

# Regarding Karl Barth Toward A Reading Of His Theology

**Trevor Hart** 

## Regarding Karl Barth Toward A Reading Of His Theology:

Regarding Karl Barth Trevor Hart, 2005-01-26 Regarding Karl Barth is a distinctive engagement with the most significant elements in the theology of arguably the most prominent Christian thinker of the twentieth century Through an ongoing dialogue with Barth's writings and the views of other theologians notably Brunner Kung Lindbeck McFague and Moltmann Trevor Hart initiates fresh explorations of key issues from Barth s work and shows how they continue to provide insight in our postmodern theological context Topics covered include Scripture and revelation the Trinity natural theology pluralism justification by faith ethics and the nature and problems of religious language Beginning students thoughtful pastors and theologians familiar with Barth will all find this book to be a clear and helpful guide to his theology Prayer Ashley Cocksworth, 2015-08-27 Ashley Cocksworth presents Karl Barth as a theologian who not only produces a strong and vibrant theology of prayer but also grounds theology itself in the practice of prayer Prayer and theology are revealed to be integrally related in Barth's understanding of the dogmatic task Cocksworth provides careful analysis of a range of key texts in Barth's thought in which the theme of prayer emerges with particular interest He analyzes Barth's writings on the Sabbath and uncovers an unexpected theology of contemplative prayer the doctrine of creation of the Church Dogmatics and explores its prioritization of petitionary prayer and the ethics of the doctrine of reconciliation in which a turn to invocation is charted and the final resting place of Barth's theology of prayer is found Through the theme of prayer fundamental guestions are asked about the relation of human agency to divine agency as conceived by Barth and new insights are offered into his understandings of the nature and task of theology pneumatology sin baptism religion and sanctification The result is a rich engagement with Barth s theology of prayer an advancements of scholarship on Karl Barth and a constructive contribution to the theology of prayer Karl Barth's Christological Ecclesiology Kimlyn J. Bender, 2013-10-10 Many of Barth's theological themes such as revelation and election have received numerous scholarly examinations whilst Barth s doctrine of the church has been largely ignored Yet Barth entitled his massive systematic theological opus the Church Dogmatics and the church was a central element of his thought from first to last This book seeks to fill a lacuna in studies of Barth s theology presenting the first comprehensive examination of Karl Barth s doctrine of the church in over three decades Kimlyn J Bender examines Barth's ecclesiological thought from his early theological treatises to his massive unfinished dogmatics in light of his interaction with both Roman Catholicism and Protestant Liberalism A special emphasis is placed upon Barth's mature ecclesiology in the Church Dogmatics Reading Christian Theology in the **Protestant Tradition** Kelly Kapic, Hans Madueme, 2018-01-25 Reading Christian Theology in the Protestant Tradition offers a distinctive approach to the value of classic works through the lens of Protestantism While it is anachronistic to speak of Christian theology prior to the Reformation as Protestant it is wholly appropriate to recognize how certain common Protestant concerns can be discerned in the earliest traditions of Christianity The resonances between the ages became both

informative and inspiring for Protestants who looked back to pre reformation sources for confirmation challenge and insight Thus this book begins with the first Christian theologians covering nearly 2000 years of theological writing from the Didache Justin Martyr and Origen to James Cone Jos M quez Bonino and Sallie McFaque Five major periods of church history are represented in 12 key works each carefully explained and interpreted by an expert in the field Karl Barth's Theology as a Resource for a Christian Theology of Religions Sven Ensminger, 2014-08-28 This book uses Karl Barth s theology as a resource for Christian theology of religions For this purpose it examines Barth's theology under the doctrinal aspects of revelation revelation and religion theological anthropology and election addressing questions such as the possibility of and context for revelation Barth's understanding of religion the theological approach to the human being and soteriology Furthermore Barth s thought is put into conversation with other approaches in the field of theology of religions notably Karl Rahner's inclusivism and John Hick and the pluralist paradigm It is shown that Barth's theological system as a whole can serve as a resource for the Christian approach to and interaction with those of other faiths or no faith at all This is achieved through maintaining a balance between the commitment to the own faith and the openness to the sovereignty of God impacting the whole of creation Central to Barth's approach is the challenge to the Christian community to see their presuppositions challenged in the most unexpected circumstances while looking beyond human categories to affirm the dignity bestowed upon all of humanity through the divine Yes in the person Jesus Christ Barth s theology with its starting point in the person of Jesus Christ is advocated as a framework for the members of the Christian community as they live alongside those with a different faith from their own **The Westminster Handbook to Karl Barth** Richard E. Burnett, 2013-01-01 Featuring essays from renowned scholars this volume in the Westminster Handbooks to Christian Theology series provides an insightful and comprehensive overview of the theology of Karl Barth 1886 1968 This volume offers concise descriptions of Barth s key terms and concepts while also identifying the intricate connections within Barth s theological vocabulary Masterfully compiled and edited this volume features the largest team of Barth scholars ever gathered to interpret Barth s theology The result is a splendid introduction to the most influential theologian of the modern era Contributors include Clifford B Anderson Michael Beintker Eberhard Busch Timothy Gorringe Garrett Green Kevin Hector I John Hesselink George Hunsinger J Christine Janowski Paul Dafydd Jones Joseph L Mangina Bruce L McCormack Daniel L Migliore Paul D Molnar Adam Neder Amy Plantinga Pauw Gerhard Sauter Katherine Sonderegger John Webster and many *Karl Barth's Analogy of Beauty* Andrew Dunstan, 2021-12-30 This book provides the first comprehensive others examination of Karl Barth s view of beauty For over fifty years scholars have assumed Barth recovered traditional belief in God's beauty but refused to entertain any relationship between this and more familiar natural and artistic beauties Hans Urs von Balthasar was the first to offer this interpretation and his conclusion has been echoed ever since rendering Barth s view of beauty irrelevant to work in theological aesthetics This volume continues the late twentieth century revision of Balthasar s

interpretation of Barth by arguing that this too is a significant misunderstanding of his theology Andrew Dunstan demonstrates that through an encounter with fatalistic forms of Reformed theology Brunner's charges that his dogmatics were irrelevant and medieval thought Barth gradually developed an analogy of divine ecclesial and worldly beauty with all the theological christocentric and actualistic hallmarks of his previous forms of analogy This not only yields valuable new insight into Barth's view of analogy but also provides a much needed foundation for a distinctively Protestant and post Barthian approach to theological aesthetics The Oxford Handbook of Karl Barth Paul Dafydd Jones, Paul T. Nimmo, 2019-12-17 Karl Barth 1886 1968 is generally acknowledged to be the most important European Protestant theologian of the twentieth century a figure whose importance for Christian thought compares with that of Augustine Thomas Aguinas John Calvin Martin Luther and Friedrich Schleiermacher Author of the Epistle to the Romans the multi volume Church Dogmatics and a wide range of other works theological exegetical historical political pastoral and homiletic Barth has had significant and perduring influence on the contemporary study of theology and on the life of contemporary churches In the last few decades his work has been at the centre of some of the most important interpretative critical and constructive developments in in the fields of Christian theology philosophy of religion and religious studies The Oxford Handbook of Karl Barth is the most expansive guide to Barth s work published to date Comprising over forty original chapters each of which is written by an expert in the field the Handbook provides rich analysis of Barth's life and context advances penetrating interpretations of the key elements of his thought and opens and charts new paths for critical and constructive reflection In the process it seeks to illuminate the complex and challenging world of Barth's theology to engage with it from multiple perspectives and to communicate something of the joyful nature of theology as Barth conceived it It will serve as an indispensable resource for undergraduates postgraduates academics and general readers for years to come Theological Ontology of Holy Scripture Alfred H. Yuen, 2014-05-16 I was and I am an ordinary theologian who does not have the Word of God at his disposal but at best a Doctrine of the Word of God writes Karl Barth in the preface of Die christliche Dogmatik im Emtwurf Properly appreciating the complex career of Barth's characterization of what Scripture is theologically can open up constructive lines of inquiry regarding his self description as a theologian and reader of the Bible By mining Barth s published and posthumous theological and exegetical writings and sermons both well known materials and understudied writings such as the significant Das Schriftprinzip der reformierten Kirche lecture Alfred H Yuen offers a unique reading of Barth s thoughts on the person and work of the biblical writers by mapping his theological career as a university student a pastor a writer a young professor and above all a child of God CD I 1 464 65 Barth for Armchair Theologians John R. Franke, 2006-01-01 This volume introduces readers to the life and thought of Karl Barth 1886 1968 one of the most important theologians since the Reformation era Featuring the Armchair series characteristic whimsical illustrations Barth for Armchair Theologians surveys Barth s theology as it emerges and culminates in his monumental

Church Dogmatics as well as how his theology continues to be interpreted in the present day Written by experts but designed for the novice the Armchair series provides accurate concise and witty overviews of some of the most profound moments and theologians in Christian history These books are essential supplements for first time encounters with primary texts lucid refreshers for scholars and clergy and enjoyable reads for the theologically curious The Preacher as Liturgical Artist Trygve David Johnson, 2014-01-24 Trygve Johnson invites us to consider a new metaphor of identity of The Preacher as Liturgical Artist This identity draws on a theology of communion and the doctrine of the vicarious humanity of Christ to relocate the preacher's identity in the creative and ongoing ministry of Jesus Christ Johnson argues the metaphorical association of the preacher and artist understood within the artistic ministry of Jesus Christ frees the full range of human capacities including the imagination to bear upon the arts of Christian proclamation The Preacher as Liturgical Artist connects preachers to the person and work of Jesus Christ whose own double ministry took the raw materials of the human condition and offered them back to the Father in a redemptive and imaginative fashion through the Holy Spirit It is in the large creative ministry of Jesus Christ that preachers find their creativity freed to proclaim the gospel bodily within the context of the liturgical work of God's people Christian Ethics as Witness David Haddorff, 2011-01-01 Christian ethics is less a system of principles rules or even virtues and more of a free and open ended responsible witness to God's gracious action to be with and for others and the world Postmodernity has left us with the risky uncertainty of knowing and doing the good It also leaves us with the global risks of political violence and terrorism economic globalization and financial crisis and environmental destruction and global climate change How should Christians respond to these problems This book creatively explores how Christian ethics is best understood as a witness to God's action thereby providing the ethical framework for addressing the various problematic social issues that put our world at risk Haddorff develops the notion of witness through a detailed study of Karl Barth s theological ethics Barth he argues provides a language enabling us to know what a Christian ethics of witness actually looks like in both theory and in practice In correspondence to God's gracious action Christians remain free to think and act in faith hope and love in respondence to their unique circumstances even in a world at risk In their witness Christians remain confident that God has not abandoned the world but loves and cares for its future God's Word in Human Words Kenton L. Sparks, 2008-03-01 The conclusions of critical biblical scholarship often pose a disconcerting challenge to traditional Christian faith Between the two poles of uncritical embrace and outright rejection of these conclusions is there a third way Can evangelical believers incorporate the insights of biblical criticism while at the same time maintaining a high view of Scripture and a vital faith In this provocative book Kenton Sparks argues that the insights from historical and biblical criticism can indeed be valuable to evangelicals and may even yield solutions to difficult issues in biblical studies while avoiding pat answers This constructive response to biblical criticism includes taking seriously both the divine and the human aspects of the Bible and acknowledging the diversity that exists in the biblical texts

**Postmodernism and the Ethics of Theological Knowledge** Justin Thacker, 2007-01-01 This book establishes the necessary integration of theological knowledge with theological ethics It does this as a response to the postmodern critique of Christianity as exemplified in Rorty and Lyotard They argue that any claim to know God is necessarily tyrannical Contemporary responses to such postmodern thinking often fail to address adequately the ethical critique that is made This book redresses that balance by suggesting that our knowedge of God and love of the Other are so intimately connected that we cannot have one without the other In the absence of love then we simply do not know God Justin Thacker proposes that an effective theological response to postmodernity must address both knowledge and ethics in an integrated fashion as The Oxford Handbook of Evangelical Theology Gerald R. McDermott, 2013-12 This volume presented in this book surveys the state of the discipline on topics of greatest importance to evangelical theology. The authors critically assess the state of the guestion from both classical and evangelical traditions and propose a future direction for evangelical thinking on the subject R sum de l diteur Communion with the Triune God Dick O. Eugenio, 2014-03-03 The revival of Trinitarian studies in the twentieth century ushered in a new era of theological innovation. The renewed and dedicated articulation of the Trinity as a doctrine in its own right is indeed noteworthy but more important and praiseworthy are the recent endeavors of theologians in integrating the doctrine of the Trinity with other Christian doctrines and with the many variegated aspects of the life and ministries of the church Today it is common to encounter the term Trinitarian being used as a modifier Trinitarian worship Trinitarian ecclesiology etc This book presents Thomas F Torrance as a participant theologian in this integrative paradigm Because Torrance argues that the Trinity is the ground and grammar of theology his doctrine of salvation is consistently Trinitarian But how did he formulate his unique Trinitarian soteriology This book attempts to spell this out The Goodness of Judgment Jeff McSwain, 2024-11-12 In this volume McSwain continues to deploy Karl Barth Julian of Norwich Athanasius James Cone and dozens of others to buttress his claim about human duplicity and the Easter asymmetry which allows us to properly interpret our lives by the gospel Specifically the focus is on Christ's cross which provides the radical discontinuity judgment needed to preserve the continuity of God's good creation. In resurrection light we see the inner connection of recreation to creation an atonement that disentangles good from evil righteousness from sin and life from death Even though the perfect clarity of this liberating separation is reserved for judgment day this same judgment of grace frees us to live now as eschatological activists in the Liberator's way of justice and peace In view of the cross the Spirit empowers us to live in the hidden truth of who Christ is and who we have always been in Christ as God s beloved in the Trinitarian communion McSwain's cosmic vision pictures all people sharing in Christ's sufferings and also in his glory Thus the reconciled human community genuinely participates as one in Christ's victory over sin death and the devil **Personhood, and the Humanity of Christ** Hakbong Kim, 2021-05-19 The guest for an understanding of humanness has been significant As the ways in which we recognize and define our human being have significant impact wide ranging

discussions and questions about the human have taken place with significant theoretical and practical implications In Person Personhood and the Humanity of Christ Hakbong Kim explores Thomas F Torrance's critiques of the dualist and individualistic views concerning human beings in the history of philosophy and theology This book sheds important light on Torrance's understanding of humans as persons in relation the trinitarian personhood as the ontological foundation for human personhood and the humanity of Christ as key to the personalization necessary for a new moral ethical and social life. This presents a Christocentric anthropology and ethics which focuses on Christ's ongoing reconciling and humanizing ministry for us *The Making of Stanley Hauerwas* David B. Hunsicker, 2019-09-10 Stanley Hauerwas is often associated with the postliberal theological movement yet he also claims to stand within Karl Barth's theological tradition Which is true. Theologian David Hunsicker offers a reevaluation of Hauerwas's theology arguing that he is both a postliberal and a Barthian theologian helping us understand both the formation and the ongoing significance of one of America's great theologians

Into the Far Country Scott A. Kirkland,2016-07-01 Into the Far Country is an investigation of Karl Barth's response to modernity as seen through the prism of the subject under judgment By suggesting that Barth offers a form of theological resistance to the Enlightenment's construal of human subjectivity as absolute this piece offers a way of talking about the formation of human persons as the process of being kenotically laid bare before the cross and resurrection of Christ It does so by reevaluating the relationship between Barth and modernity making the case that Barth understands Protestantism to have become the agent of its own demise by capitulating to modernity s insistence on the axiomatic priority of the isolated Cartesian ego Conversations are hosted with figures including Fyodor Dostoevsky Rowan Williams Gillian Rose and Donald MacKinnon in the service of elucidating an account of the human person liberated from captivity to what Barth names self judgment and freed for creative participation in the super abundant source of life that is the prayerful movement from the Son to the Father in the Spirit Therefore an account of Barth's theology is offered that is deeply concerned with the triune God's revelatory presence as that which drives the community into the crucible of difficulty that is the life of kenotic dispossession

Getting the books **Regarding Karl Barth Toward A Reading Of His Theology** now is not type of challenging means. You could not solitary going in imitation of book collection or library or borrowing from your links to entry them. This is an utterly easy means to specifically get guide by on-line.
