Ride That Full Tilt Boogie:

Bikerlady Sasha Mullins, 2003 Rev up the engines with this book about the powerful sexy and fearless women who love the open road and the motorcycles they ride Color photos Soul Surfer Johnny Rides Bill Missett, 2013-11-08 This special edition of the Soul Surfer Johnny trilogy brings all three books together in one volume with a special bonus chapter of 15 new stories It includes the complete versions of Soul Surfer Johnny Soul Surfer Johnny Returns and Soul Surfer Johnny Rips intact and unabridged Plus a new 12 000 word segment of new stories Full-tilt Boogie Robert H. Abel, 1989 Robert Abel is a master storyteller I loved his novels Freedom Dues and The Progress of a Fire Now he has written tales that are marvelously readable and wonderfully unpredictable Ngorgeously crafted gracefully turned utterly compelling They penetrate down to extraordinary layers of menace and joy revealing strange and exhilarating truths about the way we live now Jay Neugeboren Robert Abel is a writer teacher and journalist He lives in North Hadley Massachusetts *Scars of Sweet Paradise* Alice Echols, 2000-02-15 Janis Joplin was the skyrocket chick of the sixties the woman who broke into the boys club of rock and out of the stifling good girl femininity of postwar America With her incredible wall of sound vocals Joplin was the voice of a generation and when she OD d on heroin in October 1970 a generation s dreams crashed and burned with her Alice Echols pushes past the legacy Joplin the red hot mama of her own invention as well as the familiar portrait of the screwed up star victimized by the era she symbolized to examine the roots of Joplin s muscianship and explore a generation s experiment with high risk living and the terrible price it exacted A deeply affecting biography of one of America s most brilliant and tormented stars *Scars of Sweet Paradise* is also a vivid and incisive cultural history of an era that changed the world for us all **Piece Of My Heart** David Dalton, 2009-04-30 In 1972 Stonehill Books published David Dalton s Janis a multimedia extravaganza that incorporated interviews quotes photographs lyrics Rolling Stone Clippings sheet music a record of rapping and singing and prose as wild and moving as Janis s performances *Piece of My Heart* is a reconstruction and revision of that early work one of the first rock n roll books leaving the prose and interviews intact adding dozens of new photos and incorporating a wealth of new material Here is the best possible portrait of the lonely teenager from Port Arthur Texas who took the blues farther than anyone before or since offering revealing glimpses of her on the road backstage with Jerry Lee Lewis kidnapped in Kansas partying with the Grateful Dead the Band Bonnie and Delaney and with her own band Big Brother and the Holding Company But *Piece of My Heart* goes beyond Janis s own story to provide us with a portrait of the Kosmic Blues themselves the self destruction that lies at the heart of the rock n roll myth *Evening Street Review Number 3* Gordon Grigsby, Jan Schmittauer, Matthew M. Cariello, Barbara Bergmann, 2010-10 *Evening Street Review* is centered on the belief that all men and women are created equal that they have a natural claim to certain inalienable rights and that among these are the rights to life liberty and the pursuit of happiness With this center and an emphasis on writing that has both clarity and depth it practices the widest eclecticism *Evening Street Review* reads submissions of poetry free verse formal verse and prose poetry

The World in the Curl Peter Westwick, Peter Neushul, 2013-07-23 A definitive and highly readable history of surfing and the cultural political economic and environmental consequences of its evolution from a sport of Hawaiian kings and queens to a billion dollar worldwide industry Despite its rebellious outlaw reputation or perhaps because of it surfing occupies a central place in the American and global imagination embodying the tension between romantic counterculture ideals and middle class values between an individualistic communion with nature and a growing commitment to commerce and technology In examining the enduring widespread appeal of surfing in both myth and reality *The World in the Curl* offers a fresh angle on the remarkable rise of the sport and its influence on modern life Drawing on Peter Westwick and Peter Neushul's expertise as historians of science and technology the environment and the Cold War as well as decades of experience as surfers themselves *The World in the Curl* brings alive the colorful history of surfing by drawing readers into the forces that fueled the sport's expansion colonialism the military industrial complex globalization capitalism environmental engineering and race and gender roles In an engaging and provocative narrative history from the spread of surfing to the United States to the development of surf culture to the reintroduction of women into the sport to big wave frontiers the authors draw an indelible portrait of surfing and surfers as actors on the global stage

Big Red Rocks, Little Red Devils: A Moab Story Emmett R. Dixon, 2015-11-25 Blaze a trail through the town of Moab Utah and the youth of one slightly crazed sunburned kid He has asthma he's scrawny he plays rock music on his Vox Jaguar organ He has attitude and he's in your face Part memoir part history and part philosophy *Big Red Rocks Little Red Devils* will reveal the keys to life liberty and the pursuit of girls all from the driver's seat of a 69 Pontiac Firebird Enjoy the ride

Janis Holly George-Warren, 2019-10-22 Longlisted for the 2020 Andrew Carnegie Medals for Excellence This blazingly intimate biography of Janis Joplin establishes the Queen of Rock Roll as the rule breaking musical trailblazer and complicated gender bending rebel she was Janis Joplin's first transgressive act was to be a white girl who gained an early sense of the power of the blues music you could only find on obscure records and in roadhouses along the Texas and Louisiana Gulf Coast But even before that she stood out in her conservative oil town She was a tomboy who was also intellectually curious and artistic By the time she reached high school she had drawn the scorn of her peers for her embrace of the Beats and her racially progressive views Her parents doted on her in many ways but were ultimately put off by her repeated acts of defiance Janis Joplin has passed into legend as a brash impassioned soul doomed by the pain that produced one of the most extraordinary voices in rock history But in these pages Holly George Warren provides a revelatory and deeply satisfying portrait of a woman who wasn't all about suffering Janis was a perfectionist a passionate erudite

musician who was born with talent but also worked exceptionally hard to develop it She was a woman who pushed the boundaries of gender and sexuality long before it was socially acceptable She was a sensitive seeker who wanted to marry and settle down but couldn't or wouldn't She was a Texan who yearned to flee Texas but could never quite get away even after becoming a countercultural icon in San Francisco Written by one of the most highly regarded chroniclers of American music history and based on unprecedented access to Janis Joplin's family friends band mates archives and long lost interviews Janis is a complex rewarding portrait of a remarkable artist finally getting her due **Half Heaven Half**

Heartache Robert E. Alexander, 2008-11 Most of us are eager to share our achievements but few are willing to expose our failures Half Heaven Half Heartache does just that as Judge Robert Alexander bares his soul on every page good bad and ugly Adopted by a Christian family Alexander suffered terribly when his parents divorced and struggled through military service as a young man during the Vietnam War Embracing the horrors of a biker's life he became everything he hated You will love him and loathe him riding shotgun through Hell and back watching him claw his way up from the lowest of lows Seizing the brass ring of power you'll endure his despair as he is blindsided by the agonizing emptiness awaiting him at the top And just when it seemed hope was lost Robert Alexander discovered the truth that even the deepest wounds can be healed when a man experiences God's amazing grace and mercy Judge Robert E. Alexander is retired from the NYS Department of Correctional Services where he has served in a number of capacities Additionally he has taught for over 25 years as an Adjunct Faculty member at two prestigious colleges serving on numerous civic organizations Presently Judge Alexander presides over the Village of Corfu and Town of Pembroke Courts Featured on radio television in documentaries and magazine articles he is the founder and Director of Men of the Harvest Ministries a Christian charity providing appliances food and low cost vehicles for those in need While holding several academic degrees Judge Alexander is also an Ordained Minister who travels across the United States and Canada sharing the life changing message of the Gospel of Jesus Christ He and his wife Gerry Ellen have been married for 36 years and have six children and 12 grandchildren
