Reform Of Elementary School Education:

Success for All Robert E. Slavin, Nancy A. Madden, 2001-01-01 Success for All is a comprehensive reform model for elementary school that combines state of the art curriculum research based instructional methods assessments and professional development with one to one tutoring extensive family support services and other strategies to ensure that every child is successful in the early grades and then builds on that success throughout the elementary years Started in 1987 it is the most widely used of all reform designs It is currently in about 1800 schools serving more than a million U S children mostly in high poverty schools It is also the most extensively researched comprehensive reform program with two dozen evaluations carried out in eight research institutions Success for All Research and Reform in Elementary Education is the first edited volume presenting research on Success for All in the U S and in five other countries for which the program has been adapted This book presents a description of Success for All an overall summary of all achievement studies reviews of research original presentations of new research and discussions of the impacts and the implications of this research and dissemination for educational policy and practice in many arenas The Reform of Elementary School Education Bartley Frank Brown, 1992-01-01 **Evaluation and Reform** Milbrey Wallin McLaughlin, 1975 Charting Chicago School Reform Anthony Bryk, 2018-03-08 In 1989 Chicago began an experiment with radical decentralization of power and authority Intertwining extensive narratives and rigorous quantitative analyses this book tells the story of what happened to Chicagos elementary schools in the first four years of this reform In 1989 Chicago began an experiment with radical decentralization of power and authority This book tells the story of what happened to Chicagos elementary schools in the first four years of this reform Implicit in this reform is the theory that expanded local democratic participation would stimulate organizational change within schools which in turn would foster improved teaching and learning Using this theory as a framework the authors marshal massive quantitative and qualitative data to examine how the reform actually unfolded at the school level With longitudinal case study data on 22 schools survey responses from principals and teachers in 269 schools and supplementary system wide administrative data the authors identify four types of school politics strong democracy consolidated principal power maintenance and adversarial In addition they classify school change efforts as either systemic or unfocused Bringing these strands together the authors determine that in about a third of the schools expanded local democratic participation served as a strong lever for introducing systemic change focused on improved instruction Finally case studies of six actively restructuring schools illustrate how under decentralization the principals role is recast social support for change can grow and ideas and information from external sources are brought to bear on school change initiatives Few studies intertwine so completely extensive narratives and rigorous quantitative analyses The result is a complex picture of the Chicago reform that joins the politics of local control to school change This volume is intended for scholars in the fields of urban education public policy sociology of education anthropology of education and politics of

education Comprehensive and descriptive it is an engaging text for graduate students and upper level undergraduates Local state and federal policymakers who are concerned with urban education will find new and insightful material The book should be on reading lists and in professional development seminars for school principals who want to garner community support for change and for school community leaders who want more responsive local institutions Finally educators administrators and activists in Chicago will appreciate this detailed analysis of the early years of reform
