Richard Strauss Man Musician Enigma

JS Bruner

Richard Strauss Man Musician Enigma:

Richard Strauss Michael Kennedy, 1999-01-13 Was Richard Strauss the most incandescent composer of the twentieth century or merely a bourgeoisie artist and Nazi sympathizer For the fifty years since his death on September 8 1949 Richard Strauss has remained dogmatically elusive in the wider body of musical and historical criticism Lauded as nothing less than the greatest musical figure of his time by Canadian musician Glenn Gould in 1962 Strauss also has attracted his share of posthumous epithets in summary an artist who lived off his own fat during his later years As recently as 1995 the English critic Rodney Milnes wrote the court of posterity is still reserving judgment In *Richard Strauss Man Musician Enigma* biographer Michael Kennedy demonstrates that the many varying shades of criticism that have painted this figure in the past half century resemble the similar understandings and misunderstandings held by his contemporaries perceptions that touched almost every aspect of Strauss life and career Introducing his detailed work more as a broad explication than a firm answer to the Straussian riddle Kennedy's scope includes the exuberant extroverted Strauss of young adulthood as well as the phlegmatic and aloof middle aged man who resembled a prosperous bank manager the arch fiend of modernism and the composer who redefined the term a man who professed to lack all spiritual curiosity and a musician who penned the touching ballet *Der Kometentanz* an at times almost humble family man and an artist who claimed to be as interesting as Napoleon and Alexander the Great Kennedy clearly elucidates his enigmatic subject by building his analysis around the few constants in Strauss life his profound admiration for German culture his dependence on his own family for guidance and his Nietzschean total absorption in art This frame offers everyone from Straussian scholars to general readers an insightful and easy to follow biographical narrative Kennedy also deals at length with Strauss problematic relationship with Nazi authorities detailing his incompatible roles as the father in law of a Jewish woman and as one of the country's leading composers Michael Kennedy is the chief music critic of the London Sunday Telegraph and the author of many books about music

Richard Strauss, 1999 Richard Strauss Michael Kennedy, 1995 Second edition includes expanded biographical section and discussion of Strauss's music Richard Strauss's long life spanned nearly a century from the consolidation of Wagner's fame in the 1860s to the age of post serialism and the dawn of electronics when he died in 1949 For 79 of his 85 years he composed songs chamber music a series of brilliant tone poems and the great ballets and operas which he created for the legendary stars of Dresden and Vienna He was also one of the outstanding conductors of his time directing opera companies in Weimar Munich Berlin and Vienna His life was rich in controversy from the outrage caused by the operas *Salome* and *Elektra* to the years under the Nazi regime In his survey of the music rejecting the generally accepted view that Strauss's genius declined in his middle years Michael Kennedy traces refinements of style from the early 1920s to Strauss's late works The first edition of this book was published by Dent in 1976 Richard Strauss's Orchestral Music and the German Intellectual Tradition Charles Youmans, 2005-07-07 A study of Strauss's orchestral activity from the perspective of

late 19th century German intellectual history *The Cambridge Companion to Richard Strauss* Charles Youmans, 2010-11-18 Richard Strauss is a composer much loved among audiences throughout the world both in the opera house and the concert hall Despite this popularity Strauss was for many years ignored by scholars who considered his commercial success and his continued reliance on the tonal system to be liabilities However the past two decades have seen a resurgence of scholarly interest in the composer This Companion surveys the results focusing on the principal genres the social and historical context and topics perennially controversial over the last century Chapters cover Strauss's immense operatic output the electrifying modernism of his tone poems and his ever popular Lieder Controversial topics are explored including Strauss's relationship to the Third Reich and the sexual dimension of his works Reintroducing the composer and his music in light of recent research the volume shows Strauss's artistic personality to be richer and much more complicated than has been previously acknowledged Four Last Songs Linda Hutcheon, Michael Hutcheon, 2015-05-22 Aging and creativity can seem a particularly fraught relationship for artists who often face age related difficulties as their audience's expectations are at a peak In *Four Last Songs* Linda and Michael Hutcheon explore this issue via the late works of some of the world's greatest composers Giuseppe Verdi 1813-1901 Richard Strauss 1864-1949 Olivier Messiaen 1908-92 and Benjamin Britten 1913-76 all wrote operas late in life pieces that reveal unique responses to the challenges of growing older Verdi's *Falstaff* his only comedic success combated Richard Wagner's influence by introducing young Italian composers to a new model of national music Strauss on the other hand struggling with personal and political problems in Nazi Germany composed the self-reflexive *Capriccio* a life review of opera and his own legacy Though it exhausted him physically and emotionally Messiaen at the age of seventy-five finished his only opera *Saint François d'Assise* which marked the pinnacle of his career Britten meanwhile suffering from heart problems refused surgery until he had completed his masterpiece *Death in Venice* For all four composers age far from sapping their creative power provided impetus for some of their best accomplishments With its deft treatment of these composers' final years and works *Four Last Songs* provides a valuable look at the challenges and opportunities that present themselves as artists grow older **Richard Strauss in Context** Morten Kristiansen, Joseph E. Jones, 2020-10-29 *Richard Strauss in Context* offers a distinctive approach to the study of a composer in that it places the emphasis on contextualizing topics rather than on biography and artistic output One might say that it inverts the relationship between composer and context Rather than studies of Strauss's librettists that discuss the texts themselves and his musical settings for instance this book offers essays on the writers themselves their biographical circumstances styles landmark works and broader positions in literary history Likewise Strauss's contributions to the concert hall are positioned within the broader development of the orchestra and trends in programmatic music In short readers will benefit from an elaboration of material that is either absent from or treated only briefly in existing publications Through this supplemental and broader contextual approach this book serves as a valuable and unique resource for students scholars and

a general readership The Fall of the House of Speyer George W. Liebmann, 2015-08-06 The dramatic story of the last fifty years of the Speyer banking dynasty a Jewish family of German descent is surprisingly little known today yet at the turn of the 20th century Speyer was the third largest investment banking firm in the United States behind only Morgan and Kuhn Loeb It had branches in London Frankfurt and New York and the projects it financed included the Southern Pacific Railroad the London Underground and the infrastructure of the new Cuban republic Later it was the first major banking firm to finance Germany's Weimar Republic as well as providing League of Nations loans to Hungary Greece and Bulgaria Yet the firm was doomed by the nationalist passions aroused by World War I Its English partner was denaturalised and exiled its American partner enjoyed reduced standing because of his connection to Germany and the Frankfurt branch closed with the coming of the Third Reich its German partner fleeing into exile The firm was dissolved in 1939 a surprisingly anticlimactic end to one of the great international banking companies of modern times George W Liebmann here tells the story of the firm and the family shedding new light on the protagonists of a remarkable dynasty who came undone in the dramatic years of the early 20th century *In the Public Eye* Markian Prokopovych, 2014-08-19 During the 1884 inauguration of the Royal Hungarian Opera House in Budapest political elites staged a gala concert in the auditorium while the angry crowd excluded from this ceremony demonstrated on the street In 1917 the crowds queuing to a B la Bart k premiere needed to be forcibly held back The book follows the history of the contested institution through a series of scandals public protests repertoire controversies and their representation in the urban press of the time Such conflicts often led to larger issues that concerned the Opera House as a music institution the birth of the modern public sphere and the modern audience Thereby the book calls for a critical rethinking of the cultural history of Budapest and Hungary in the late Habsburg Monarchy The Lives and Times of the Great Composers Michael Steen, 2011-07-01 A glorious plum pudding of a book to be consulted with pleasure and profit over and over again Sir Jeremy Isaacs Michael Steen's Great Composers was originally published in 2003 A lifetime's work and almost 1000 pages long it has since become the reference point and key read on the biographical backgrounds to classical music's biggest names Authoritative and hugely detailed but nonetheless a joy to read this new edition will expand its readership further and capitalise on a newfound popular interest in classical music Steen's book helps you explore the story of Bach the respectable burgher much of whose vast output was composed amidst petty turf disputes in Lutheran Leipzig or the ugly argumentative Beethoven in French occupied Vienna obsessed by his laundry or Mozart the over exploited infant prodigy whose untimely death was shrouded in rumour Read about Verdi who composed against the background of the Italian Risorgimento or about the family life of the Wagners and Brahms who rose from the slums of Hamburg to become a devotee of beer and coffee in fin de siecle Vienna a cultural capital bent on destroying Mahler and much much more

Delve into the emotional tapestry woven by Emotional Journey with in Dive into the Emotion of **Richard Strauss Man Musician Enigma** . Richard Strauss Man Musician Enigma Introduction

In the digital age, access to information has become easier than ever before. The ability to download Richard Strauss Man Musician Enigma has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Richard Strauss Man Musician Enigma has opened up a world of possibilities. Downloading Richard Strauss Man Musician Enigma provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Richard Strauss Man Musician Enigma has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Richard Strauss Man Musician Enigma. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Richard Strauss Man Musician Enigma. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Richard Strauss Man Musician Enigma, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Richard Strauss Man Musician Enigma has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of

free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Richard Strauss Man Musician Enigma Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Richard Strauss Man Musician Enigma is one of the best book in our library for free trial. We provide copy of Richard Strauss Man Musician Enigma in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Richard Strauss Man Musician Enigma. Where to download Richard Strauss Man Musician Enigma online for free? Are you looking for Richard Strauss Man Musician Enigma PDF? This is definitely going to save you time and cash in something you should think about.
