Horizons Jakeson Eudela,Ukiyoto Publishing,2020-10-31 The horizon is basically defined as the junction between the heaven and the earth A border that separates the celestial from the earthly The line between the sky and the ground The horizon shows us the different contrasts of life The high and the low The divine and the mortal It shows the totality of life which is not purely of spirit and of flesh but rather of both Every short story written in this anthology expresses their own unique identity and flavor showing the different tapestry of life Just as how the horizons emphasize the contrasts of nature

Current Encyclopedia, a Monthly Record of Human Progress ,1911 **The Process** Corey Soles,2022-04-06 In 2014 I began to reflect on my life and the many decisions I have made good and bad that brought me to the place where I am presently I ve had many ups and downs and they have brought me to this place As I looked back on some of my earlier years like at the age of fifteen I began to think what led me down the road The lack of a father or a proper male figure in my life led me to the place where I got involved in gang life I looked back on the many people whom I encountered and who influenced me on my road to finding my true identity Christ Jesus motivated me to share the testimony of my trials and tribulation and how I was able to escape the death grip of this lifestyle The book of Revelations 12 11 says They were overcomers by the Blood of the Lamb and by the Words of their Testimony I feel that I need to share my accounts leading to my testimony and hope and pray that it will help someone who is looking for a way out to be transformed by the renewing of their mind to see a better view and to know that there is hope for them I have placed my very heart into the writing of this book for the success of seeing many people s lives changed and discovering their identity and most of all finding Jesus Christ as their Lord and Savior and the freedom from bondage and the death grip of any deadly lifestyle Issues such as drugs betrayal and other life changing events have caused devastation to our youth which in turn motivated me to write this book My prayer is that after reading this book people will find themselves in loving embrace of a new life and a continued yearning that could only be possible with Christ Jesus
