Rayner, 1998 Reconstructs Jewish law or Halachah to make it an introduction to Judaism more consistent with the principles of Progressive Judaism Beginning with a brief history of the Progressive movement in 20th century Judaism the author continues with illustrations of how traditional law must be adapted to the views of modern liberal Jews The Halachic problems addressed range from Jewish territorial rights in Israel divorce law and questions of medical ethics such as organ transplantation to the recycling of old prayerbooks Paper edition unseen 15 50 Annotation copyrighted by Book News Inc Portland OR **Reviewing the Covenant** Peter Ochs, 2012-02-01 In Reviewing the Covenant six Jewish philosophers and one Christian colleague respond to the work of the renowned Jewish theologian Eugene B Borowitz one of the leading figures in the movement of postmodern Jewish philosophy and theology The title recalls Borowitz s earlier book Renewing the Covenant A Theology for the Postmodern Jew in which he lent this movement a theological agenda and the essays in this book respond to Borowitz's call to revitalize contemporary Judaism by renewing the covenant that binds modern Jews to re live and re interpret the traditions of Judaism's past Together with the introductory and responsive essays by Peter Ochs and Borowitz himself the essays offer a community of dialogue an attempt to reason out how Jewish faith is possible after the Holocaust and how reason itself is possible after the failings of the great isms of the modern world This dialogue is conducted under the banner of postmodern Judaism a daunting term that by the end of the book receives a surprisingly direct meaning namely the condition of disillusionment and loss out of which Jews can and must find a third way out of the modern impasse between arrogant rationalism and arrogant religion Representing a major intellectual response to the leading theologian of liberal Judaism the book provides a significant indication of future directions in Jewish religious thought Contributors include Eugene B Borowitz Yudit Kornberg Greenberg Susan Handelman David Novak Peter Ochs Thomas W Ogletree Norbert M Samuelson and Edith Wyschogrod Ethics at the Center Elliot N. Dorff, 2024 Ethics at the Center culls the best of Rabbi Elliot Dorff's pioneering thinking in Jewish ethics over the course of nearly five decades
