an outstanding book. Ed Peile, *British Medical Journal*. The book offers historical insights about philanthropy, educational reform, and institutional governance and decision making. In Bonner's capable hands, Flexner emerges as an interesting figure whose successes are combined with contradictions and shortcomings. Amy E. Wells, *Academe*. An outstanding and thorough study of this remarkable American educator who more than anyone before or since defined what a medical school should be. Left indelible marks on public education and founded one of the most innovative centers of advanced study in the world. Bonner adroitly portrays in this masterful biography what America and the world owes to Flexner for his vision, creativity, tenacity, and advocacy of progressive education. John S. Haller Jr., *Journal of American History*. Few nonphysicians have had as profound and long-lasting an effect on modern American medicine as Abraham Flexner. An excellent book about a highly significant and neglected figure. Janet A. Tighe, Ph.D., *JAMA*. *Journal of the American Medical Association*. Not only fills a major void but also provides an important evaluation of an individual whose contributions to education and a variety of social problems have generally been overlooked. Bonner's biography restores Flexner to the position of importance that he merits. This biography is a major addition to American historiography. Gerald N. Grob, *Journal of the History of Medicine and Allied Sciences*. Excellent. Deeply researched, carefully presented. This thorough, creative biography adjusts our view of this powerful man so engaged in an astounding array of twentieth-century educational developments. Linda Eisenmann, *H-Net*. Thanks to Thomas Bonner's *Iconoclast*, we finally have the biography Flexner deserves, and readers seek. John R. Thelin, *Journal of Higher Education*. If you want to know why more than half of the Nobel Prizes in medicine and science since 1945 have gone to Americans, you must read Thomas Bonner's book. Abraham Flexner was the architect of a revolution in medical education in the United States that explains how this country became the medical mecca of the world. Bonner brings Flexner's remarkable story to life with clarity, sympathy, and verve. James H. Jones, author of *Bad Blood* and *Alfred C. Kinsey: A Public/Private Life*. At last we have a life of one of the most powerful shapers of medicine, science, and higher education. This beautifully crafted life of Flexner will rescue a giant of his times from fragmentation and sometimes misunderstanding. Bonner has written not only a very important book but a deeply thoughtful and searching interrogation of recurrent social and moral problems that take on life and meaning in a concrete historical setting. John C. Burnham, *Ohio State University*. Abraham Flexner was one of the great innovators in education of the twentieth century. Thomas N. Bonner, a distinguished historian as well as an educator manager, is the biographer Flexner deserves. Daniel M. Fox, *President Milbank Memorial Fund Perspectives in Biology and Medicine*.
