Reflections Of God's Work Jerri Broglin, 2017-03-29 The book is a collection of different lessons that people can go through such as going through losses There are many examples of the deep seated dysfunctional habits that we all hold close to our hearts and how we overcome adversity There are lots of joy in the different ways God comes through to us as He pries us away from these terrible habits These enlightening words may be familiar to you as you experience your different lessons in life but still allows you to be able to relate to others These lessons that are taught are through different avenues but we all come out with the same positive outcome We all go through many different lessons but are part of one body of Christ as we are learning similar traits to be closer to God This shows how it is a learning process always progressing into new territory as we each are learning at our own rate and have different tests that we are going through We learn to be close to others as we go through our unique lessons We become more positive in God's ways together God has put us through the lessons that bring out the best in each person This book has expressed what brought a magnitude of lessons to us that brings such success in the great change in our attitudes Otherwise without them we would never been taught about the greatest gifts ever that comes from God It shows the powerful lessons that we as individuals can learn from as we trudge along and go through our ups and downs that God so delicately planted into our lives God is the most magnificent being that created each individual to become mature through His ingenious purpose He has for us He allows us to meet others at just the right time and place that can bring us the greatest lessons in relating with others This will teach us the most as we are searching dearly for our soul's purpose I believe this a great eye opener for those searching for answers as we are finding the answers that are so deep in our hearts God has the true path through our lives that allow us the strong and wise choices that we need to make That keeps us from falling again once we learn the lessons deep in our heart It shows the great joy that we go through as we learn these great lessons

Reflections on the Character of God Ajowi Matete, 2011-08-30 God created within each of us something he delights in a precious beautiful reflective jewel that he values and adores an object for his desire In his children he sees the reflection of his own perfect character He loves us despite our perceived inadequacies He wants us to love him back to recognise him and to know him intimately so that we can distinguish his voice his leading his presence and his heart As we look to God we see a reflection of our selves we see our perfection in him Everything that God is we are in his image To know God we need personal revelations of his character Knowing God is the beginning to self discovery

Reflections of God's Work Paul McLean, 2010-08-23 This work by Paul McLean is a deep weekly devotional that is both introspective and interactive. It is a weekly study as opposed to a daily reading in order to involve the reader on a more contemplative journey into focused biblical issues. By use of a weekly instead of a daily study, this devotional allows an opportunity to go deeper with God by narrowing the reader's focus on particular biblical principles that impact his or her personal sphere. McLean vigorously maintains that Bible study, deep personal analysis, and prayer are critical anchors in weathering any of life's storms while at the same time producing Christian growth and maturity. They are also the pillars from which growth, life balance, and fulfillment are achieved. This book is interactive through the use of journaling, thoughts, impressions, and messages received through connecting with God's word, Bible, during the week. Essentially, the reader evaluates his or her life by answering in journalistic form pointed and personal life questions. McLean believes that prayer and contemplative study play critical roles in the process of hearing from God. This devotional can also be used as a study guide for group sharing and personal growth. Each chapter touches on insights and personal experiences McLean has encountered in his work as a probation officer and from his involvement in prison ministry. He discovered that by witnessing the transforming power of Jesus Christ in the lives of criminal offenders, he was changed and shaped by God for a higher purpose.

Reflections of God's Love Keith Furlong, 2012-06-22 As a Christian, I learned at an early age the importance of God in my life. Over the years, I have been mocked and scorned because of my faith, yet I have never doubted my faith in God and the Lord Jesus Christ. I worked for many years as a hill shepherd in the beautiful Lake District in Cumbria and fully appreciated the beauty of God's creation. The chapters of this book contain poems that reflect part of my life, and I hope and pray they help you in your daily walk with Jesus.

Feelings and Faith Louis W. Accola, 2021-04-26 Book *Feelings* feelings feelings. We all have feelings. How are you handling your feelings? How do you understand your feelings? Do you embrace, suppress, or deny them? How do you feel about your feelings? Good, Bad, Confused. Author Louis Accola invites the reader of *Faith and Feelings* into a personal reflection and discernment journey. The book is an insightful, positive, affirming, empowering exploration and analysis of nine feelings: anxiety, doubt, anger, guilt, fatigue, fear, joy, peace, and wonder. The author does this exploration and analysis in the light of the meaning and the significance of each person being uniquely created in the image of God. We are created in God's image. We each express in our own personhood the presence, the nature, and the feelings that we see attributed to the God in the Scriptures. We encounter those same feelings that are in our birthright package in the actions and teachings in Jesus's life story as the Living Word of God in human flesh. Designed by God, our feelings are a gift in the makeup package of our natural essence as human beings. Feelings are to be recognized, affirmed, expressed, and shared in all our relationships, potentially for good, in our words and actions along life's journey. *Feelings and Faith: Reflections on God's Gift for Life's Journey* is deeply inspiring and informative. It provides practical insights and guidance for self-affirmation, for a positive perspective on feelings, and for embracing and expressing our feelings in daily

experiences and challenges along life's journey This book's final chapter talks about the faith that counts for free and abundant living and in its challenges and special needs The author clarifies faith as a gift in our birthright package to be recognized and affirmed as the spirit of life's presence empowerment guidance and blessings along life's journey From his years of pastoral and counseling ministry experience the author understands deeply the pressures and changes impacting feelings and faith In this time of rapid and constant changes especially intensified by the COVID 19 pandemic and its resulting current economic crises the author invites the reader to examine the impact of these changes on feelings and faith Accola evokes new insights for the reader to embrace and affirm for feelings and faith This book invites the reader to purposeful positive and healthy living based on insights from the lifestyle and teachings of Jesus of Nazareth **Reflections on the works of God in nature and providence, for every day in the year.
