Refuse To Use A Girls Guide To Drugs And Alcohol:

Dads and Daughters Joe Kelly, 2003-05-13 Every father can make a huge difference in his daughter's life. As the primary male role model in a girl's life, fathers influence their daughters in profound ways from how they see themselves to what they come to expect from men and the world at large. But men often don't realize the importance of their interactions or may shy away from too close involvement because of their inexperience or conditioning. Especially as girls move into adolescence, fathers may find themselves feeling distant from their daughters or awkward with the changing dynamic. Communication becomes difficult and parenting issues more complicated. But this is also the time when daughters most need their fathers to be an even greater presence in their lives. Dads and Daughters is a tool to bridge that gap and build a rewarding and joyful father-daughter relationship. From father to father and with insights from many other dads, Joe Kelly shows men how they can strengthen their relationships with their daughters and explores the tremendous rewards this relationship can bring. Starting with a self-assessment quiz titled How Am I Doing as My Daughter's Father, dads can immediately see what kind of role they play in their daughter's life. To educate fathers and offer solutions when problems arise, Dads and Daughters then offers thoughtful coverage of the most pivotal issues today's girls face such as sex and dating, body image, alcohol and drugs, media culture and violence, money and responsibility and the future. In doing so, he both illuminates the culture our daughters live in and shows fathers how to guide their daughters toward rewarding healthy lives. *Infogirl* Marty Brown, 1999-12-15

Moms' Ultimate Guide to the Tween Girl World Nancy N. Rue, 2010-07-27 Today's mom is faced with the task of helping her 8 to 12 year old daughter grow up in a society that compels her little girl to grow up too fast. *Moms' Ultimate Guide to the Tween Girl Years* gives mothers practical advice and spiritual inspiration that will enable them to see their mini women into adolescence strong, confident, authentic, and God-centered even in a morally challenged society without losing their childhoods before they're ready.

You! A Christian Girl's Guide to Growing Up Nancy N. Rue, 2016-05-10 In this fun and interactive book from bestselling author Nancy Rue, all the questions girls 8 to 12 ask about their changing bodies and growing up are answered along with advice and health tips designed to help you become the confident, beautiful young woman God created you to be. Whether you're noticing new curves and hair growing where it never did before or feel like your emotions are always on the surface, you likely have a lot of questions about what is going on inside you and what it means. No matter how big the question or how embarrassing it may sound, Nancy Rue is here with answers. Inside *You! A Christian Girl's Guide to Growing Up*, you'll discover honest answers to your changing body questions, health and beauty tips, quizzes, and journaling space to help you figure out where you are in your puberty journey, medical and spiritual facts on the things you wonder about, advice from girls like you who have been where you are. Most importantly, you'll discover the true beauty that is revealed as you grow closer to God and all the things you're going through are actually part of his plan for the beautiful, confident grown-up you. *You! A Christian Girl's Guide to Growing Up* can be used as a supplement to school health classes. It looks at puberty from a Christian perspective, helps make adolescence understandable and manageable for young girls, features a conversational tone, and fun features.

A Therapist's Guide to Child Development Dee C. Ray, 2015-10-14 *A Therapist's Guide to Child Development* gives therapists and counselors the basics they need to understand their clients in the context of development and to explain development to parents. The chapters take the reader through the various physical, social, and identity developments occurring at each age, explaining how each stage of development is closely linked to mental health and how that is revealed in therapy. This ideal guide for students as well as early and experienced professionals will also give readers the tools to communicate successfully with the child's guardians or teachers, including easy-to-read handouts that detail what kind of behaviors are not cause for concern and which behaviors mean it's time to seek help. As an aid to practitioners, this book matches developmental ages with appropriate evidence-based mental health interventions.
