The French empire at War, 1940-1945 Martin Thomas, 2017-03-01 The French empire at war draws on original research in France and Britain to investigate the history of the divided French empire the Vichy and the Free French empires during the Second World War What emerges is a fascinating story While it is clear that both the Vichy and Free French colonial authorities were only rarely masters of their own destiny during the war preservation of limited imperial control served them both in different ways The Vichy government exploited the empire in an effort to withstand German Italian pressure for concessions in metropolitan France and it was key to its claim to be more than the mouthpiece of a defeated nation For Free France too the empire acquired a political and symbolic importance which far outweighed its material significance to the Gaullist war effort As the war progressed the Vichy empire lost ground to that of the Free French something which has often been attributed to the attraction of the Gaullist mystique and the spirit of resistance in the colonies In this radical new interpretation Thomas argues that it was neither of these The course of the war itself and the initiatives of the major combatant powers played the greatest part in the rise of the Gaullist empire and the demise of Vichy colonial control Le Vain Siecle Guerp Phyllis Johnson, Brigitte Cazelles, 1979 Through an analysis of French hagiography and the vernacular translations of nineteen saints lives Johnson and Cazelles explore the impact of saints on ordinary men and the relationship between holiness and heroism in the twelfth century Divided into two parts the first is devoted to aspects of the hero saint and savior saint and the second organized alphabetically by saint s name engages the French hagiographic traditions **The French Empire at War, 1940-45** Martin Thomas, 1998 Draws on original research to look at the history of the divided French Empire the Vichy and Free French Empires during World War II The text argues that although the Vichy and Free French colonial authorities were only rarely masters of their own destiny during the war preservation of some imperial control helped them both in different ways The Vichy government used the empire to withstand German Italian pressure for concessions in metropolitan France and it was key to their claim to be more than the mouthpiece of a defeated nation **Revue d'histoire de la deuxième guerre mondiale** ,1964 Études européennes ,1973 日本国 (Japan), 1974 *Revue de philologie, de littérature et d'histoire anciennes* Léon Renier, Édouard Tournier, Louis Havet, Charles Henri Graux, Charles Thurot, Othon Riemann, Emile Chatelain, Louis Léon Duvau, Bernard Haussoullier, Pierre Jouguet, Alfred Ernout, 1911 **Revue britannique** ,1826 *Revue d'histoire de la deuxième guerre mondiale et des conflits contemporains* ,2007 **Catalog** University of Texas.
