Spirituals Kathleen A. Abromeit, 2015-01-01 Spirituals originated among enslaved Africans in America during the colonial era They resonate throughout African American history from that time to the civil rights movement from the cotton fields to the concert stage and influenced everything from gospel music to blues and rap They have offered solace in times of suffering served as clandestine signals on the Underground Railroad and been a source of celebration and religious inspiration Spirituals are born from the womb of African American experience yet they transcend national disciplinary and linguistic boundaries as they connect music theology literature and poetry history society and education In doing so they reach every aspect of human experience To make sense of the immense impact spirituals have made on music culture and society this bibliography cites writings from a multidisciplinary perspective This annotated bibliography documents articles books and dissertations published since 1902 Of those 150 are books 80 are chapters within books 615 are journal articles and 150 are dissertations along with a selection of highly significant items published before 1920 The most recent publications included date from early 2014 Disciplines researched include music literature and poetry American history religion and African American Studies Items included in the annotated bibliography are limited to English language sources that were published in the United States and focus on African American spirituals in the United States but there are a few select citations that focus on spirituals outside of the United States Of the one thousand annotations they are divided roughly evenly between general studies and geographical studies information about early spirituals use of spirituals in art music church music and popular music composers who based music on spirituals performers of spirituals ensembles and individuals Bible theology and religious education literature and poetry pedagogical considerations including the teaching of spirituals as well as prominent educators reference works and a list of resources that were unavailable for review but are potentially useful This book also offers considerable depth on particular topics such as the Fisk Jubilee Singers and William Grant Still with over thirty citations devoted to each At the same time materials included are quite diverse with topics such as spirituals in Zora Neale Hurston's novels bible studies based on spirituals enriching the teaching of geography

through spirituals Marian Anderson's historic concert at the Lincoln Memorial spiritual roots of rap teaching dialect to singers expressing African American religion in spirituals Samuel Coleridge Taylor's music slave tradition of singing among the Gullah The book contains indices by author subject and spiritual title Additionally an appendix of spirituals by biblical reference listing both spiritual title to scriptural reference as well as scripture to spiritual title is included T L Collins Christian educator compiled the appendix

On Ma Journey Now Leader Gwendolyn Brown-Felder, 2005 A short term Bible Study combining an in depth look at Scripture American History and the musical melodies and rhythms of African American Spirituals This six session study provides biblical social and historical analysis of six spirituals Sing and study the spirituals at the same time Teachers use the leader's guide for session format discussion questions and activities An accompanying CD included with the leader's guide features all six songs and makes listening and learning fun and interactive On Ma Journey is a powerful resource for small groups Sunday schools choir groups and any setting persons seek to enrich their devotional and spiritual experience through God's word and music

Spiritual Soul Train Ride Kathy Carpenter, 2015-07-30 All aboard Travel with me on God's spiritual soul train When I was three years old I boarded a train and waved goodbye to my mother I never saw her face again Separated from our brother I wrapped my arms around my sister and God wrapped his arms around me I did not realize at that moment that God had given me a job at that station in my life I looked out the window and saw a

blue sky of hope that I will remember always My life is blessed in spite of this childhood heartbreak my brothers suicide and my sisters issues with epilepsy and suicidal tendencies I have a remarkable life and at each station I have been fortunate to know a God that holds me steadfast with the fascinating adventure and mystery of the world so created by him I want you to travel with me and feel the rain upon your face stand in awe of the descriptive sunrises and sunsets hear the birds waking up and picture the magnificent race horses galloping around the horse farm Visualize the wild coyote and the white tailed deer that dwell around me Meet great Biblical leaders of the Bible and Christian warriors and missionaries of yesterday and today Enjoy quotes and stories by the famous and not so famous but extraordinary women and men who have made and are making a difference in the world that we live in Experience Gods seasons with me as I paint you a spring with cherry blossoms and dogwood trees surrounded by buttercups show you the colors of autumn highlighting the vivid oranges yellows and reds smell the evergreen pines honeysuckle vines as I ask you to swim in their fragrance on my favorite prayer walk in the park sit with me around the warm fires and walk in the snow with me during Christmastime Settle down in my snug old barn office with hot coffee as I ask you to join me for devotional and prayer May you exhale and inhale passion as the devotionals come alive in your heart with eternal hope and love Strategies for Educating African American Children Judith

Clair-Hull,2006-10-30 Ideal for teachers of African American children ages six through eleven Educators will be equipped with tools to create powerful Afro centric curriculum for their students Topics covered in the book include Contemporary learning theories Personality development of primary and junior students Effective African American teaching styles Addressing the spiritual needs of AA children This book fills a particular need as there are very few resources focused specifically on the Christian spiritual education of African American children *Rituals of Fertility and the Sacrifice of Desire* Carol Ann Muller,1999 In this text Muller breaks new ground in the study of this changing region and along the way she includes details of her own poignant journey as a young white South African woman to the other side of a divided society
