The Discipline of Temptation and Other Thoughts for Lent and Holy Week Henry Sidebotham,1884 Radiance and Reflection Jane Hayward,Walter Cahn,Metropolitan Museum of Art (New York, N.Y.),1982 Salvation Through Temptation Benjamin E. Heidgerken,2021-06-04 Salvation through Temptation describes the development of predominant Greek and Latin Christian conceptions of temptation and of the work of Christ to heal and restore humankind in the context of that temptation focusing on Maximus the Confessor and Thomas Aquinas as well developed examples of Greek and Latin thought on these matters Maximus and Thomas represent two trajectories concerning the woundedness of human emotionality in the wake of the primordial human sin Heidgerken argues that Maximus stands in essential continuity with earlier Greek ascetic theology which conceives of the weakness of fallen humankind in demonological categories so that the Pauline law of sin is bound to external demonic agents that act upon the human mind through thoughts desires and sensory impressions For Thomas on the other hand this wound consists primarily of an internal disordering of the faculties that results from the withdrawal of original grace concupiscence or the fomes peccati Yet even in this framework the devil plays a significant role in Thomas's account of postlapsarian temptation On the basis of these differing frameworks for human temptation Heidgerken demonstrates the centrality of Christ's exemplarity in the Greek account and the centrality of Christ's moral perfections in the Latin account As a consequence of these emphases the Greek tradition of Maximus places distinct limits on the ability of human emotionality even that of Christ to be perfected in this life whereas Thomas's approach allows Christ to completely embody a perfected form of human emotionality in his earthly life Reciprocally Thomas's account of Christ's moral perfections and virtue places distinct limits on his affirmation of Christ's experience of postlapsarian temptation whereas Maximus's account allows for Christ to experience interior forms of temptation that more closely mirror the concrete moral experiences and circumstances of fallen human beings Salvation through Temptation recommends a retrieval of early ascetic theology and demonology as the best contemporary systematic and ecumenically viable approach to Christ's temptation and victory over the devil Church: a Reflection of the Triune God Patrick Akponevwe Otor,2011-12-29 InChurch A Reflection of the Triune God Father Patrick Akponevwe Otor MSP offers a new way of looking at the Church He sees the nature and mission of the Church as an offshoot of the communion and love that binds together the persons of the

Trinity He shows how the three tiered leadership structure of the Church mirrors the persons of the Trinity Father Otor took time to explore and expand the term mission as it is understood in today's Church to include evangelization inculturation struggle for justice and liberation ecumenism inter religious dialogue protecting the earth missio Dei and many more The book illustrates the person and roles of the pastor or pastoral leader both within the church and in the world It will be a valuable resource for both teachers and students of theology pastors priests pastoral leaders missionaries and ordinary Christians who are interested in learning more about their church and faith Church A Reflection of the Triune God will inform inspire and challenge anyone and everyone who reads it **The Living Word™ 2023-2024** Angie Greulich, Jennifer

,1881 **Atonement** Eleonore Stump,2018-11-22 The doctrine of the atonement is the distinctive doctrine of Christianity
Over the course of many centuries of reflection highly diverse interpretations of the doctrine have been proposed In the
context of this history of interpretation Eleonore Stump considers the doctrine afresh with philosophical care Whatever
exactly the atonement is it is supposed to include a solution to the problems of the human condition especially its guilt and
shame Stump canvasses the major interpretations of the doctrine that attempt to explain this solution and argues that all of
them have serious shortcomings In their place she argues for an interpretation that is both novel and yet traditional and that
has significant advantages over other interpretations including Anselms well known account of the doctrine In the process
she also discusses love union guilt shame forgiveness retribution punishment shared attention mind reading empathy and
various other issues in moral psychology and ethics An Undevotional Jimmy R. Watson,2019-04-30 In the same spirit as
his previous book Big Jesus Watson takes us on a journey through the Gospel of Luke with a touch of humor and a
wheelbarrow full of insights and information Watson believes nothing is more pretentiously self pious than to write
something and call it a devotional unless one has already been canonized as a saint An Undevotional is not a spoon fed
offering of theological niceties but rather a head spinning array of possibilities into the mind and ministry of Jesus of
Nazareth with contemporary applications At times irreverent at all times interesting this book is un dispensable for Jesus
devotees and un devotees alike
