Reform In Russia And The Ussr Past And Prospects

Richard Sakwa

Reform In Russia And The Ussr Past And Prospects:

Reform in Russia and the U.S.S.R. Robert O. Crummey, 1989 **Russia's Great Reforms, 1855-1881** Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher s description

Rural Reform in Post-Soviet Russia David J. O'Brien, Stephen K. Wegren, 2002-03-20 Rural Reform in Post Soviet Russia reviews change in agricultural and rural life since 1990 through historical political sociological and anthropological investigation The contributors interest is not so much in agriculture itself but in agrarian issues such as the relationship between rural interests and changing Russian institutions the economic and social organization of rural households and the quality of life in rural families and villages

Political Reform in the Ottoman and Russian Empires Adrian Brisku, 2017-09-21 Throughout the long 19th century the Ottoman and Russian empires shared a goal of destroying one another Yet they also shared a similar vision for imperial state renewal with the goal of avoiding revolution decline and isolation within Europe Adrian Brisku explores how this path of renewal and reform manifested itself forging new laws and institutions opening up the economy to the outside world and entering the European political community of imperial states Political Reform in the Ottoman and Russian Empires tackles the dilemma faced by both empires namely how to bring about meaningful change without undermining the legal political and economic status quo The book offers a unique comparison of Ottoman and Russian politics of reform and their connection to the wider European politico economic space

Reform in Russia and the U. S. S. R. Robert O. Crummey, 1990-10 An interdisciplinary study by political scientists and historians in which are examined a number of periods of reform or attempted reform from the reign of Ivan IV to the present Annotation copyrighted by Book News Inc Portland OR

Russia Before The 'Radiant Future' Michael Confino, 2011-05-01 One of the major historians of prerevolutionary Russia has collected in this volume some of his most important essays Written over a number of years these pioneering works have been revised and updated and are complemented by others being published for the first time Thematically they cover major subjects in Imperial Russian history and in historical writing such as ideas and their role in historical change the intelligentsia the nobility and peasant society and historiography The twelve essays raise cardinal questions about current scholarship on Russian history before the upheavals of 1917 and offer original

interpretations that are of interest to the educated layman as well as the professional historian **Russia's First Civil War** Chester S. L. Dunning, 2010-11-01 He shows that serfs did not actively participate in the civil war and that the abolition of

serfdom was never a rebel goal. Instead, most rebels were petty gentry, professional soldiers, townsmen, and cossacks who were united in fierce opposition to tsars they believed to be illegitimate usurpers. *Soviet Politics* Richard Sakwa, 2012-11-12. *Soviet Politics in Perspective* is a new edition of Richard Sakwa's successful textbook *Soviet Politics* an introduction. Thoroughly revised and updated, it builds on the previous editions' comprehensive and accessible exploration of the Soviet system from its rise in 1919 to its collapse in 1991. The book is divided into five parts which focus on key aspects of Soviet politics. They are historical perspectives beginning with the Tsarist regime on the eve of Revolution, the rise and development of Stalinism through to the decline of the regime under Brezhnev and his successors, and Gorbachev's attempts to revive the system, institutions of Government such as the Communist Party, security apparatus, the military, the justice system, local government, and participation, theoretical approaches to Soviet politics including class and gender politics, the role of ideology, and the shift from dissent to pluralism, key policy areas: the command economy and reform, nationality politics, and foreign and defence policy, an evaluation of Soviet rule and reasons for its collapse. Providing key texts and bibliographies, this book offers the complete history and politics of the Soviet period in a single volume. It will be indispensable to students of Soviet and post-Soviet politics as well as the interested general reader. **1993** Pat Leonard, Rebecca Routh, 1996. *Journal articles, books, book chapters, book reviews, dissertations, and selected government publications on East Central Europe and the former Soviet Union* published in the United States and Canada. **Europe Since 1945** Bernard A. Cook, 2001. Employing 286 scholars, this two-volume encyclopedia contains entries on post-World War II European political history and groups, significant events, and persons, the economy, religion, education, the arts, women's issues, writers, and more. *Stalin* Stephen Kotkin, 2015-10-13. In his biography of Stalin, Kotkin rejects the inherited wisdom about Stalin's psychological makeup, showing us instead how Stalin's near-paranoia was fundamentally political and closely tracks the Bolshevik revolution's structural paranoia, the predicament of a Communist regime in an overwhelmingly capitalist world surrounded and penetrated by enemies. At the same time, Kotkin posits the impossibility of understanding Stalin's momentous decisions outside of the context of the history of imperial Russia. **Russian Culture At The Crossroads** Dmitri N. Shalin, 2018-02-12. The reexamination of values that began during the USSR's last years continues today in the search for a new Russian culture, one rooted in the pre-Soviet past but dynamic and evolving. Multi-textual, polyphonic, and contradictory, the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles. The chapters explore specific cultural domains, surveying Russian and Soviet beliefs and behaviors and highlighting the range of choices that Russians are facing at this critical juncture. During the waning years of Soviet power, glasnost laid bare the distress of people trapped in a system they despised but felt powerless to change. The reexamination of values that began then continues today in the search for a new Russian culture, one rooted in the pre-Soviet past but dynamic and evolving, enabling Russians to meet the challenges they face in the contemporary world. Multi-textual, polyphonic, and

contradictory the current Russian cultural discourse is richly reflected in these essays by a diverse group of authors from Russian and American academic and cultural circles Each chapter focuses on a particular cultural domain surveying the historical origins of Russian beliefs and behaviors exploring their Soviet and post Soviet permutations and highlighting the range of choices that Russians are facing at this critical juncture The decisions they make will shape their society and culture for generations to come Illuminating the universal significance of the Soviet experience this volume raises provocative questions about the social political and economic sources of cultural change *The Russian Revolution, 1917* Rex A. Wade, 2005-04-21 Rex Wade presents an account of one of the pivotal events of modern history combining his own long study of the revolution with the best of contemporary scholarship Within an overall narrative that provides a clear description of the 1917 revolution he introduces several new approaches on its political history and the complexity of the October Revolution Wade clears away many of the myths and misconceptions that have clouded studies of the period He also gives due space to the social history of the revolution and incorporates people and places too often left out of the story including women national minority peoples and peasantry front soldiers enabling a more complete history to emerge The 2005 second edition of this highly readable book has been thoroughly revised and expanded It will prove invaluable reading to anyone interested in Russian history *Reform in Modern Russian History* Theodore Taranovski, Peggy McInerny, 1995-01-27 This volume provides a comparative study of the problems and prospects of reform in modern Russian history Drawn from contributions to a May 1990 conference sponsored by the Kennan Institute for Advanced Russian Studies the book raises important methodological and historiographic questions regarding the content scope and significance of various reform efforts ranging from the Great Reforms of tsar Alexander II to attempts to salvage the Soviet system undertaken by Khrushchev and Gorbachev One of the key issues raised is whether various attempts to modernise the political and social system were a series of cyclical failures or demonstrate a pattern of progressive development Reform in Modern Russian History favours the second mode of interpretation and provides an excellent background for all who want to understand the Gorbachev era and contemporary Russian politics *The Danwei* Xiaobo Lü, Elizabeth J. Perry, 2015-02-24 The danwei or work unit occupies a central place in Chinese society To understand Chinese politics demands a better understanding of this system This volume provides a systematic study of the danwei system and addresses a variety of questions from historical and comparative perspectives **A History of Education in Modern Russia** Wayne Dowler, 2021-08-12 A History of Education in Modern Russia is the first book to trace the significance of education in Russia from Peter the Great's reign all the way through to Vladimir Putin and the present day Individual chapters open with an overview of the political social diplomatic and cultural environment of the period in order to orient the reader Dowler then goes on to analyse the aims of education initiatives in each era before considering the ways in which Russians experienced education both as students and as teachers Each chapter concludes with an assessment of the outcomes and consequences of education policies in the

period both the successes and failures as well as the impact of education on the cultural social economic and ultimately political environments The chronologically arranged book also traces and then summarises underlying key themes like the tension between an open system of education and an estate based system the push and pull between utility and the broader goal of human development and the effects of centralized authoritarian control that for much of the period limited local initiative and starved the regions of adequate resources *Encyclopedia of Historians and Historical Writing* Kelly Boyd, 2019-10-09 The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day including individuals from related disciplines like Jürgen Habermas and Clifford Geertz whose theoretical contributions have informed historical debate Additionally the Encyclopedia includes some 200 essays treating the development of national regional and topical historiographies from the Ancient Near East to the history of sexuality In addition to the Western tradition it includes substantial assessments of African Asian and Latin American historians and debates on gender and subaltern studies

Philosophical and Cultural Interpretations of Russian Modernisation Katja Lehtisaari, Arto Mustajoki, 2016-09-13 In this book the expert international contributors attempt to answer questions such as How far is it possible to attribute change in contemporary Russia as due to cultural factors How does the process of change in cultural institutions reflect the general development of Russia Are there certain philosophical ideas that explain the Russian interpretation of a modern state This edited volume elaborates on processes of Russian modernisation regarding a wide range of factors including the use of modern technology elements of civil society a reliable legal system high levels of education equality among citizens freedom of speech religion and trade The main focus is on the Putin era but historical backgrounds are also discussed adding context The chapters cover a wide spectrum of research fields from philosophy and political ideas to gender issues language the education system and the position of music as a constituent of modern identity Throughout the book the chapters are written so as to introduce experts from other fields to new perspectives on Russian modernisation and de modernisation processes It will be of great interest to postgraduates and scholars in Philosophy Politics IR Music and Cultural Studies and of course Russian studies *Narrating the Soviet Era in Russian School History Textbooks* Olga Konkka, 2025-09-03 This study focuses on how Russian history textbooks published between 1992 and 2021 dealt with the topic of the Soviet period 1917-1991 Representations of this part of Russia's past in school manuals have provoked vivid debates and bolstered government intervention in the field while a gradual shift towards a less critical narrative of the USSR in more recent textbooks is often presented as directed by Vladimir Putin This study combines research into these texts and inquiry into those who write publish approve or criticize them Bringing together these perspectives provides a more complex view of school textbooks as final products of both top down and bottom up processes This volume is aimed at postgraduates researchers and academics

specializing in Soviet history contemporary Russian politics and society and history education and textbooks *The Former Soviet Union in Transition* John P. Hardt, Richard F. Kaufman, 2016-09-16 This edition of the Joint Economic Committee's 1993 reports on the economies of the ex Soviet states tracks the Soviet and post Soviet economic reform efforts and looks at issues such as integration and developments

Reform In Russia And The Ussr Past And Prospects Introduction

In the digital age, access to information has become easier than ever before. The ability to download Reform In Russia And The Ussr Past And Prospects has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Reform In Russia And The Ussr Past And Prospects has opened up a world of possibilities. Downloading Reform In Russia And The Ussr Past And Prospects provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Reform In Russia And The Ussr Past And Prospects has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Reform In Russia And The Ussr Past And Prospects. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Reform In Russia And The Ussr Past And Prospects. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Reform In Russia And The Ussr Past And Prospects, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Reform In Russia And The Ussr Past And Prospects has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing

online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Reform In Russia And The Ussr Past And Prospects Books

1. Where can I buy Reform In Russia And The Ussr Past And Prospects books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
