South Asia Nasreen Chowdhory, 2018-06-13 This book examines forced migration of two refugees groups in South Asia The author discusses the claims of belonging of refugees and asserts that in practice belonging can extend beyond the state centric understanding of membership in South Asian states She addresses two sets of interrelated questions what factors determine whether refugees are relocated to their home countries in South Asia and why do some repatriated groups re integrate more successfully than others in post peace South Asian states This book answers these questions through a study of refugees from Sri Lanka and Bangladesh who sought asylum in India and were later relocated to their countries of origin Since postcolonial societies have a typical kind of state formation in South Asia s case this has profoundly shaped questions of belonging and membership The debate tends to focus on citizenship making it a benchmark to demarcate inclusion and

exclusion in South Asian states In addition to qualitative analysis this book includes narratives of Sri Lankan and Chakma refugees in post conflict and post peace Sri Lanka and Bangladesh respectively and critiques the impact of macro policies from the bottom up

The Rights of Refugees under International Law James C. Hathaway, 2005-09-15 This book presents the first comprehensive analysis of the human rights of refugees as set by the UN Refugee Convention In an era where States are increasingly challenging the logic of simply assimilating refugees to their own citizens questions are now being raised about whether refugees should be allowed to enjoy freedom of movement to work to access public welfare programs or to be reunited with family members Doubts have been expressed about the propriety of exempting refugees from visa and other immigration rules and whether there is a duty to admit refugees at all Hathaway links the standards of the UN Refugee Convention to key norms of international human rights law and applies his analysis to the world's most difficult protection challenges This is a critical resource for advocates judges and policymakers It will also be a pioneering scholarly work for graduate students of international and human rights law
