Rich Church Poor Church:

Rich Church, Poor Church J. Clif Christopher, 2012 What is the bottom line at your church **Rich Church Poor Church** John Louis Muratori, 2007-05-15 Rich Church Poor Church is the financial blueprint for the modern day believer Full of biblical revelation and stewardship principles for wealth generation **Rich Church, Poor Church** Malachi Martin, 1984 Rich Church--Poor Church? Some Biblical Perspectives Enzo Gatti, 1974 Rich Church--poor Church? Enzo Gatti, 1974 **God's Bankers** Gerald Posner, 2015-02-03 Revealing a history of mysterious deaths shady characters and moral and political tensions exposes the inner workings of the Catholic Church to trace how the Vatican evolved from an institution of faith into an extremely wealthy corporate power Publisher's description *On Second Thoughts* Myron J Pereira, 2022-01-21 Jesuit Father Myron J Pereira explores subjects mainly related to the Indian Church in this eBook It consists of 30 articles about the mission of the Church in India its political and social scenario lives of the religious and the role of women in the Church Jesuit Father Myron J Pereira has spent more than five decades as an academic journalist editor and writer of fiction He contributes regularly to UCA News on religious and socio cultural topics This volume consists of selected articles exploring subjects mainly related to the Indian Church The author examines a concept called life after life our life after death In another two part series he reflects on the influence of early Jesuits in the development of Christian art in India In the article Does a black Jesus matter Pereira asks whether our imaginations are so colonized that we think that whatever is white is pure and beautiful and whatever is black becomes ugly and demonic The author also sheds light on other topics such as the mission of the Church in India its political and social scenario persecution lives of the religious and the role of women in the growth of the Church The Churches and the Development Debate Ignatius Swart, 2006-05-01 This book newly addresses the question about the Christian churches participation in development The innovative element of this reflection is the way in which the author finds meaning and significance particularly in the concept of a fourth generation approach to strategic development engagement The book's essential argument is that a fourth generation strategy an approach that makes the contemporary social or people's movements the primary subjects of its development action and theory holds the greatest prospect for authentic participation by the Christian churches in development Freedom and Discipleship Daniel S. Schipani, 2021-12-29 An appraisal of liberation theology from the Anabaptist Mennonite perspective Freedom and Discipleship brings together essays by prominent theologians of that tradition and responses by Protestant liberation theologians Emerging from differing ethnic socio cultural and denominational backgrounds the contributors seek to promote an inter Christian dialogue This dialogue in turn locates foundations for both building and equipping the ecclesial community for mission especially the witness of peace and justice It spurs modern descendants of both traditions to reflect on their own radical roots while simultaneously raising critical questions on such topics as violence and nonviolence Freedom and Discipleship offers a unique assessment of liberation theology from the perspective of the Radical Reformation that stream of

Protestantism which has understood the discipleship of Jesus to imply commitments to peace and to justice The contributors address the myriad dimensions of liberation theology including hermeneutical ecclesiological christological ethical and eschatological concerns In Part I Perspectives on Liberation Theology essays evaluate liberation theology at various points and in different ways Part II Dialogical Interface and Implications reflects the ongoing conversation in a dialectical and dynamic fashion In bringing together liberation theology and the Anabaptist perspective Freedom and Discipleship makes a significant contribution to the engagement of two Christian traditions *The Tithe: God's Loving Provision to Us* Jack Adams, 2022-07-18 Perhaps you simply don't believe in tithing then this book is for you It will definitely show you the heart of God If you have been turned off by the prosperity doctrine and want nothing to do with tithing as a result I urge you to pick this book up and read it as it really brings balance to the tithing message I love it when God's anointing brings clarity on a particular subject That is exactly what God has done with this book The author's originally intent was to write this book for pastors and teachers so that faith would arise in their hearts to teach about the tithe However everyone should read this book because faith comes by hearing the message and the message is loud and clear on why we should tithe If you really want God to be pleased with you read this book and apply the principles It will change your life
