Revue Lusotopie International Political Research On Spaces Stemming From Portuguese Colonization And History:

The International Journal of African Historical Studies ,2008 **Portuguese Studies Review** ,2005 **Médias, pouvoir et identités** , A l'aire de la mondialisation le fait linguistique est marchandisé de manière croissante. Ainsi le marché des feuilletons brésiliens telenovelas s'est brusquement largi et tend devenir un phénomène lusophone majeur. Si personne ne nie l'influence croissante que le genre brésilien acquiert dans l'aire dessinée par la pratique du portugais la quatrième langue européenne la plus parlée dans le monde le phénomène ne produit-il une uniformisation tendancielle des pays de langue portugaise. L'analyse des médias dévoile certes des phénomènes de rapprochement provoqués par la communauté de langue mais renforce aussi l'impression que chaque pays reste surtout influencé par son aire d'insertion propre. La lusophonie demeure une aire spécifique d'intersection avec d'autres identités et n'est pas en tant que telle une aire culturelle. Partout les médias sont un enjeu de pouvoir et c'est par le biais de ces enjeux que s'expriment les identités ethniques ou politiques les trajectoires professionnelles des journalistes les techniques de reportage les traditions cinématographiques émergentes etc. Bien entendu la vitalité des médias sera plus forte là où le mouvement social a imposé une réelle pluralité politique c'est en négatif pourquoi l'Angola n'est pas directement présent dans ce dossier même si certaines initiatives le plus souvent restreintes la capitale sont prometteuses. En revanche les vitalités portugaise brésilienne capverdiennne et même mozambicaine apparaissent pleinement qu'il s'agisse de la télévision de générations journalistiques du développement d'internet notamment au Cap Vert l'archipel de tous les rivaux. Introduit par un beau texte de l'écrivain mozambicain Luis Carlos Patraquim ce dossier ne prétend pas l'exhaustivité. Mais en une dizaine d'articles d'auteurs de nationalités brésilienne britannique française mozambicaine et portugaise il offre une complémentarité d'approche du puzzle lusophone *Médias, pouvoirs et identités* ,2005-09-01

Gouverner les sociétés africaines. Acteurs et institutions ,2005-10-01 Les études rassemblées dans ce livre proposent un repérage et une description des lieux d'institutionnalisation. Certains de ces lieux sont anciens leurs fonctions ont dérivé dans le temps ils sont souvent suspects d'inadaptation et ne bénéficient pas de l'engouement de la nouveauté. D'autres lieux apparaissent au premier plan des insignes de l'innovation recommandés et encouragés par les instances internationales ce sont parmi d'autres les ONG actives dans le domaine de la santé ou des droits de la personne ou encore les commissions lectorales nationales Russes ou chez ces expériences ont été analysées pour ce qu'elles sont *Revue tiers-monde* ,2008 **Revue**
