Rhodesia Zimbabwe, 1971-77, 1978 **British Foreign Secretaries Since 1974** Kevin Theakston, 2004 This book analyses the changing role of the British Foreign Secretary and presents biographical case studies of all the individual holders of that post the policies they pursued and the issues they faced since 1974 The work of the British Foreign Secretaries from James Callaghan to Robin Cook is examined in the context of the foreign policy making machinery the changing environment of British foreign policy and the internal and external political forces with which they had to contend Using a biographical case study approach the chapters examine the careers personalities policies and influence of successive Foreign Secretaries to increase our knowledge and understanding of the work of the government and the development of British foreign policy over the last thirty years *British Foreign Secretaries Since 1974* casts light on the hitherto shadowy and understudied role of personality in international relations and on how ten very different personalities helped to shape the detail and the articulation of British foreign policy *Africa* Air University (U.S.). Library, 1979 *Challenge To Imperialism* Carol B. Thompson, 2019-08-27 *Challenge to Imperialism* is the first comprehensive analysis of the Zimbabwean struggle for independence in its international context Based on extensive research in the southern African region and on interviews with the ZANU and ZAPU leaders in exile during the war this study is an analysis of the crucial support given to the Zimbabwean nationalists by the five Frontline States Angola Botswana Mozambique Tanzania and Zambia The book begins with a summary of the variable relations among the Frontline States and between those states and the Zimbabwean nationalists More than once Frontline governments put Zimbabwean nationalists in their own jails as tensions arose over leadership conduct of the war and terms for peace Yet the Frontline States maintained their support in spite of the extremely high cost to their own economic development How could these weak and economically dependent states confront the dominant interests in the region Was Lancaster House simply a capitulation to imperialist interests a constitution forced on the nationalists by the beleaguered Frontline States This theoretical analysis addresses the complexity of these questions and suggests lessons for the current struggles in Namibia and in South Africa Further Dr Thompson discusses the formation of the Southern African Development Coordination Conference SADCC as an attempt to transform the Zimbabwean political victory into regional economic cooperation This study of the political and economic background of Zimbabwean independence is important not only to those concerned about Zimbabwe and southern Africa but also to those interested in the nature of liberation struggles and in the role of the state in developing countries **Black Africa** Robert C.
