Chan Alan KamYau

Rhetoric And The New Testament Guides To Biblical Scholarship New Testament Series:

Rhetoric and the New Testament Burton L. Mack,1990 *Interpreting the New Testament* Daniel J. Harrington,2017-06-15 This introduction to New Testament exegesis helps readers by explaining in a simple and brief way the basic literary methods used in studying the New Testament today textual criticism translations words and motifs source criticism form criticism historical criticism redaction criticism and parallels It is a beginner s book designed to make explicit some of the procedures now used by the commentators who have had formal exegetical training *Paul and the Discourse of Power* Sandra Hack-Polaski,1999-08-01 Drawing on postmodern theory s insights regarding discourse ideology and power this book explores the ways in which Paul navigated fluctuating and complex relationships of power with his churches contributing to a discourse that defined the power dynamics of early Christianity With respect to his own converts as well as to other leaders of the early church and in the heart of his theological language Paul is seen to take part in a discourse that reinforces his apostolic authority Melchizedek Passages in the Bible Chan Alan KamYau,2016-04-06 Melchizedek is a mysterious figure to many people Adopting discourse analysis and text linguistic approaches Chan attempts to tackle the Melchizedek texts in Genesis 14 Psalm 110 and Hebrews 5 7 This seminal study illustrates how the mysterious figure is understood and interpreted by later biblical writers Using the blessing motif as a framework Chan also argues that Numbers 22 24 2 Samuel 7 and the Psalter Books I V especially Psalms 1 2 provide a reading paradigm of interpreting Psalm 110 In addition the structure of Hebrews provides a clue to how the author interprets the Old Testament texts **Introducing Romans** Richard N. Longenecker,2011-03-25 Introducing Romans a kind of introduction ahead of time to Richard Longenecker s forthcoming commentary on Romans is a major achievement in its own right the fruit of at least fifty years of scholarship on the apostle Paul and on Romans in particular It can stand alone as an indispensable handbook for anyone venturing to write a commentary of one s own or for anyone who wants to teach or understand that classic letter Above all Longenecker succeeds admirably in putting the many issues surrounding Romans in the broadest possible historical context encompassing not just recent fashions but the legacy of centuries Seasoned scholars and beginning students alike have every reason to be grateful J Ramsey Michaels Missouri State University **Academic Constraints in Rhetorical Criticism of the New Testament** J. David Hester Amador,J. David Hester,1999-01-01 Rhetorical criticism promised to bring New Testament studies into a new era that approached the Bible as a document of persuasive discourse Major proponents of this approach suggested that its potential lies in its democratization of biblical interpretation To date that promise has never been fulfilled The reasons can be found by exploring the rhetoric of these rhetorical critics Such an exploration uncovers systems of disciplinary constraints and discursive habits that keep rhetoric firmly within traditional units of academic biblical interpretation The promise of rhetoric can only be fulfilled by shattering all notions of a rhetorical programme of biblical interpretation Engaging the New Testament (paper edition) Russell Pregeant,1997-06-01 In addition to lucid

introductions to each of the New Testament writings this book offers a comprehensive survey of approaches to biblical studies historical and cultural backgrounds the historical Jesus the rise of the resurrection faith and attention to extracanonical materials 63 illustrations 3 charts 6 maps [Ancient Apologetic Exegesis](#) Stuart E Parsons,2015-07-30 Taking a radical new approach to second century theology Ancient Apologetic Exegesis examines the work of Saint Theophilus of Antioch with a full understanding of the man and his times The second century is often dismissed by theologians despite a near living memory of Jesus and his apostles from only a generation or two prior but Stuart E Parsons shows that a distinctive biblical exegesis was used by those second century apologists who challenged Greco Roman pagan religionists Current literature misunderstands second century exegetical approaches but by looking behind anachronistic views of ancient genre literacy and rhetoric we can rediscover a forgotten form of early Christian exegesis **Documents and Images for the Study of Paul** Neil Elliott,Mark Reasoner,2010-11-01 Documents and Images for the Study of Paul gathers representative texts illustrating Jewish practices Greco Roman moral exhortation biblical interpretation Roman ideology apocalyptic visions epistolary conventions and much more to illustrate the complex cultural environment in which Paul carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity Brief insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul s life and thought Lavishly illustrated with more than one hundred black and white photographs charts a map and timeline of Paul s world this sourcebook is a welcome resource for courses on Paul and his letters **Friendship and Benefaction in James** Alicia J. Batten,2017-06-23 Now available from SBL Press Employing social description social scientific models and rhetorical analysis Alicia J Batten argues that the letter of James is conversant with the topic of friendship within Greek and Roman literature as well as within various texts of early Christianity She illustrates how James drew upon some of the language and concepts related to friendship with an intriguing density to advocate resistance to wealth avoidance of rich patrons and reliance upon God Features Use of friendship benefaction and patronage as lenses through which James and related texts can be viewed A strong case for how the letter appeals to the language and ideas of friendship with regard to God s relationships with humans Exploration of the relationship between the book of James and the teachings of Jesus

Recognizing the mannerism ways to acquire this book **Rhetoric And The New Testament Guides To Biblical Scholarship New Testament Series** is additionally useful.
