Rig Talk:

The Rough Poets Melanie Dennis Unrau, 2024-10-15 Oil workers are often typecast as rough embodying the toxic masculinity racism consumerist excess and wilful ignorance of the extractive industries and petrostates they work for But their poetry troubles these assumptions revealing the fear confusion betrayal and indignation hidden beneath tough personas The Rough Poets presents poetry by workers in the Canadian oil and gas industry collecting and closely reading texts published between 1938 and 2019 S C Ells s Northland Trails Peter Christensen s Rig Talk Dymphny Dronyk s Contrary Infatuations Mathew Henderson s The Lease Naden Parkin s A Relationship with Truth Lesley Battler s Endangered Hydrocarbons and Lindsay Bird s Boom Time These writers are uniquely positioned Melanie Dennis Unrau argues both as petropoets who write poetry about oil and as theorists of petropoetics with unique knowledge about how to make and unmake worlds that depend on fossil fuels Their ambivalent playful crude and honest petropoetry shows that oil workers grieve the environmental and social impacts of their work worry about climate change and the futures of their communities and desire jobs and ways of life that are good safe and just How does it feel to be a worker in the oil and gas industry in a climate emergency facing an energy transition that threatens your way of life Unrau takes up this question with the respect care and imagination necessary to be an environmentalist reader in solidarity with oil workers A Concise Poetical Concordance to the Principal Poets of the World, 1885 **Wildcatters** Sally Helgesen, 2003 This is a reprint of a previously published book It profiles three generations of oil tycoons based in Texas **Hey! You Guys** Gary Blouse, 2010-04 The Bloodsworn Erin Lindsey, 2016-09-27 The bonds of family love and loyalty are pushed to their limits in this thrilling conclusion to the epic saga started in *The Bloodbound* As the war between Alden and Oridia draws to an end the fates of both kingdoms rest on the actions of a select group of individuals and of course on the unbreakable bonds of blood Unbeknownst to most of Alden King Erik in thrall to a cruel bloodbinder is locked away in his own palace plotting revenge To save her king Lady Alix must journey behind enemy lines to destroy the bloodbinder But her quest will demand sacrifices that may be more than she can bear Meanwhile as the Warlord of Oridia tightens his grip on Alden the men Alix loves face equally deadly tasks Her husband Liam must run a country at war while her brother Rig fights a losing battle on the front lines If either of them fails Alden could be lost and even if they succeed their efforts may be too late to save everyone Alix holds dear From the Paperback edition Perspectives on Taste Jeremy Wyatt, Julia Zakkou, Dan Zeman, 2022-04-27 This book offers a sustained interdisciplinary examination of taste It addresses a range of topics that have been at the heart of lively debates in philosophy of language linguistics metaphysics aesthetics and experimental philosophy Our everyday lives are suffused with discussions about taste We are quick to offer familiar platitudes about taste but we struggle when facing the questions that matter what taste is how it is related to subjectivity what distinguishes good from bad taste why it is valuable to make and evaluate judgments about matters of taste and what exactly we mean in speaking about these matters The essays in this

volume open up new intersecting lines of research about these questions that cross traditional disciplinary boundaries They address the notion of aesthetic taste connections between taste and the natures of truth disagreement assertion belief retraction linguistic context sensitivity and the semantics pragmatics interface experimental inquiry about taste and metaphysical questions underlying ongoing discussions about taste Perspectives on Taste will be of interest to researchers and advanced students working in aesthetics philosophy of language linguistics metaphysics and experimental philosophy

The Broken Journey Kenneth Roy, 2016-10-12 This is the second volume of Kenneth Roy's magisterial trilogy on the history of Scotland since the Second World War The first volume *The Invisible Spirit A Life of Post War Scotland 1945-75* was met with immediate acclaim This new volume brings the story much closer to the present day and traces enthrallingly the social political and cultural threads which lead directly to the Scotland we live in today Along the way the author describes the oil boom in Shetland Scotland's doomed campaign at the World Cup in Argentina the Orkney child sex abuse scandal the Lockerbie bombing the massacre of schoolchildren and a teacher at Dunblane the cloning of Dolly the sheep and much more Kenneth Roy uses his record of events to mount a searing critique of the Scottish body politic of the time and its key personalities and institutions In sparkling often very funny prose the country is anatomized in a way which will make uncomfortable reading for many current politicians and public office holders today The book culminates in a referendum and the inauguration of the new Scottish parliament Echoes of present day aspirations antagonisms and concerns are all too evident

The Road to Appledore Tom Wayman, 2024-05-04 Acclaimed author Tom Wayman's account of his shift from urban to rural The recent pandemic accelerated an existing trend among urban Canadians to move to the country Yet to quote from a 2022 *Globe and Mail* article People from cities don't always realize what they're getting into For anyone setting out in that direction or dreaming of doing so Tom Wayman's *The Road to Appledore or How I Went Back to the Land Without Ever Having Lived There in the First Place* is rewarding reading The book follows Wayman from Vancouver to southeastern BC's Slokan Valley deep in the Selkirk Mountains and presents with his characteristic humor and philosophical insight his ensuing major shifts of perspective and knowledge Mishaps misadventures and moments of delight and wonder abound in Wayman's prose reflections on his decades of living immersed in nature and the contemporary rural from having to deal with a bear cub in his kitchen to engaging in a vigilante action to protect a community water system to the quiet satisfaction of growing his own food and flowers Wayman depicts the rural southwest of Canada in intimate detail and a sense of wonder readers will be transported alongside him

Focus on the USA Edgar W. Schneider, 1996-02-29 This volume presents fifteen original research papers by renowned specialists in their respective fields A variety of research traditions are included such as dialect geography and sociolinguistics but also smaller sub-fields such as the study of slang and perceptual dialectology Varieties studied include the South the Eastern Seaboard the Middle West African American English Cuban English and others A growing sense of unity in the discipline is reflected by recurring topics and methods across earlier boundaries

between sub disciplines For instance computerized data and statistical analyses are standard tools nowadays and a few papers explicitly address the possibilities and limitations of these methods The study of variation and change of linguistic varieties has largely replaced earlier monolithic notions of dialect and the question of change in dialects the erosion of traditional speech forms under the impact of modern communication patterns and socio economic developments is investigated in several contributions In general a recent orientation towards the history and development of nonstandard varieties is reflected in the book several papers study diffusion patterns of linguistic forms or discuss the emergence of individual dialects or dialectal forms in a language contact framework Altogether the papers provide a lively illustration of and a fairly representative selection from ongoing high quality linguistic research into American English *Literary History of Canada* William H. New, Carl Berger, Alan Cairns, Frances G. Halpenny, Henry Kreisel, Douglas Lochhead, Philip Stratford, Clara Thomas, 1990-12-15 This new volume of the *Literary History of Canada* covers the continuing development of English Canadian writing from 1972 to 1984 As with the three earlier volumes this book is an invaluable guide to recent developments in English Canadian literature and a resource for both the general reader and the specialist researcher The contributors to this volume are Laurie Ricou David Jackel Linda Hutcheon Philip Stratford Barry Cameron Balachandra Rajan Robert Fothergill Brian Parker Cynthia Zimmerman Frances Frazer Edith Fowke Bruce G Trigger Alan C Cairns Douglas Williams Carl Berger Shirley Neuman Raymond S Corteen and Frances G Halpenny **Listening at the Gate** Betsy James, 2010-05-11 *JOURNEY TO THE EDGE OF THE WORLD* In her father's village Kat is scorned for her fiery red hair the legacy of her father's shameful marriage to a native woman Her only true home is with Nall a man who appeared to her from the depths of the sea an outsider too Now a war is breaking out and Kat's beloved brother Dai is taken prisoner Kat realizes that the only way she can save him is to join Nall on a dangerous quest that will take them to the last boundary of all the Gate where the world was born It is during this journey that Kat must confront not only the earthly battle that is tearing her world apart but the struggle within herself and with the man she loves *Snow Bird* Jason Thunder, 2024-08-06 Jason Thunder still remembers that red lollipop baby's first sugar high That day the candy was shared amongst the cousins and he slept close to his parents He must have been teething his father's knuckle tasted like guitar strings salt and nicotine Jason has been chasing the sensations of that single day all his life the rush the comfort the love It ignited his relationship to addiction Poor in a wealthy country Jason is sentenced to a lifetime of labour In his teens he buckles under his mother's impossible expectations as he provides for his siblings If it wasn't for his grandfather's Sage or that winter skating on the lake he might have lost himself Though his babies are born into broken homes Jason wants to love and provide for them On the oil rigs as a high rise scaffolder training to be Harley Davidson technician and driving long haul ice road trucks into the Arctic Jason wants more than anything to be a proud man But in a boom and bust world Jason Thunder is racing to catch his steadfast dreams This richly poetic novel follows a Métis man's autobiographical coming of age and captures the precarious balance
