David Core,2014-03-19 I d finished describing my surprise at how easy it was to identify Dave since after all he d been pulled from a river after drowning I d thought he d be bloated or discolored but he d looked like himself Then out of nowhere Schwartz had asked me if Dave had often gone night fishing alone and I d gone suddenly mute Common sense tells Cattleya Hoskin that her reporter ex husband wouldn t have gone out night fishing by himself in the middle of an investigation The unaccommodating local authorities see it differently In an effort to prove them wrong Cattleya enlists the help of her private investigator friend Schwartz to follow through with Dave s investigation theft from the power grid in a small Ohio town The inquiry is complicated by crooked contractors a menacing white van and some long abandoned coal mines and antebellum tunnels Aggressively loud church bells and the amorous advances of a bounty hunter Schwartz brought in to help add to an already convoluted situation Yet Cattleya feels she owes it to Dave to figure out what happened to him for better or for worse

lust and ultimately salvation      **Kant and the Concept of Community** Charlton Payne, Lucas Thorpe, 2011 An interdisciplinary collection of essays focused on Kant's work on the concept of community. The concept of community plays a central role in Kant's theoretical philosophy, his practical philosophy, his aesthetics, and his religious thought. Kant uses community in many philosophical contexts: the category of community introduced in his table of categories in the Critique of Pure Reason; the community of substances in the third analogy; the realm of ends as an ethical community; the state and the public sphere as political communities; the *sensus communis* of the Critique of Judgment; and the idea of the church as a religious community in Religion within the Boundaries of Mere Reason. Given Kant's status as a systematic philosopher, volume editors Payne and Thorpe maintain that any examination of the concept of community in one area of his work can be understood only in relation to the others. In this volume, then, scholars from different disciplines specializing in various aspects of and approaches to Kant's work offer their interpretations of Kant on the concept of community. The various essays further illustrate the central relevance and importance of Kant's conception of community to contemporary debates in various fields. Charlton Payne is postdoctoral fellow at Plattform Weltregionen und Interaktionen, Universität Erfurt, Germany. Lucas Thorpe is Assistant Professor in the Department of Philosophy at Bogaziçi University, Turkey. Contributors: Ronald Beiner, Jeffrey Edwards, Michael Feola, Paul Guyer, Jane Kneller, Beatrice Longuenesse, Jan Mieszkowski, Onora O'Neill, Charlton Payne, Susan M. Shell, Lucas Thorpe, Eric Watkins, Allen W. Wood.      **2: A White Powder Kingdom** Christina Roberts, 2018-07-11

Erik and his friends thought things would finally calm down. But one night at François Manor, a large group of Mystic Artists show up and proclaim that Erik is a fabled person called The White Prince. At that same moment, a teenager over 200 years old named Valin accuses Erik of usurping the royal title and claims that he is The White Prince. Erik doesn't care about Valin's claim until a second stranger, a beautiful woman who holds a deep tragic secret, starts casting illusions over Zo Dominique. Erik realizes they must be connected. As he uncovers layers of their past, Erik discovers the woman is on an ancient quest to bring back Prince Vartan, a beloved prince from thousands of years ago. He and his entire kingdom of Vitalonia were tragically destroyed by a jealous evil. Now that evil has returned, and it is only The White Prince who is strong enough to stop it. The more Erik learns about The White Prince, the more he resists that such a person could be he. But if it is what does it truly mean.      *Sir John Constantine* Arthur Quiller-Couch, 2024-01-02

**House that Jack Built** Tanya L. Orr, 2021-05-07 The etches of life are so fragile that we must be careful with every step that we take for it is not the road a person travels that make them strong but it is the choices they make along the way There is a saying be careful what you ask for because you just might get it Sometimes in life we think we know what we want however more often than not we don't want what we get In the life of Jack Steel that proved to be true But through a series of unfortunate events Jack learned as do most of us that if we submit to love then our lives and our hearts will be transformed
