Rewriting The Jewassimilation Narrative In The Russian Empire:

Rewriting the Jew Gabriella Safran, 2002-01-01 In the Russian Empire of the 1870s and 1880s while intellectuals and politicians furiously debated the Jewish Question more and more acculturating Jews who dressed spoke and behaved like non Jews appeared in real life and in literature This book examines stories about Jewish assimilation by four authors Grigory Bogrov a Russian Jew Eliza Orzeszkowa a Polish Catholic and Nikolai Leskov and Anton Chekhov both Eastern Orthodox Russians Safran introduces the English language reader to works that were much discussed in their own time and she situates Jewish and non Jewish writers together in the context they shared For nineteenth century writers and readers successful fictional characters were types literary creations that both mirrored and influenced the trajectories of real lives Stories about Jewish assimilators and converts often juxtaposed two contrasting types the sincere reformer or true convert who has experienced a complete transformation and the secret recidivist or false convert whose real loyalties will never change As Safran shows writers borrowed these types from many sources including the novel of education produced by the Jewish enlightenment movement the Haskalah the political rhetoric of Positivist Polish nationalism the Bible Shakespeare and Slavic folk beliefs *Rewriting the Jew* casts new light on the concept of type itself and on the question of whether literature can transfigure readers The classic story of Jewish assimilation describes readers who redesign themselves after the model of fictional characters in secular texts The writers studied here though examine attempts at Jewish self transformation while wondering about the reformability of personality In looking at their works Safran relates the modern Eastern European Jewish experience to a fundamental question of aesthetics Can art change us *Rewriting Russia* Barbara J. Henry, 2011-12-01 Jacob Gordin was the first major playwright of the Golden Age of New York's Yiddish theater which was not just entertainment but also a public forum a force for education and acculturation and a battleground for ideologies and artistic credos Gordin like his audience was a Russian migr His most successful and scandalous dramas *The Jewish King Lear* *The Kreutzer Sonata* and *Khasye the Orphan* were based on works by Lev Tolstoy and Ivan Turgenev and reflected a profoundly Jewish means of using literature to salvage a lost land Gordin's life and his plays held out the tantalizing possibility that by changing the story of one's past one could write one's own future Through a detailed examination of Gordin's career in Russia Barbara Henry dismantles the fictive radical background he invented for himself In doing so she illuminates the continuities among his Russian fiction and journalism his work as a controversial Jewish religious reformer and his Yiddish plays *Voices of Jewish-Russian Literature* Maxim D. Shraye, 2019-07-31 Edited by Maxim D Shraye a leading specialist in Russia's Jewish culture this definitive anthology of major nineteenth and twentieth century fiction nonfiction and poetry by eighty Jewish Russian writers explores both timeless themes and specific tribulations of a people's history A living record of the rich and vibrant legacy of Russia's Jews this reader friendly and comprehensive anthology features original English translations In its selection and presentation the anthology tilts in favor of human interest and

Memoirs of a Grandmother Pauline Wengeroff, 2014-09-17 Pauline Wengeroff's Memoirs of a Grandmother offers a unique first person window into traditionalism modernity and the tensions linking the two in nineteenth century Russia Wengeroff 1833 1916 a perceptive highly literate social observer tells a gripping tale of cultural transformation situating her narrative in the experience of women and families In Volume Two Wengeroff claims that Jewish women were capable and desirous of adopting the best of European modernity but were also wedded to tradition while Jewish men recklessly abandoned tradition and forced their wives to do the same The result was not only marital and intergenerational conflict but also catastrophic cultural loss with women's inability to transmit tradition in the home leading to larger cultural drift Two of Wengeroff's children converted when faced with anti Jewish educational and professional discrimination unwilling to sacrifice secular ambitions and visions for the sake of a traditional culture they did not know Memoirs is a tale of loss but also of significant hope which Wengeroff situates not in her children but in a new generation of Jewish youth reclaiming Jewish memory To them she addresses her Memoirs giving an orphaned youth orphaned of their past and culture a grandmother

Jews in Ukrainian Literature Myroslav Shkandrij, 2009-08-25 This pioneering study is the first to show how Jews have been seen through modern Ukrainian literature Myroslav Shkandrij uses evidence found within that literature to challenge the established view that the Ukrainian and Jewish communities were antagonistic toward one another and interacted only when compelled to do so by economic necessity Jews in Ukrainian Literature synthesizes recent research in the West and in the Ukraine where access to Soviet era literature has become possible only in the recent post independence period Many of the works discussed are either little known or unknown in the West By demonstrating how Ukrainians have imagined their historical encounters with Jews in different ways over the

decades this account also shows how the Jewish presence has contributed to the acceptance of cultural diversity within contemporary Ukraine

Culture Front Benjamin Nathans, Gabriella Safran, 2014-06-09 For most of the last four centuries the broad expanse of territory between the Baltic and the Black Seas known since the Enlightenment as Eastern Europe has been home to the world's largest Jewish population The Jews of Poland Russia Lithuania Galicia Romania and Ukraine were prodigious generators of modern Jewish culture Their volatile blend of religious traditionalism and precocious quests for collective self emancipation lies at the heart of Culture Front This volume brings together contributions by both historians and literary scholars to take readers on a journey across the cultural history of East European Jewry from the mid seventeenth century to the present The articles collected here explore how Jews and their Slavic neighbors produced and consumed imaginative representations of Jewish life in chronicles plays novels poetry memoirs museums and more The book puts culture at the forefront of analysis treating verbal artistry itself as a kind of frontier through which Jews and Slavs imagined experienced and negotiated with themselves and each other The four sections investigate the distinctive themes of that frontier violence and civility popular culture politics and aesthetics and memory The result is a fresh exploration of ideas and movements that helped change the landscape of modern Jewish history

Maps of Women's Goings and Stayings Rela Mazali, 2001 This book tells the life and travel stories of fascinating women whether in fact or as possibility and examines women's physical mobility in a culture of gendered postcolonial space that restricts their movement Straddling the divide between fiction and scholarship it combines fictional narrative contemplation theoretical thinking scholarly discussions and interviews

The Politics of Canonicity Michael Gluzman, 2002-12-30 This book explores the complex relations among the hegemonic triad of territory nation and national literature that have characterized the modern European nation state In the case of Hebrew literature this triad was unattainable and its components fiercely contested hence the literary field itself was responsible for shaping the nation preceding the nation state itself

The Jews of Eastern Europe, 1772-1881 Israel Bartal, 2011-06-07 In the nineteenth century the largest Jewish community the modern world had known lived in hundreds of towns and shtetls in the territory between the Prussian border of Poland and the Ukrainian coast of the Black Sea The period had started with the partition of Poland and the absorption of its territories into the Russian and Austro-Hungarian empires it would end with the first large scale outbreaks of anti-Semitic violence and the imposition in Russia of strong anti-Semitic legislation In the years between a traditional society accustomed to an autonomous way of life would be transformed into one much more open to its surrounding cultures yet much more confident of its own nationalist identity In *The Jews of Eastern Europe* Israel Bartal traces this transformation and finds in it the roots of Jewish modernity
