All of us fight. We fight for the things we believe in. We also fight for those we love and at times we need to fight against our toughest opponent: ourselves. In *Life According to the Rules of Boxing*, author Jolie Glassman offers a curriculum for life, discussing how to live your life like a boxer and be the champion fighter of your own life. You are the hero you have been waiting for; it is your future self. The guide presents 101 rules to live life like a boxer who trains to be a champion and becomes one. It offers tips and advice to help you become stronger, fitter, faster, better, and wiser in mind, body, and spirit. Each rule is paired with a famous boxer's quote, and Glassman recommends being with the rule, reflecting on if you currently possess the skill or trait, and if not, how you will begin to incorporate it in your life and embody it. *Life According to the Rules of Boxing* is a catalyst to open your eyes to the choices champions make while inspiring you to do the same. This is a curriculum for living a powerful and successful life you love. Inspired by her passion for boxing and love of service, Jolie Glassman has written a truly inspirational book, a blueprint for anyone that is ready to fight for a better life. She uses the words and disciplines of great fighters like myself to train and motivate the mind into obtaining characteristics that boxers use for self-mastery, which include belief, discipline, repetition, and desire. If you are ready to fight for a better life, there's no better coach than Jolie Glassman to have in your corner. Mike Tyson. **Soup of the Day** Mickey Moctezuma, 2020-02-17. Over the course of our lives, we make many things along the way. We make money, we make friends, we make love, and we make mistakes. We make an effort to rise, but unfortunately, we also make enemies. Although these enemies are sometimes physical forces, the hardest ones to defeat are often invisible and intangible. Those unseen nemeses of ours can come in the form of laziness, procrastination, insecurity, depression, and the list goes on. No matter what form our enemies take, we must find inner strength and use it to defeat them so we can move forward and advance to the next chapter of life. In *Soup of the Day: Blood of Our Enemies*, poet Mickey Moctezuma explores complex situations of difficulty, challenge, and emotion. He addresses heartbreak, cheating, substance abuse, and toxic relationships. Mickey's poems allow you to enter his subconscious, relate to his plight, process your own feelings, and find catharsis after the many unavoidable traumas of life. Through catharsis comes healing and a bright future. *Exhale!*
