Rhiannon Susi

Roos,2001-05-01 This book is the account of one man's struggle and desperate search for the truth along with what is the meaning and purpose to life. The search culminated in not only finding this elusive and absolute truth but realizing that in doing so he had ultimately been assigned by God a clear and specific task one that had the awesome potential to drastically affect the very lives of every single person alive today. This book is a real eye opener for anyone who has ever really pondered and wondered about the deep philosophical and mysterious questions about our existence purpose and what lies ahead for humanity. It is a book that in my opinion will undoubtedly cause not only a definite shift in our way of thinking but also how we view ourselves and our very own place within this majestically glorious and wonderful universe.

The Way,

The Devil Is a

Gentleman J.C. Hallman,2007-12-18 A hundred years ago the writer and philosopher William James wrote *The Varieties of Religious Experience* a seminal work that has inspired generations of scholars and eccentrics alike. James's book argues that the religious spirit in man is best understood through the study of its most extreme forms. *Varieties* was a watershed effort a bestselling portrait of history's pluralism and a defense of the spiritual quest in all its guises against the era's increasingly secular sentiments. Today with all the old tensions between skeptics and believers still in place J.C. Hallman pays homage to James's exploration of offbeat religious movements. But where James relied on the testimony and biographies of prophets and mystics Hallman travels directly to some of America's newest and most unusual religions trekking from Druid circles in the mossy hills of northern California to the gleaming mother church of Scientology from lurid satanic cellars in undisclosed locations to a professional wrestling ministry in the fundamentalist heart of Texas. Along the way he participates in a variety of rites and reports on a broad spectrum of beliefs. Eventually Hallman adopts James as his patron saint spiritual adviser and

intellectual companion on the journey that will culminate in the creation of this book a compelling combination of adventure and biography spotted with hair raising predicaments and rife with poignant portraits of unforgettable characters including William James himself *The Devil Is a Gentleman* maps the spiritual contours of modern American pluralism and examines the life and legacy of one of its most profound architects From the Hardcover edition *Cry of Sorrow* Holly Taylor,2008-07-01 The Coranians have won the war and Kymru is defeated For Havgan however the victory is not complete Cadair Idris the hall of the High Kings remains closed to him To gain entrance he must locate the Four Treasures the Stone the Spear the Cauldron and the Sword and bring them to the Guardian of the Doors Only then can he proclaim himself High King of Kymru But the Treasures were hidden long ago In order to save Kymru Gwydion the Dreamer must locate a long forgotten song and the clues it contains before Havgan does Following the dictates of the song he persuades Rhiannon her daughter Gwenhwyvar and his nephew Arthur to set out with him on the dangerous quest Dogged by Havgan s soldiers they must hurry to find the artifacts Soon distrust and fear complicate their already difficult journey and one of them must risk life and limb on the next move in their deadly game **The Quickening** Rhiannon Ward,2020-08-20 If you like gothic mystery buckle up This atmospheric read has it all Woman magazine An historical novel dripping with menace Shari Lapena author of *The End of Her England* 1925 Louisa Drew lost her husband in the First World War and her six year old twin sons in the Spanish Flu epidemic of 1918 Newly re married and seven months pregnant Louisa is asked by her employer to travel to Clewer Hall in Sussex where she is to photograph the contents of the house for auction She learns Clewer Hall was host to an infamous s a n c e in 1896 and that the lady of the house has asked those who gathered back then to come together once more to recreate the evening When a mysterious child appears on the grounds Louisa finds herself compelled to investigate and becomes embroiled in the strange happenings of the house Gradually she unravels the long held secrets of the inhabitants and what really happened thirty years before and discovers her own fate is entwined with that of Clewer Hall s For fans of *The Silent Companions* *The Little Stranger* and *The Familiars* an exquisitely crafted and compelling mystery that invites the reader in to the crumbling Clewer Hall to help unlock its secrets Utterly brilliant full of secrets and deliciously creepy Lisa Hall author of *The Perfect Couple* A spooky treat which had me turning the pages faster and faster Cass Green author of *In a Cottage in a Wood* **The Shamanic Way of the Womb - A Healing Journey Through the Eight Womb Gates** Angie Twydall,2025-06-21 *The Shamanic Way of the Womb* is a sacred guide to feminine healing remembrance and embodiment Through the eight Womb Gates Angie Twydall invites women to journey into their inner landscape to meet the Maiden Mother Crone and the elemental powers that shape creation Drawing on Celtic Avalonian and Earth based traditions this book weaves together myth ceremony and shamanic practice as pathways of rebirth Each gate offers teachings reflections and healing transmissions to awaken the Womb s wisdom and restore connection with the cycles of life death and renewal Angie shares her lived experience of womb awakening and guides readers to reclaim the sacred vessel of the feminine as a
