Reformed Spirituality Howard L. Rice, 1991-01-01 Rice makes a concerted effort to point us toward new and exciting avenues of spiritual growth and development I find the book provocative stimulating and challenging Ben Campbell Johnson Peachtree Professor of Evangelism and Church Growth Columbia Theological Seminary Decatur Georgia **The Theology of Amos Yong and the New Face of Pentecostal Scholarship** Wolfgang Vondey, Martin Mittelstadt, 2013-06-15 In The Theology of Amos Yong and the New Face of Pentecostal Scholarship Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology The authors provide an introduction and critical assessment of Yong s biblical foundations hermeneutics epistemology philosophical presuppositions trinitarian theology theology of religions ecumenical and interfaith relations theology of disability engagement with contemporary culture and participation in the theology and science conversation These diverse topics are pursued through the complementary perspectives that together shape Yong s methodology pneumatology pentecostalism and the possibility of renewal The contributors invite a more thorough reading of Yong s work and propose a more substantial engagement with the new face of Pentecostal scholarship Contributors include Andrew Carver Jacob D Dodson Jeff Hittenberger Mark Mann Martin William Mittelstadt L William Oliverio Jr David A Reed Tony Richie Christopher A Stephenson Steven M Studebaker Paraskev Eve Tibbs and Wolfgang Vondey **The Theology of the Christian Life in J.I. Packer's Thought** Don J. Payne, 2006-06-01 This study offers a critical analysis of J I Packer s theology of the Christian life Packer has achieved international acclaim and wielded widespread influence within evangelicalism for more than three decades particularly through his writings on the doctrine of sanctification His approach to sanctification is examined in light of the theological anthropology and theological method that constitute its unique structure and assumptions J I Packer has been one of the most recognized evangelical theologians of the late twentieth century Among his theological passions is anchoring the Christian life in the legacy of Reformed theology particularly that expressed by seventeenth century English Puritanism Yet his treatment of the doctrine of sanctification is shaped by two other influences theological anthropology and theological method This hermeneutical exploration of Packer s treatment of sanctification offers fresh insight into his thought and demonstrates the often unnoticed impact of theological anthropology and theological method within evangelical theology

A Christian Guide to Spirituality Stephen W. Hiemstra, 2017-12-16 Spirituality is lived belief When we pray worship or reach out to our neighbors we live out our beliefs Our beliefs structure our spirituality like skin stretched over the bones of our bodies These beliefs start with faith in God the Father through Jesus Christ as revealed through the Holy Spirit in scripture in the church and in daily life Our Trinitarian theology orders our beliefs Without a coherent theology we lose our identity in space and time having no map or compass to guide us on our way In the end we focus on ourselves not God Christian spirituality starts with God not with us A Christian Guide to Spirituality takes the form of 50 daily devotions Each

topic is treated with a scriptural reference reflection prayer and questions for discussion Occasionally references are provided for further study The first four chapters Introduction Apostle s Creed Lord s Prayer and Ten Commandments cover 40 days making them suitable as a Lenten study Ten additional days focus on the spiritual disciplines and a short conclusion Reading A Christian Guide to Spirituality will help readers understand Christian spirituality better and nurture their faith There is no such thing as quality time with the Lord there is only time The living God speaks to us in many ways but especially through scripture These three sources cited Apostle s Creed Lord s Prayer and Ten Commandments are commonly called the rule of faith regula fidei and were utilized for nearly two millennia as a means to apprentice the faith These sources are the heart of the confessions of most Christian faith communities and denominations Hear the words walk the steps experience the joy Author Stephen W Hiemstra MDiv PhD is a slave of Christ husband father tentmaker economist and writer He lives with Maryam his wife of 30 years in Centreville VA and they have three grown children The foreword is written by Neal D Presa This book might be classified appropriately in spirituality Christian living devotion faith religion and theology

Christian Spirituality and Ethical Life Paul S. Chung, 2010-06-02 Christian Spirituality and Ethical Life offers a helpful study of the place of the Spirit in John Calvin s theology It also discovers a notion of the spiritual life in connection with ethical life It thus overcomes the prevailing popular pictures about the theology of John Calvin in several significant ways providing a refreshing alternative to the anemic spirituality so prevalent today It can be stated confidently that Calvin was a theologian of the Holy Spirit in solidarity with the poor standing in openness to others
