Originally practiced by the ancient Chinese and Native Americans, *Press Here Reflexology for Beginners* shows how to use massage pressure on the feet to heal holistically. Every part of your body has a corresponding reflex point on the feet; applying pressure to these specific points will naturally and non-invasively send relief to the corresponding part of your body. It's no wonder that reflexology has become one of the most popular alternative forms of healing. An overall healthy lifestyle is a huge part of staying healthy, but the powerful touch of reflexology will give you a leg up in the health department.
