Reform in Eastern Europe Olivier J. Blanchard,1993-01-29 This incisive report identifies and describes the major policy choices to be made and discusses what will work and what will not Crisis and Reform in Eastern Europe Ferenc Feher,2020-02-13 Communism in Eastern Europe is in crisis Its dimensions are social and economic its manifestation is political This volume a collection of essays by leading authorities describes the symptoms of the crisis diagnoses the causes of the malady and offers alternative scenarios for therapy A unique dimension of this collection is its avoidance of one dimensional explanations The contributors approach the subject from very different angles and start from very distinct sociopolitical premises The volume includes original accounts of unexplored aspects of East European communism as well as classic interpretations of the economic crisis and social stagnation that characterize the area Contributions not only examine the sociopolitical behavior of the ruling apparatus but also analyze its strategies political culture and the opposition Both the professional and the general reader seeking more information about Eastern Europe will find this volume an extensive in depth portrait of the current situation in what many observers predict may develop into the major area of tension in post World War II Europe Reform in Eastern Europe and the Developing Country Dimension Christopher Stevens,Jane Kennan,1992 Gives brief country by country analyses of economic reform Provides also an assessment of the lessons to be drawn by Eastern Europe from the structural adjustment experience of the Third World and of the potential impact on developing countries of the political and economic changes in Eastern Europe *Economic Reforms in Eastern Europe* Radoslav Selucký,1972 Analysis of the ideologycal and political aspects of the reform of economic systems and economic administration in Eastern European countries discusses the reform alternatives of a planned economy system the extent of decentralization particularly in respect of economic planning the impact of the CMEA economic integration programme etc

References Political Economy of Reform and Change Jan Winiecki,1997 This book was a crucial time frame in Europe s history ie the period of decline and collapse of communist economic order and later the emergence of the capitalist economic order in the post communist Eastern Europe Although the last text in this book concerns Poland the situation apart from some Poland specific developments is not drastically different elsewhere **Financial Reforms in Eastern Europe** Kanhaya Gupta,Robert Lensink,2006-08-21 This book presents a model which simulates the effects of financial reforms in transitional economies which is then applied to Poland for a variety of policy simulations The authors develop models for households commerical banks and firms expanding their enquiry into the government sector the central banking sector the external sector and finally the supply side These sub sector models explicitly incorporate institutional features specific to the Polish economy The estimated model is used to simulate the effects of a wide array of financial policies introduced in Poland and these results are then used to assess the effectiveness of the policies analyzed This timely and authoritative study sheds

new light on how a country's overall economic system responds when it pursues a big bang approach to marketization

Pressures for Reform in the East European Economies, 1989 *Economic Reforms In Eastern Europe And The Soviet Union* Hubert Gabrisch, 2019-05-20 The author discusses the traditional system of management of the economy as it existed in the early 1950s in the USSR and goes on to deal with the reforms of the 1960s and of the 1980s country by country He shows that the focus of the reforms is on finding a proper combination of planning and the market mechanism and their success will be judged *Stabilization and Reform in Eastern Europe* Michael Bruno, 1999 **Economic Adjustment and Reform in Eastern Europe and the Soviet Union** Franklyn D. Holzman, 1988 Economic reform structural adjustment macroeconomic stabilization and participation in the world economy are interconnected aspects of the same issue the long term economic viability of centrally planned economies in the rapidly changing economic environment of the modern world Any economic strategy that focuses on only one or two of these aspects at the expense of the others is likely to fail yet even strategies that build on all of these bases may well fail unless political leaders can muster exceptional skill garner international support and enjoy some good luck The contributions to this volume reflect the recent research on this issue by various specialists on the economies of the Soviet Union and Eastern Europe Each author emphasizes macroeconomic stabilization structural adjustment participation in the larger world economy or economic reform *The Impact of Soviet Reforms on Eastern Europe* Nicholas Hopkinson, 1990 Based on Wilton Park Conference 328 31 October 4 November 1988 PRICE REDUCTION TO 1 00 1997 **The Making of Economic Reform in Eastern Europe** Mario I.
