# Reflect

"Moments of reflection occur with calm deliberation and careful thought. Imagine the thoughts which would come to you if you would simply allow them. By giving intentional consideration to a situation, you will gain clarity which you may not have achieved otherwise."

# Reflections Of Life In Our Town

**Edward Alfred Steiner**

## **Reflections Of Life In Our Town:**

*Reflections of Life in Our Town* James, 2004 *Reflections of Life in Our Town* is a satirical look at life and values in small town America. The book is occasionally absurd, occasionally offensive, sometimes sensitive but mostly just funny. Our Town does not exist in a time nor does it really inhabit a specific place though most of its inhabitants believe that they are somewhere in Ohio and all agree that they are definitely on the planet Earth. The citizens of Our Town live life pretty much as any Americans do dealing with such issues as the spread of communism, the rise of the superstore and rampaging ogres at the end of the street as we all would. The cast of characters in Our Town is wildly varied from the senile village elder Grandpa Genkaku to the physically indescribable Laughlin twins. There is a child prodigy with a fish bowl on her head, a many tentacled alien from the dark side of Saturn and of course the aforementioned ogres. Though varied together they form a relatively tight community trying to cope with the trials of everyday life. And everyday life in Our Town is pretty much like life in any town. You have your good days and your bad, your successes and your failures. One day a wandering band of angels is scandalizing the local women, the next day the circus comes to town. Life is kind of like a roller coaster that way. The citizens of Our Town also offer forays into outer space in order to rediscover previously discovered planets and a quest for god while in pursuit of a red balloon. While life in Our Town may not be quite as exciting as life in places like Toledo, we generally manage to fill our days quite well. So these are my reflections of life in Our Town. While some may seem a bit bizarre at first glance, upon closer inspection they really are not that much different from the things most people experience in life. After all, it's about values and an appreciation for the things which we hold most dear. So join me as I take a stroll down memory lane. Relax and have a laugh, just be careful not to step in any ogre.

*Reflection On Life In Buffalo NY (1932-92)* Thomas Murphy, 2006 Tom Murphy and his family lived in Buffalo NY. At various times he was employed as a landscaper, appliance salesman, insurance agent, real estate developer and civil servant. He worked for and with some of Buffalo's most noted and controversial business and political figures including Joseph N. Desmon, Harold Farber, Robert J. Bradley, Philip B. Schwab, Edward H. Cottrell as well as Frank Sedita, Stanley Makowski and Jimmy Griffin. Murphy loved each and every job and yet he always found time to laugh and to play with friends and family.

Out Of The Hurly-Burly, Or Life In An Odd Corner Charles Heber Clark, 2020-01-11 Excerpt If Peter Menuit had never been born it is extremely probable that this book would not have been written Mr Menuit however had nothing to do with the

construction of the volume and his controlling purpose perhaps was not to prepare the way for it Peter Menuit was a Swede who in 1631 came sailing up the Delaware River in a queer old craft with bulging sides and with stem and stern high in the air Moved by some mysterious impulse he dropped his anchor near a certain verdant shore and landed Standing there he surveyed the lovely scene that lay before him in the woodland and the river and then announced to his companions his determination to remain upon Pg 26 that spot He began to erect a town upon the bank that went sloping downward to the sandy beach and his only claim to the immortality that has been allotted to him is that he created what is now New Castle It would be pleasant if it did not seem vain to hope that New Castle will base its aspirations to enduring fame upon the circumstance that another humble personage came two hundred years and more after Menuit s arrival to live in it and to tell in a homely but amiable fashion the story of some of its good people and to say something of a few of their peculiarities perplexities and adventures
