Autobiography of a Restless Mind is a fascinating exceptionally diverse collection of observations and reflections written over the past twenty five years by one of the most innovative thinkers writers and leaders of the past half century Witty and wise playful and profound prophetic and immensely quotable it is a companion no thinking caring person should be without Written in an unforgettable style reminiscent of Aurelius Montaigne Lao Tse and Bacon it is a classic that will be read with pleasure and profit for generations to come The Porcupine Dilemma Leopold Bellak,1970 **Reflections on Humanity** Ivor Van Rensburg,2017-05-23 In this candid narrative the author presents his unique perspectives on the human condition

The text is infused with personal anecdotes and conceptions derived from lessons learned throughout his life Playfully didactic and poignantly serious at once his message resonates with an admixture of disillusionment and hope The author assumes free reign to serve as both a participant and an objective observer of the foibles inherent in being human specifically the need and desire to set ourselves above others He points out that this conception is entirely illusory as humanity pursues its habitual practices of deception superficiality and false precepts favoring acquisition giving in to addiction and other self destructive behaviors In so doing we move farther and farther from our Creator The author emphasizes that only when we commune with our Creator can we be truly free and open to His perfect plan and begin to live authentic lives separate and apart from the culture of more In so doing we become more deeply in tune with our true essence and the intrinsic goodness that we were meant to exhibit in all aspects of life This book is a must read for those who go through life seeking to encounter TRUTH Whether or not you agree with the author s assertions you won t regret taking this engaging journey Along the way you ll find some priceless treasures including yourself
