

Ride The Wild Horses

M. Delaney

Ride The Wild Horses:

Ride the Wild Horses! James Wallace Hamilton,1952 In My Dreams I Ride Wild Horses Jean A. Curran,2011-07 Billy Roper has said I was born blessedly poor This simple statement embodies his early hardships and the demons he has battled in a lifetime of struggle to fulfill his dream of being an artist But being an artist was more than a dream to him it was a deep and nagging need In his words It was like a hound dog chasin chickens I had to draw and paint but I didn t know how Blessedly poor also speaks of the strength and insight he has gained from his tribulations so that he might conclude All that stuff that happened down through the years when I look back on it now if I was gonna be an artist that was the price for it That s how you get to this point comin through that it purifies your soul If you want to understand somebody else s pain it is a good idea that you have had one just like it The pains that I have not experienced are gettin less and less The wisdom to see and understand both the positives and negatives of life nurtures the profound lessons and sermons that he pours into imaginative and beautifully conceived paintings skillful carvings that exude reverence for natural wood and marble sculptures that approach the classical in theme and design Susan Wright a friend and collector has said to him You have always spoken to my soul Billy Roper s journey from poverty to public acclaim is an inspiring story with lessons for all who seek to live wisely and humanely and the story is accompanied by thirty four colorful examples of the work that comprises his artistic vision **Ride a Wild Horse** M. Delaney,1975 **Mustang Ride** Kelly Wilson,2016-10-03 The adventures of the Wilson sisters in the American West This is the third book from bestselling author and television star Kelly Wilson Kelly s first two books For the Love of Horses and Stallion Challenges were full of stories from the Wilsons quest to save wild Kaimanawas from the government cull This time the Wilsons are taking on a new challenge to tame mustangs at a ranch in Wyoming for competition in the Extreme Mustang Makeover Join the Wilsons as they take on an adventure with a surprising twist and a horse trek across six states in the American west Two Thousand Miles' Ride Through the Argentine Provinces William MacCann,1853 **The Last Ride of the Pony Express** Will Grant,2023-06-06 Spellbinding Douglas Preston and completely fascinating Elizabeth Letts cowboy and journalist Will Grant takes us on an epic and authentic horseback journey into the modern West on an adventure of a lifetime The Last Ride of the Pony Express boldly illuminates both our mythic fascination with the Pony Express and how its spirit continues to this day The Pony Express was a fast horse frontier mail service that spanned the American West the high dry and undeniably lonesome part of North America While in operation during the 1860s it carried letter mail on a blistering ten day schedule between Missouri and San Francisco running through a vast and mostly uninhabited wilderness It covered a massive distance akin to running horses between Madrid and Moscow and to this day the Pony Express is irrefutably the greatest display of American horsemanship to ever color the pages of a history book Though the Pony Express has enjoyed a lot of traction over the years among the authors that have attempted to encapsulate it none have ever ridden it themselves While most scholars would look for answers inside a library Will Grant

looks for his between the ears of a horse Inspired by the likes of Mark Twain Sir Richard Burton and Horace Greeley all of whom traveled throughout the developing West Will Grant returned to his roots he would ride the trail himself with his two horses Chicken Fry and Badger from one end to the other Will Grant captures the spirit of the west in a way that few writers have Along with rich encounters with the ranchers farmers historians and businessmen who populate the trail his exploits on horseback offer an intimate portrait of how the West has evolved from the rough and tumble 19th century to the present and it s written with such intimacy that you ll feel as though you re riding right alongside of him Along the way he fights off wild mustangs wanting to steal his horses in Utah camps with Peruvian shepherders in the mountains and even spends three days riding under the Top Gun aviator school in Nevada which are just a handful of extraordinary tales Will Grant unveils as he makes his way across the treacherous and at times thrilling landscape of the known and unknown American West The Last Ride of the Pony Express is a uniquely tenacious tale of adventure by a native son of the West who defies most modern conveniences to compass some two thousand miles on horseback The result is an unforgettable narrative that will forever change how you see the West the Pony Express and America as a whole **Curly, Jake An' Me** Robert Connerly,2003-12
