the Church as understood in the theology of Luther and Barth the centrality of Christ to an understanding of all the solas of the Reformation the place and significance of the Reformers in Barth s own thought and Barth s theology in conversation with distant descendants of the Reformation often neglected including Baptists in America Pietists in Europe and Barth s own complicated relationship with Kierkegaard Bender concludes his discussion by presenting constructive proposals for a Church and university on the way and thus ever reforming **The Writers Directory 2008** Michelle Kazensky,2007-06
