Regarding Film Criticism Comment:

Cineaste on Film Criticism, Programming, and Preservation in the New Millennium Cynthia Lucia, Rahul Hamid, 2017-11-01 Digital technology and the Internet have revolutionized film criticism programming and preservation in deeply paradoxical ways The Internet allows almost everyone to participate in critical discourse but many print publications and salaried positions for professional film critics have been eliminated Digital technologies have broadened access to filmmaking capabilities as well as making thousands of older films available on DVD and electronically At the same time however fewer older films can be viewed in their original celluloid format and newer digitally produced films that have no material prototype are threatened by ever changing servers that render them obsolete and inaccessible Cineaste one of the oldest and most influential publications focusing on film has investigated these trends through a series of symposia with the top film critics programmers and preservationists in the United States and beyond This volume compiles several of these symposia Film Criticism in America Today 2000 International Film Criticism Today 2005 Film Criticism in the Age of the Internet 2008 Film Criticism The Next Generation 2013 The Art of Repertory Film Exhibition and Digital Age Challenges 2010 and Film Preservation in the Digital Age 2011 It also includes interviews with the late celebrated New Yorker film critic Pauline Kael and the critic John Bloom Joe Bob Briggs as well as interviews with the programmers curators Peter von Bagh and Mark Cousins and with the film preservationist George Feltenstein This authoritative collection of primary source documents will be essential reading for scholars students and film enthusiasts *The Complete History of American Film Criticism* Jerry Roberts, 2010-02-01 The Complete History of American Film Criticism is a chronicle of the lives and work of the most influential film critics of the past 100 years From the first movie review in the New York Times in 1896 through the Silent Era the pre and postwar years the Film Generation of the 1960s the Golden Age of the 1970s and into the 21st century critics have educated generations of discriminating moviegoers on the differences between good films and bad They call attention to great directors cinematographers production designers screenwriters and actors and shed light on their artistic visions and storytelling sensibilities People interested in what the great film critics had to say have usually been shortchanged as to their backgrounds and just why they are qualified to sit in judgment Using mini biographies placed within a chronological framework The Complete History of American Film Criticism is the biography of a profession whose cultural impact has left an indelible mark on the 20th century's most significant art form *Inconspicuously Christian Film Criticism* Kenneth R. Morefield, 2021-11-16 This collection presents essays that lay out the author's Christian approach to film criticism and reviews that exemplify this critic at his most perceptive Including interviews with award winning actors and directors this volume draws heavily on the author's academic expertise and his decade of experience as an acclaimed film journalist Whether examining the latest Hollywood blockbuster a topical documentary or an indie festival favorite the book subtly but carefully draws attention to how films can speak to Christians and how Christian voices can enrich the conversations around

their meaning and relevance

Film Criticism, the Cold War, and the Blacklist Jeff Smith, 2014-03-26 Film Criticism the Cold War and the Blacklist examines the long term reception of several key American films released during the postwar period focusing on the two main critical lenses used in the interpretation of these films propaganda and allegory Produced in response to the hearings held by the House Committee on Un American Activities HUAC that resulted in the Hollywood blacklist these films ideological message and rhetorical effectiveness was often muddled by the inherent difficulties in dramatizing villains defined by their thoughts and belief systems rather than their actions Whereas anti Communist propaganda films offered explicit political exhortation allegory was the preferred vehicle for veiled or hidden political comment in many police procedurals historical films Westerns and science fiction films Jeff Smith examines the way that particular heuristics such as the mental availability of exemplars and the effects of framing have encouraged critics to match filmic elements to contemporaneous historical events persons and policies In charting the development of these particular readings Film Criticism the Cold War and the Blacklist features case studies of many canonical Cold War titles including The Red Menace On the Waterfront The Robe High Noon and Invasion of the Body Snatchers

Film Criticism and Digital Cultures Andrew McWhirter, 2016-08-26 The critic is dead Everyone s a critic These statements reflect some of the perceptions of film criticism in a time when an opinion can be published in seconds yet reach an audience of millions This book examines the reality of contemporary film criticism by talking to leading practitioners in the UK and North America such as Nick James Mark Cousins Jonathan Rosenbaum and Richard Porton and by covering a broad spectrum of influential publications including Sight Sound The Guardian Cineaste indieWIRE and Variety Forming a major new contribution to an emerging field of study these enquiries survey the impact of larger cultural economic and technological processes facing society media and journalism Historical perspectives on criticism from ancient times and current debates in journalism and digital media are used to unravel questions such as what is the relationship between crisis and criticism In what way does the web change the functions and habits of practitioners What influences do film industries have on the critical act And how engaged are practitioners with converged and creative film criticism such as the video essay In the face of transformative digital idealism empirical findings here redress the balance and argue the case for evolution rather than revolution taking place within film criticism

Understanding Film James R Russo, 2021-01-12 This film analysis textbook contains sixteen essays on historically significant artistically superior films released between 1922 and 1982 Written for college high school and university students the essays cover central issues raised in todays cinema courses and provide students with practical models to help them improve their own writing and analytical skills This film casebook is geographically diverse with eight countries represented Italy France the United States Russia Germany Great Britain Japan and India The essays sophisticated yet not overly technical or jargon heavy are perfect introductions to their respective films as well as important contributions to the field of film studies in general The books critical apparatus features credits images and bibliographies for all films

J. Cardullo, 2016-10-26 Teaching Sound

Film A Reader is a film analysis and criticism textbook that contains 35 essays on 35 geographically diverse historically significant sound films. The countries represented here are France, Italy, England, Belgium, Russia, India, China, Cuba, Germany, Japan, Romania, Czechoslovakia, Brazil, Taiwan, Austria, Afghanistan, South Korea, Finland, Burkina Faso, Mexico, Iran, Israel, Colombia, and the United States. The directors represented include Jean Renoir, Orson Welles, Akira Kurosawa, Federico Fellini, Woody Allen, Aki Kaurismäki, Ken Loach, Tomás Gutiérrez Aléa, Abbas Kiarostami, Michael Haneke, and Hong Sang-soo. Written with university students and possibly also advanced high school students in mind, the essays in *Teaching Sound Film A Reader* cover some of the central films treated and central issues raised in today's cinema courses and provide students with practical models to help them improve their own writing and analytical skills. These essays are clear and readable, that is, sophisticated and meaty yet not overly technical or jargon heavy. This makes them perfect introductions to their respective films as well as important contributions to the field of film studies in general. Moreover, this book's scholarly apparatus features credits, images, bibliographies for all films discussed, filmographies for all the directors, a list of topics for writing and discussion, a glossary of film terms, and an appendix containing three essays respectively on film acting, avant-garde cinema, and theater vs. film.

Film Criticism in Cape Town 1928-1930 Michael Eckardt, 2004-04-01. This book examines the development of film criticism in Cape Town's daily press from 1928 to 1930 using film reviews from the Cape Times and Die Burger. The character of film criticism in the period under discussion is explained by describing the general function of film criticism as well as comparing the local with the international film press. The basis for the comparative analysis is a list of films screened in three selected cinemas in Cape Town.

Encyclopedia of the Documentary Film 3-Volume Set Ian Aitken, 2013-10-18. The Encyclopedia of the Documentary Film is a fully international reference work on the history of the documentary film from the Lumière brothers' *Workers Leaving the Lumière Factory* (1885) to Michael Moore's *Fahrenheit 9/11* (2004). This Encyclopedia provides a resource that critically analyzes that history in all its aspects. Not only does this Encyclopedia examine individual films and the careers of individual film makers, it also provides overview articles of national and regional documentary film history. It explains concepts and themes in the study of documentary film, the techniques used in making films, and the institutions that support their production, appreciation, and preservation.

For Kids of All Ages Peter Keough, 2019-11-27. In *For Kids of All Ages*, members of the National Society of Film Critics celebrate the wonder of childhood in cinema. In this volume, original essays commissioned especially for this collection stand alongside classic reviews from prominent film critics like Jay Carr and Roger Ebert. Each of the ten sections in this collection takes on a particular aspect of children's cinema, from animated features to adaptations of beloved novels. The films discussed here range from the early 1890s to the present. The contributors draw on personal connections that make their insights more trenchant and compelling. The essays and reviews in *For Kids of All Ages* are not just a list of recommendations, though plenty are included, but an illuminating, often personal study of children's movies, children in movies, and the childish wonder that is the essence

Regarding Film Criticism Comment: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have captivated audiences this year. Regarding Film Criticism Comment : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Regarding Film Criticism Comment : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papan, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
