## **Righting Wrongs:**

*Righting Wrongs* Roy Gregory, Philip James Giddings, 2000 6 Ombudsman in Australia Dennis Pearce

**Righting Wrongs** John Wilson, 2001-11-01 Norman Bethune was a doctor who devoted his life to helping others and whose story is a remarkable one cut short by his early death in China in 1938 His story inspires us to believe that we can change the world through our actions

Righting Wrongs Kenneth Roth, 2025-02-25 From the long time head of Human Rights Watch the fascinating and inspiring story of taking on the biggest villains and toughest autocrats around the world In three decades under the leadership of Kenneth Roth Human Rights Watch grew to a staff of more than 500 conducting investigations in 100 countries to uncover abuses and pressuring offending governments to stop them Roth has grappled with the worst of humanity taken on the biggest villains of our time and persuaded leaders from around the globe to stand up to their repressive counterparts The son of a Jew who fled Nazi Germany just before the war began Roth grew up knowing full well how inhumane governments could be He has traveled the world to meet cruelty and injustice on its home turf he arrived in Rwanda shortly after the Genocide scrutinized the impact of Saddam s invasion of Kuwait investigated and condemned Israel s mistreatment of Palestinians He directed efforts to curtail the Chinese government s persecution of Uyghur Muslims to bring Myanmar s officials to justice after the ethnic cleansing of Rohingya Muslims to halt Russian war crimes in Ukraine even to reign in the U S government Roth s many innovations and strategies included the deployment of a concept as old as mankind the powerful tool of shaming and here he illustrates its surprising effectiveness against evildoers This is a story of wins losses and ongoing battles in the ceaseless fight to rend the moral arc from the hands of injustice and bend it toward good

**Righting Wrongs** Cristina Grenier, Cecilia Cece Thompson is having a hard time of things She s been jobless for half a year and the stress of taking care of her beloved younger brother providing the best for him is driving her to sleepless nights When the opportunity for a job comes up she leaps at the chance Little does she know that working for District Attorney Alexander Cross will be more than she could ever have imagined and that a dark secret unknown to both of them will threaten the fabric of their relationship Alexander Cross has always been self dependent Since the death of his mother he s sworn to bring injustice to heel in Manhattan one criminal at a time However new PA Cecilia Thompson breaks into his ingrained schedule and plagues his thoughts in a way he can t ignore Can she break through his hard outer shell Or will he shun her when he discovers the dark secret behind her parentage

Righting Wrongs Robin Kirk, 2022-06-14 Many young people aren t aware that determined individuals created the rights we now take for granted The idea of human rights is relatively recent coming out of a post World War II effort to draw nations together and prevent or lessen suffering Righting Wrongs introduces children to the true stories of 20 real people who invented and fought for these ideas Without them many of the rights we take for granted would not exist These heroes have promoted women s disabled and civil rights action on climate change and the rights of refugees These advocates are American Sierra Leonean Norwegian and Argentinian Eleven

are women Two identified as queer Twelve are people of color One campaigned for rights as a disabled person Two identify as Indigenous Two are Muslim and two are Hindu and others range from atheist to devout Christian There are two journalists one general three lawyers one Episcopal priest one torture victim and one Holocaust survivor Their stories of hope and hard work show how people working together can change the world for the better *Righting Wrongs in Eastern Europe* Istvan S. Pogany,1997 One of the most painful aspects of the transition process in East Central Europe is the attempt to address some of the serious human rights abuses that occurred in the name of communism as well as during the post communist era

**Claiming Rights and Righting Wrongs in Texas** Emilio Zamora,2009 For Mexican workers on the American home front during World War II unprecedented new employment opportunities contrasted sharply with continuing discrimination inequality and hardship *The SPEED of Trust* Stephen M.R. Covey,Stephen R. Covey,Rebecca R. Merrill,2008-02-05 Part of NWTC s Talent Development collection Wronging Rights? Aakash Singh Rathore,Alex Cistelecan,2012-03-12 This book brings together two of the most powerful and relevant philosophical critiques of human rights the post colonialist and the post Althusserian its balanced internal structure not just throwing these two critiques together but actually forcing them to enter into confrontation and dialogue The book is organised in three parts at each end the post colonialist and the post Althusserian critiques are represented by some of their main thinkers Ratna Kapur G C Spivak Upendra Baxi Slavoj i ek Jacques Ranci re while in the middle an American intermezzo Richard Rorty Wendy Brown functions as a genuine Derridian supplement always already contaminating the purity of the two theoretical schools preventing their enclosure and hence fuelling and complicating further their mutual confrontation As in any authentic dialogue the introduction and the conclusion each claim victory for one of the sides by changing the very terms and rules of the dialogue picturing it as a confrontation between emancipatory universalism and inefficient particularism from the perspective of the post Althusserians or as a split between hypocrisy and truth from the perspective of the post colonialists **Gayatri Chakravorty Spivak: Live Theory** Mark Sanders,2006-05-31 Gayatri Chakravorty Spivak Live Theory offers a concise comprehensive and accessible introduction to the themes central to the thought of one of the world s most provocative and original theorists The book concentrates on Spivak s engagement in theory and practice with deconstruction Marxism feminism and issues of postcoloniality and globalization and makes clear the extent of her impact in the fields of postcolonial and literary theory Gayatri Chakravorty Spivak Live Theory is a key resource for anyone studying this pioneering thinker **Commanding Right and Forbidding Wrong in Islamic Thought** Michael Cook,2001-01-25 What kind of duty do we have to try to stop other people doing wrong The question is intelligible in just about any culture but few of them seek to answer it in a rigorous fashion The most striking exception is found in the Islamic tradition where commanding right and forbidding wrong is a central moral tenet already mentioned in the Koran As an historian of Islam whose research has ranged widely over space and time Michael Cook is well placed to interpret this complex subject His book represents the first sustained

attempt to map the history of Islamic reflection on this obligation It covers the origins of Muslim thinking about forbidding wrong the relevant doctrinal developments over the centuries and its significance in Sunni and Shi'ite thought today In this way the book contributes to the understanding of Islamic thought its relevance to contemporary Islamic politics and ideology and raises fundamental questions for the comparative study of ethics

**Hope and Joy in Education** Isabel Nuñez, Jason Goulah, 2021 Students parents and educators at all levels are increasingly frustrated demoralized burned out and discontented with education and schooling today At no previous time has it been more necessary to revitalize hope in the promise of education or to reestablish joy in teaching and learning than the current moment In this timely and inspirational volume authors from diverse disciplines consider and affirm the many places across curriculum and context where hope and joy are or can be strong and vibrant Drawing on the life affirming ideals of renowned education philosopher and school founder Daisaku Ikeda Hope and Joy in Education will reenergize educational research theory and practice Featuring contributions from such luminaries as Theodore Berry Cynthia Dillard Walter Gershon Francyne Huckaby Johnny Lupinacci and Anita Patterson this book reminds readers that the classroom is still a magical space brimming with the brilliant and creative energy of young people This is a necessary text at a necessary time if we are to revitalize hope in the promise of education From the Foreword by Cynthia B Dillard University of Georgia A beacon of light toward desirable collective futures in a world of increasing complexity uncertainty and vulnerability Ming Fang He Georgia Southern University These essays are just what we need in these turbulent uncertain times a thoughtful focus on hope and joy as the path to educating for a more just equitable relational and peaceful state of being Denise Taliaferro Baszile Miami University This insightful book urges educators to center hope and joy in our work not by turning away from the despair of the moment but by fostering dialogue seeking connection and always remembering that the true aim of education for teachers and students alike is to become more fully human Gregory Michie Chicago public school teacher

**Forbidding Wrong in Islam** M. A. Cook, Michael Cook, 2003-05-27 Michael Cook's magisterial study in Islamic ethics Commanding Right and Forbidding Wrong in Islamic Thought was published to much acclaim in 2001 It was described by one reviewer as a masterpiece In that book the author reflected on the Islamic injunction incumbent on every Muslim to forbid wrongdoing The present book is a short accessible survey of the same material Using anecdotes and stories from Islamic sources to illustrate the argument Cook unravels the complexities of the subject Moving backwards and forwards through time he demonstrates how the past informs the present By the end the reader will be familiar with a colourful array of characters from Islamic history ranging from the celebrated thinker Ghazzali to the caliph Harun al Rashid to the Ayatollah Khomeini The book educates and entertains at its heart however is an important message about the Islamic tradition its values and the relevance of those values today

**Human Rights, Democracy, and Legitimacy in a World of Disorder** Silja Voeneke, Gerald L. Neuman, 2018-10-11 Human Rights Democracy and Legitimacy in a World of Disorder brings together respected scholars from diverse disciplines

to examine a trio of key concepts that help to stabilize states and the international order While used pervasively by philosophers legal scholars and politicians the precise content of these concepts is disputed and they face new challenges in the conditions of disorder brought by the twenty first century This volume will explore the interrelationships and possible tensions between human rights democracy and legitimacy from the philosophical legal and political perspectives as well as the role of these concepts in addressing particular problems such as economic inequality catastrophic risks posed by new technologies access to health care regional governance and responses to mass migration Comprising essays arising from an interdisciplinary symposium convened at Harvard Law School in 2016 this volume will examine how these trusted concepts may bring order to the global community      **Spirit and the Politics of Disablement** Sharon V. Betcher,2007-01-01

Explores the larger significance of disability in cultural political and religious venues Novel aspects of Christian theological tradition emerge in this light Highly original and thought provoking      *Contested Regime Collisions* Kerstin Blome,Andreas Fischer-Lescano,Hannah Franzki,Nora Markard,Stefan Oeter,2016-04-21 This study of regime collisions in international law combines theoretical contributions by leading scholars in the field with case studies      *The University Unthought* Debaditya Bhattacharya,2018-09-03 Why is it important to have a revolutionary critical pedagogy What are the new inter disciplinary engagements possible within the university What will it be like to live and learn in this university of the future Drawing on these essential questions this volume explores the political future s of the university It does not take a simplistic recourse to the tenets of liberal democracy but seeks a more engaged positioning of the university space within everyday practices of the social It cross examines the history of this ideal university s relationship with the banal everyday the apolitical outside and what exceeds intellectual reason to finally question if such historicizing of the university is necessary at all Along with its companion *The Idea of the University Histories and Contexts* this brave new intervention makes a compelling foray into the political future s of the university It will be of interest to academics educators and students of the social sciences and humanities especially education It will also be of use to policy makers and education analysts and be central to the concerns of any citizen      *The Greek Idea* Maria Koundoura,2007-10-03 Greece today finds itself caught on a turbulent edge of Europe yet both high culture and popular myth have long placed Greece as a locus of Western civilisation reinforced by English travellers discovery of Greece in the late eighteenth century and the impact this had on English Literature Opening up fresh avenues of discourse Maria Koundoura maps what this dual representation signifies for Greeks both national and diasporic In doing so she touches on twentieth century diaspora cultures from Europe to the United States offering a new critical paradigm from which to explore national and transnational identities Koundoura deftly draws upon postcolonial theory to address and analyse the cultural material that has produced Greece s representation as both European and other

*Making Amends* Linda Radzik,2011-04-07 It is often assumed that wrongdoing can only be resolved through punishment or forgiveness But this book explores the responses that wrongdoers can and should make to their own misdeeds responses

such as apology repentance reparations and self punishment It examines the possibility of atonement in a broad spectrum of contexts from cases of relatively minor wrongs in personal relationships to crimes to the historical injustices of our political and religious communities It argues that wrongdoers often have the ability to earn redemption within the moral community that respect and trust among victims communities and wrongdoers can be rebuilt and that the moral responsibility of wrongdoing groups can be addressed without treating their members unfairly

**Writing Against the Curriculum** Randi Gray Kristensen, Ryan M. Claycomb, 2010-01-01 Writing against the Curriculum responds to the popularity of Writing Across the Curriculum WAC and similar programs in U S higher education Essays by administrators faculty and librarians teaching introductory and advanced writing classes argue that such classrooms make excellent spaces to question disciplinarity through the study of rhetoric critical thinking and curricular flexibility This intervention in composition and cultural studies discourses enables the activist enactment of cultural studies theory and addresses the theoretical implications of composition practices
