Rhetoric And Irony Western Literacy And Western Lies:

Rhetoric and Irony C. Jan Swearingen, 1991 This pathbreaking study integrates the histories of rhetoric literacy and literary aesthetics up to the time of Augustine focusing on Western concepts of rhetoric as dissembling and of language as deceptive that Swearingen argues have received curiously prominent emphasis in Western aesthetics and language theory Swearingen reverses the traditional focus on rhetoric as an oral agonistic genre and examines it instead as a paradigm for literate discourse She proposes that rhetoric and literacy have in the West disseminated the interrelated notions that through learning rhetoric individuals can learn to manipulate language and others that language is an unreliable manipulable and contingent vehicle of thought meaning and communication and that literature is a body of pretty lies and beguiling fictions In a bold concluding chapter Swearingen aligns her thesis concerning early Western literacy and rhetoric with contemporary critical and rhetorical theory with feminist studies in language psychology and culture and with studies of literacy in multi and cross cultural settings

"Guiguzi," China's First Treatise on Rhetoric Guiguzi, 2016-08-19 This pre Qin dynasty recluse produced what is considered the earliest Chinese treatise devoted entirely to the art of persuasion Called Guiguzi after its author the text provides an indigenous rhetorical theory and key persuasive strategies some of which are still used by those involved in decision making and negotiations in China today In Guiguzi China's First Treatise on Rhetoric Hui Wu and C Jan Swearingen present a new critical translation of this foundational work which has great historical significance for the study of Chinese rhetoric and communication and yet is little known to Western readers

Rhetorics in the New Millennium James D. Hester, 2010-06-10 Some of the most renowned modern practitioners of New Testament rhetorical criticism including Elisabeth Schussler Fiorenza Wilhelm Wuellner and the editors themselves provide new rhetorical readings of New Testament texts Organized into three distinct sections *Rhetorics in the New Millennium* provides a cutting edge approach to this thorny issue in biblical studies The first section is a collection of three essays that are primarily theoretical in nature and concerned with examining general theories

of rhetoric The second section is a series of specific studies each using a different accepted theoretical model to analyze a given text The final section presents valuable appendices which summarize information about the content of certain theoretical models of criticism Finally a bibliography listing a wide variety of rhetorical critical studies and reference works is included

The Present State of Scholarship in the History of Rhetoric Lynée Lewis Gaillet, Winifred Bryan Horner, 2010-03-15 Through two previous editions *The Present State of Scholarship in Historical and Contemporary Rhetoric* has not only introduced new scholars to interdisciplinary research but also become a standard research tool in a number of fields and pointed the way toward future study Adopting research methodologies of revision and recovery this latest edition includes all new material while still following the format of the original and is constructed around bibliographical surveys of both primary and secondary works addressing the Classical Medieval Renaissance and eighteenth through twentieth century periods within the history of rhetoric *The Present State of Scholarship in the History of Rhetoric* doesn't simply update but rather recasts study in the history of rhetoric The authors experienced and well known scholars in their respective fields redefine existing strands of rhetorical study within the periods expand the scope of rhetorical engagement and include additional figures and their works The globalization and expansion of rhetoric are demonstrated in each of these parts and seen clearly in the inclusion of more female rhetors discussions of historical and contemporary electronic resources and examinations of rhetorical practices falling outside the academy and the traditional canon New to this edition is a cumulative review of twentieth century rhetoric along with a thematic index designed to facilitate interdisciplinary or specialized study and scholarly research across the traditional historical periods As programs incorporating rhetorical studies continue to expand at the university level students and researchers are in need of up to date bibliographical resources No other work matches the scope and approach of *The Present State of Scholarship in the History of Rhetoric* which carries scholarship on rhetoric into the twenty first century

Irony's Edge Linda Hutcheon, 2003-09-02 The edge of irony says Linda Hutcheon is always a social and political edge Irony depends upon interpretation it happens in the tricky unpredictable space between expression and understanding *Irony's Edge* is a fascinating compulsively readable study of the myriad forms and the effects of irony It sets out for the first time a sustained clear analysis of the theory and the political contexts of irony using a wide range of references from contemporary culture Examples extend from Madonna to Wagner from a clever quip in conversation to a contentious exhibition in a museum *Irony's Edge* outlines and then challenges all the major existing theories of irony providing the most comprehensive and critically challengin theory of irony to date
