West TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage. Out of this hope comes *Updating the Literary West*, a comprehensive reference anthology including essays by over one hundred scholars. A selected bibliography is included with each piece. In the ten years since publication of *LHAW*, western writing has developed a significantly larger presence in the national literary stream. A variety of cultural viewpoints have developed along with new tactics for literary study. New authors have risen to prominence and the range of subjects has changed and widened. *Updating the Literary West* looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature, ethnicity, environmental writing, gender issues, and other topics in which change has been rapid since publication of *LHAW*. This volume again affirms the West's literary legitimacy, status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience. An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries.

The Death of Jim Loney. James Welch, 2008-07-29. James Welch never shied away from depicting the lives of Native Americans, damned by destiny and temperament to the margins of society. *The Death of Jim Loney* is no exception. Jim Loney is a mixed blood of white and Indian parentage. Estranged from both communities, he lives a solitary, brooding existence in a small Montana town. His nights are filled with disturbing dreams that haunt his waking hours. Rhea, his lover, cannot console him; Kate, his sister, cannot penetrate his world. In sparse, moving prose, Welch has crafted a riveting tale of disenfranchisement and self-destruction.
