**Reflections of an Englishwoman Abroad** Barbara Robinson,1999 Barbara Robinson shares her thoughts and feelings from her worldwide travels as a healer The book has two themes the first of which is the affection the author holds for her native land the second is the calling she felt to help others *The British National Bibliography* Arthur James Wells,2002

Hints towards the formation of character, by a plain-spoken Englishwoman Hints,1843 **Country Life** ,1986 **The Englishwoman in Russia; impressions of the society and manners of the Russians at home, by a lady two years resident in that country** Russia,1855 **The Englishwoman in America** Isabella Lucy Bird,1856 Words on Cassette, 2002 R R Bowker Publishing,2002 **Artists and Migration 1400-1850** Jessica David,Matej Klemencic,Kathrin Wagner,2017-01-06 This volume offers a thematic exploration of the migrant artist s experience in Europe and its colonies from the early modern period through to the Industrial Revolution The influence of the transient artist both on their adoptive country as well as their own oeuvre and native culture is considered through a collection of essays arranged according to geographic location The contributions here examine the impetuses behind artistic migrations and the status of the foreign artist at home and abroad through the patterns of patronage contemporary responses to their work and the preservation of their artistic legacy in domestic and foreign settings Objects and sites from across the visual arts are considered as evidence of the migrant artist s experience talismans of cultural exchange that yielded hybrid artistic styles and disseminated foreign tastes and workshop practices across the globe **Country Life Illustrated** ,1986 An Englishwoman's Love-Letters Laurence Housman,2022-09-16 In An Englishwoman s Love Letters Laurence Housman crafts a poignant exploration of love identity and the social dynamics of Victorian England through a series of fictional correspondence The narrative unfolds via the intimate letters of a young Englishwoman revealing her deepest emotions societal restraints and the intricacies of romantic desire Housman s literary style blends lyrical prose with a psychological depth that evokes the era s constraints while inviting empathy for the protagonist s plight The book offers a rich context reflecting the evolving views on gender and affection during a time of strict societal regulation Laurence Housman an accomplished playwright and illustrator was deeply influenced by his background in the arts and his progressive views on social issues Growing up amidst the complexities of his family s literary legacy and experiencing the shifting paradigms of gender roles Housman was motivated to portray the often silenced voices of women This endeavor highlights his commitment to intertwining personal narrative with broader societal commentary making this work not just a reflection of love but also a critique of its cultural confines Readers seeking a nuanced understanding of love in a bygone era will find An Englishwoman s Love Letters an enlightening and emotionally resonant read Housman s deft interplay of personal sentiment and societal critique invites deeper reflection on the nature of love and the conditions that shape it This book is a must read for those interested in the confluence of literature history and gender studies *British Muslim Fictions* C. Chambers,2012-03-09 Through interviews with leading writers including Ahdaf

Souef and Hanif Kureishi this book analyzes the writing and opinions of novelists of Muslim heritage based in the UK Discussion centres on writers work literary techniques and influences and on their views of such issues as the hijab the war on terror and the Rushdie Affair

**The Englishwoman's Review of Social and Industrial Questions** Janet Murray, Myra Stark, 2016-12-19 The Englishwoman's Review which published from 1866 to 1910 participated in and recorded a great change in the range of possibilities open to women The ideal of the magazine was the idea of the emerging emancipated middle class woman economic independence from men choice of occupation participation in the male enterprises of commerce and government access to higher education admittance to the male professions particularly medicine and of course the power of suffrage equal to that of men First published in 1979 this thirty first volume contains issues from 1899 With an informative introduction by Janet Horowitz Murray and Myra Stark and an index compiled by Anna Clark this set is an invaluable resource to those studying nineteenth and early twentieth century feminism and the women's movement in Britain

**The Englishwoman's Domestic Magazine**, 1866 **The British Journal of Nursing with which is Incorporated the Nursing Record ...**, 1897 *Punch* Mark Lemon, Henry Mayhew, Tom Taylor, Shirley Brooks, Francis Cowley Burnand, Owen Seaman, 1891 *The Englishwoman's domestic magazine. [Imperf. With] Supplemental fashions & needlework [afterw.] Patterns, fashions & needlework [and] Designs for fashions and needlework [Continued as The Illustrated household journal and English- woman's domestic magazine].*, **The English Woman in History** Doris Stenton, 2022-03-29 First published in 1957 The English Woman in History displays the place women have held and the influence they have exerted within the changing pattern of English society Ever since the days of Queen Elizabeth I the position of women in English society has been a matter of general debate In the seventeenth century many men produced books in praise of women following the example of Thomas Heywood Most of these books were devoted to the praises of individual women but their authors generally produced arguments against subjection of all women to the unthinking dominance of men While married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women's place in the world The women who at the end of the seventeenth century began to write were generally fired by a sense of injustice and men tended to write condescendingly of charm and beauty which interested them more than intelligence and wit Now that women are bearing public responsibilities with success it is possible for historians to look back dispassionately over the centuries and trace the stages by which this position has been won It is a survey of this nature which Lady Stenton has attempted in this book This is a must read for students and scholars of women's history gender studies and women's movement

**British National Forestry** David Ernest Hutchins, 1901 **Women and Children First** Robin Miskolcze, 2007-12-01 At a crucial time in American history narratives of women in command or imperiled at sea contributed to the construction of a national rhetoric Robin Miskolcze makes her case by way of careful readings of images of women at sea before the Civil War in her book Women and Children

First Though the sea has traditionally been interpreted as the province of men women have gone to sea as mothers wives figureheads and slaves In fact in the nineteenth century women at sea contributed to the formation of an ethics of survival that helped to define American ideals This study examines often for the first time images of women at sea in antebellum narratives ranging from novels and sermons to newspaper accounts and lithographs Anglo American women in antebellum sea narratives are often portrayed as models of American ideals derived from women s seemingly innate Christian self sacrifice Miskolcze argues that these ideals in conjunction with the maritime directive of women and children first during sea disasters in turn defined a new masculine individualism one that was morally minded rooted in Christian principles and dedicated to preserving virtue Further Miskolcze contends that without the antebellum sea narratives portraying the Christian self sacrifice of women the abolitionist cause would have suffered African American women appealed to the directive of women and children first to make manifest their own womanhood and by extension their own humanity
