Two Armies on the Rio Grande Douglas A. Murphy, 2014-10-28 Winner Clotilde P Garcia Tejano Book Prize The opening campaign of the US Mexican War transformed the map of each nation and shaped the course of conflict Armed with a broad range of Mexican military documents and previously unknown US sources Douglas Murphy provides the first balanced view of early battles such as Palo Alto and Resaca de la Palma He reassesses previously covered territory and also poses new questions Why did Mexico establish its defenses south of the Rio Grande while claiming territory north of the river What was Mexico s strategy in the campaign against the United States What factors most affected Mexico s defeat In confronting these questions Murphy shows that the campaign was a complex chess match with undercurrents of political intrigue economic motivations and personal animosities as much as military action Two Armies on the Rio Grande will transform our understanding of the US Mexican War

Walking to Mercury Starhawk, 2011-11-23. In *The Fifth Sacred Thing* readers fell in love with Maya Greenwood, the 98-year-old writer who led Northern California's successful 21st-century rebellion against a racist totalitarian regime of the South. *Walking to Mercury* takes readers back to the 20th century and powerfully dramatizes the forces that shaped this extraordinary woman. The book opens and closes with the middle-aged Maya struggling with a profound personal and spiritual crisis. The culminating factor has been her mother's death, and now Maya embarks on a trek in the Himalayas intending to sprinkle her mother's ashes at the base of Mt. Everest and finally lay to rest her tumultuous past. At rest stops in tiny Tibetan villages she reads diary pages her lover Johanna has tucked into her bag; the diary Johanna kept throughout their shared youth during the Vietnam era. In vivid flashbacks to those radical days we accompany the young Maya as she awakens to the summer of love, joins the anti-war movement, and enters into a relationship with the abusive alcoholic Rio. She finally gathers the strength to break free and seek her own true path, which takes her from the streets of Manhattan to the mountains of Mexico. Eventually she emerges stronger and wiser, infused with the wisdom of the earth and the spirit of the goddess. Traveling through the landscape of memories helps Maya reclaim her past and foreshadows the miraculous events readers of *The Fifth Sacred Thing* know her to be capable of in the future. Chapters on firearm homicide in Latin America and the Caribbean, drug violence in selected Latin American countries, and non-lethal violence worldwide illustrate that security is a moving target; armed violence, both lethal and non-lethal, continues to undermine the security and wellbeing

of people and societies around the world The goal of curbing small arms proliferation embodied in the UN Programme of Action appears similarly elusive Chapters on illicit small arms in war zones trade transparency Somali piracy and the 2011 UN Meeting of Governmental Experts highlight some of the successes but also the continuing challenges in this area Country studies on Kazakhstan and Somaliland along with the final instalment of the authorized transfers project round out the 2012 edition *The United Service Journal and Naval and Military Magazine* ,1830 *Brassey's Naval Annual* ,1940
