Deathstalker Legacy Simon R. Green, 2016-08-02 A golden age doesn't last forever Owen Deathstalker sacrificed everything to topple a corrupt empire and usher humanity into an age of peace and prosperity Now Lewis Deathstalker Owen's descendant carries on the family name and honor as a Paragon warriors famed for their skill and heroism who dispense the king's justice throughout the galaxy However two hundred years have passed since Owen and his gang of heroes disappeared into legend and the peace that the Deathstalker bought with his life is quickly coming to an end Amidst political uncertainty Lewis's oldest friend Douglas ascends the throne and names Lewis to the archaic and largely symbolic role of King's Champion But Lewis quickly finds that he has all the bad luck of his famous ancestor and that his old allies have become his enemies Surrounded on all sides by plots and treason with the political situation spiralling out of control Lewis is exiled from court in disgrace Now it's the new Deathstalker's turn to save the empire with only a ragged band of allies as chaos spreads throughout the empire and threatens to end the golden age Note from Publisher This book was originally published as Book 6 in the Deathstalker series **The Rule Book** Jaakko Stenros, Markus

Montola, 2024-03-12 How games are built on the foundations of rules and how rules of which there are only five kinds really work Board games to sports digital games to party games gambling to role playing games They all share one thing in common rules Indeed rules are the one and only thing game scholars agree is central to games But what in fact are rules In The Rule Book Jaakko Stenros and Markus Montola explore how different kinds of rules work as building blocks of games Rules are constraints placed on us while we play carving a limited possibility space for us They also inject meaning into our play without rules there is no queen in chess no ball in Pong and no hole in one in golf Stenros and Montola discuss how rules constitute games through five foundational types the explicit statements listed in the official rules the private limitations and goals players place on themselves the social and cultural norms that guide gameplay the external regulation the surrounding society places on playing and the material embodiments of rules Depending on the game rules can be formal internal social external or material By considering the similarities and differences of wildly different games and rules within a shared theoretical framework The Rule Book renders all games more legible **The Rim-World Legacy** Frank A.
