Refugees From Hollywood A Journal Of The Blacklist Years

J. Hoberman

Refugees From Hollywood A Journal Of The Blacklist Years:

Refugees from Hollywood Jean Rouverol, 2000 But thanks to their well known 1940s leftist affiliations Rouverol and Butler cannot fly under the radar of those larger events To avoid prison sentences like those imposed in 1950 on their friends among the Hollywood Ten they flee to Mexico rather than accept a subpoena from the House Un American Activities Committee

Film Criticism, the Cold War, and the Blacklist Jeff Smith, 2014-03-26 Film Criticism the Cold War and the Blacklist examines the long term reception of several key American films released during the postwar period focusing on the two main critical lenses used in the interpretation of these films propaganda and allegory Produced in response to the hearings held by the House Committee on Un American Activities HUAC that resulted in the Hollywood blacklist these films ideological message and rhetorical effectiveness was often muddled by the inherent difficulties in dramatizing villains defined by their thoughts and belief systems rather than their actions Whereas anti Communist propaganda films offered explicit political exhortation allegory was the preferred vehicle for veiled or hidden political comment in many police procedurals historical films Westerns and science fiction films Jeff Smith examines the way that particular heuristics such as the mental availability of exemplars and the effects of framing have encouraged critics to match filmic elements to contemporaneous historical events persons and policies In charting the development of these particular readings Film Criticism the Cold War and the Blacklist features case studies of many canonical Cold War titles including *The Red Menace* *On the Waterfront* *The Robe* *High Noon* and *Invasion of the Body Snatchers*

Hollywood's Blacklists Reynold Humphries, 2008-09-10 Are you now or have you ever been a member of the Communist Party That question was to be repeated endlessly during the anti Communist investigations carried out by the House Committee on un American Activities HUAC in the early 1950s The refusal of ten members of the film industry to answer the question in 1947 led to the decision by studio bosses to fire them and never to hire known Communists in the future The Hearings led to scores of actors writers and directors being named as Communists or sympathisers All were blacklisted and fired Hollywood s Blacklists is a history of the political and cultural factors relevant to understanding the why and the how of the various investigations of the alleged Communist infiltration of Hollywood What was HUAC What propaganda role did films play during World War II and the Cold War What values were at stake in the confrontation between Left and Right that saw the former so resoundingly defeated and expelled from Hollywood Answers to these and other questions are offered via analyses of the motives of the various players and of the tactics deployed by HUAC to reward collaboration and punish dissent

Hollywood Exiles in Europe Rebecca Prime, 2014-01-14 Rebecca Prime documents the untold story of the American directors screenwriters and actors who exiled themselves to Europe as a result of the Hollywood blacklist During the 1950s and 1960s these Hollywood migr s directed wrote or starred in almost one hundred European productions their contributions ranging from crime film masterpieces like *Du rififi chez les hommes* 1955 Jules Dassin director to international blockbusters like *The Bridge on the*

River Kwai 1957 Carl Foreman and Michael Wilson screenwriters and acclaimed art films like *The Servant* 1963 Joseph Losey director At once a lively portrait of a lesser known American lost generation and an examination of an important transitional moment in European cinema the book offers a compelling argument for the significance of the blacklisted migrants to our understanding of postwar American and European cinema and Cold War relations Prime provides detailed accounts of the production and reception of their European films that clarify the ambivalence with which Hollywood was regarded within postwar European culture Drawing upon extensive archival research including previously classified material *Hollywood Exiles in Europe* suggests the need to rethink our understanding of the Hollywood blacklist as a purely domestic phenomenon By shedding new light on European cinema's changing relationship with Hollywood the book illuminates the postwar shift from national to transnational cinema

'Un-American' Hollywood Peter Stanfield, Frank Krutnik, Brian Neve, Steve Neale, 2007-12-27 The concept of un-Americanism so vital to the HUAC crusade of the 1940s and 1950s was resoundingly revived in the emotional rhetoric that followed the September 11th terrorist attacks Today's political and cultural climate makes it more crucial than ever to come to terms with the consequences of this earlier period of repression and with the contested claims of Americanism that it generated Un-American Hollywood reopens the intense critical debate on the blacklist era and on the aesthetic and political work of the Hollywood Left In a series of fresh case studies focusing on contexts of production and reception the contributors offer exciting and original perspectives on the role of progressive politics within a capitalist media industry Original essays scrutinize the work of individual practitioners such as Robert Rossen Joseph Losey Jules Dassin and Edward Dmytryk and examine key films including *The Robe* *Christ in Concrete* *The House I Live In* *The Lawless* *The Naked City* *The Prowler* *Body and Soul* and *FTA*

Exile and the Politics of Exclusion in the Americas Luis Roniger, James Naylor Green, Pablo Yankelevich, 2012 Following the developments that highlight the centrality of diasporas and transnational studies this book proposes that the study of exile should become a topic of central concern closely related to basic theoretical problems and controversies on the structure of power national representation and transnational displacement

George Oppen and the Fate of Modernism Peter Nicholls, 2007-10-25 Regard for George Oppen's poetry has been growing steadily over the last decade Peter Nicholls's study offers a timely opportunity to engage with a body of work which can be both luminously simple and intriguingly opaque Nicholls charts Oppen's commitment to Marxism and his later explorations of a poetics of being inspired by Heidegger and Existentialism providing detailed accounts of each of the poet's books He is the first critic to draw extensively on the Oppen archive with its thousands of pages of largely unpublished notes and drafts for poems in doing so he is able to map the distinctive contours of Oppen's poetic thinking and to investigate the complex origins of many of his poems Oppen emerges from this study as a writer of mercurial intensities for whom every poem constitutes a beginning again a freeing of the mind from thoughts known in advance A strikingly innovative and challenging poetics results from Oppen's attempt to avoid what he regards as the errors of the

modernist avant garde and to create instead a designedly impoverished aesthetic which keeps poetry close to the grain of experience and to the political and ethical dilemmas it constantly poses

1960: LBJ vs. JFK vs. Nixon David Pietrusza, 2018-09-04 1960 aims to take us deeper into the campaign than Theodore White's famous *The Making of the President 1960*. And it does. *Chicago Sun Times*. This is award winning historian David Pietrusza's hard edged account of the 1960 presidential campaign, the election that ultimately gave America Camelot and its tragic aftermath. It is the story of the bare knuckle politics of the primaries, the party conventions, backroom dealings, the unprecedented television debates, the hot button issues of race, religion, and foreign policy, and at the center of it all, three future presidents: Lyndon Johnson, John F. Kennedy, and Richard Nixon. Terrific. Robert A. Caro, winner of two Pulitzer Prizes and the National Book Award. A stirring, hard edged political saga. An outstanding reexamination. *Booklist* 1960 provides new insights into that year's hard fought, pivotal election, but more than that, 1960 is great storytelling, a fascinating, can't put it down account of how American politics really works. Former United States Attorney General Richard Thornburgh. Essential for understanding the political forces that in many ways shaped the world we live in today. David Mark, author of *Going Dirty: The Art of Negative Campaigning*.

The Life and Times of Mickey Rooney William J. Birnes, Richard A. Lertzman, 2015-10-20 A definitive biography of the iconic actor and Hollywood legend Mickey Rooney, 1920-2014, and his extravagant, sometimes tawdry life. Drawing on never before seen excerpts from Rooney's diary and exclusive interviews with Mickey and with those who knew him best, including his heretofore unknown mistress of sixty years.

Culture Wars Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades. This new edition provides an enlightening and comprehensive A to Z ready reference, now with supporting primary documents on major topics of contemporary importance for students, teachers, and the general reader. It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context. With approximately 640 entries, plus more than 120 primary documents supporting both sides of key issues, this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today.

Cold War Exiles in Mexico Rebecca Mina Schreiber, 2008 The onset of the Cold War in the 1940s and 1950s precipitated the exile of many U.S. writers, artists, and filmmakers to Mexico. Rebecca M. Schreiber illuminates the work of these cultural exiles in Mexico City and Cuernavaca and reveals how their artistic collaborations formed a vital and effective culture of resistance.

An Army of Phantoms J. Hoberman, 2013-01-29 The film critic's sweeping analysis of American cinema in the Cold War era is both utterly compulsive reading and majestic in its breadth and rigor. *Film Comment*. *An Army of Phantoms* is a major work of film history and cultural criticism by leading film critic J. Hoberman. Tracing the dynamic interplay between politics and popular culture, Hoberman offers the most detailed year by year look at Hollywood during the first decade of the Cold War ever published, one that takes film analysis beyond the screen and sets it in its larger political context. *Los Angeles Review of*

Books By tell ing the story not just of what s on the screen but of what played out behind it Hoberman demonstrates how the nation s deep seated fears and wishes were projected onto the big screen In this far reaching work of historical synthesis Cecil B DeMille rubs shoulders with Douglas MacArthur atomic tests are shown on live TV God talks on the radio and Joe McCarthy is bracketed with Marilyn Monroe The American Scholar From cavalry Westerns to apocalyptic sci fi flicks and biblical spectacles from movies to media events congressional hearings and political campaigns An Army of Phantoms remind s you what criticism is supposed to be revelatory reflective and as rapturous as the artwork itself Time Out New York An epic alternately fevered and measured account of what might be called the primal scene of American cinema Cineaste There s something majestic about the reach of Hoberman s ambitions the breadth and rigor of his research and especially the curatorial vision brought to historical data Film Comment *Itv Cultures: Independent Television Over Fifty Years* Johnson, Catherine,Turnock, Rob,2005-09-01 Since breaking the BBC s monopoly in 1955 ITV has been at the centre of the British television landscape To coincide with the fiftieth anniversary of the first ITV broadcast this accessible book offers a range of perspectives on the complex and multifaceted history of Britain s first commercial broadcaster BOOK JACKET Library Journal ,2004 Library Journal Melvil Dewey,Richard Rogers Bowker,L. Pylodet,Charles Ammi Cutter,Bertine Emma Weston,Karl Brown,Helen E. Wessells,2004 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately

Broadway and the Blacklist K. Kevyne Baar,2019-01-24 During the era often commonly known as McCarthyism many motion picture and television creators were blacklisted for supposed communist ties There remained however a creative outlet that still welcomed these artists theatre This book explores the role theatre played during this turbulent period covering the formation of the Theatre Guild which birthed the Group Theatre the short lived Federal Theatre Project and the investigations of the motion picture and television industries and Broadway by the House Un American Activities Committee HUAC Appendices discuss McCarthy s role and present the memos of investigator Dolores Faconti Scotti along with a list of prominent witnesses in HUAC s Broadway hearings and reactions by artists unions in the decades following the blacklist

Cold War Fantasies Ronnie D. Lipschutz,2001 As memories of the Cold War recede it becomes more and more difficult to remember what it was about and why it evoked such feelings of intensity and fatalism Fortunately we have a gold mine of movies and novels to help us recall why an entire generation of Americans grew up ducking under school desks in air raid drills and stocking the family bomb shelter Cold War Fantasies retrieves those times based on the idea that a nation s history self concept and collective anxiety are reflected in popular culture In Cold War Fantasies Ronnie Lipschutz combines an historical account of foreign and domestic politics from 1945 to 1995 with summaries and analyses of thirty novels and films contemporaneously published and produced Lipschutz rejects the standard line on the Cold War and critically examines the impacts and effects of language and images on politics Viewing those films and reading those novels enables the reader to

come away with a clearer sense of how people felt during the Cold War period about themselves about the enemy and about the world while living in the shadow of the atomic bomb **Women Screenwriters** Jill Neldes, Julie Selbo, 2015-09-29
Women Screenwriters is a study of more than 300 female writers from 60 nations from the first film scenarios produced in 1929 to the present day Divided into six sections by continent the entries give an overview of the history of women screenwriters in each country as well as individual biographies of its most influential The Art of Movies Nicolae Sfetcu, 2014-05-06 Movie is considered to be an important art form films entertain educate enlighten and inspire audiences Film is a term that encompasses motion pictures as individual projects as well as in metonymy the field in general The origin of the name comes from the fact that photographic film also called filmstock has historically been the primary medium for recording and displaying motion pictures Many other terms exist motion pictures or just pictures or picture the silver screen photoplays the cinema picture shows flicks and commonly movies **Writing for Hire** Catherine L. Fisk, 2016-10-17
Professional writers may earn a tidy living for their work but they seldom own their writing Catherine Fisk traces the history of labor relations that defined authorship in film TV and advertising in the mid twentieth century showing why strikingly different norms of attribution emerged in these overlapping industries
