Chinese Fiction of the Nineteenth and Early Twentieth Centuries Patrick Hanan, 2004-11-03 It has often been said that the nineteenth century was a relatively stagnant period for Chinese fiction but preeminent scholar Patrick Hanan shows that the opposite is true the finest novels of the nineteenth century show a constant experimentation and evolution In this collection of detailed and insightful essays Hanan examines Chinese fiction before and during the period in which Chinese writers first came into contact with western fiction Hanan explores the uses made of fiction by westerners in China the adaptation and integration of western methods in Chinese fiction and the continued vitality of the Chinese fictional tradition Some western missionaries for example wrote religious novels in Chinese almost always with the aid of native assistants who tended to change aspects of the work to fit Chinese taste Later such works as Washington Irving's Rip Van Winkle Jonathan Swift's A Voyage to Lilliput the novels of Jules Verne and French detective stories were translated into Chinese These interventions and their effects are explored here for virtually the first time

**The Audacious Raconteur** Leela Prasad, 2020-11-15 Can a subject be sovereign in a hegemony Can creativity be reined in by forces of empire Studying closely the oral narrations and writings of four Indian authors in colonial India The Audacious Raconteur argues that even the most hegemonic circumstances cannot suppress audacious raconteurs skilled storytellers who fashion narrative spaces that allow themselves to remain sovereign and beyond subjugation By drawing attention to the vigorous orality maverick use of photography literary ventriloquism and bilingualism in the narratives of these raconteurs Leela Prasad shows how the ideological bulwark of colonialism formed by concepts of colonial modernity history science and native knowledge is dismantled Audacious raconteurs wrest back meanings of religion culture and history that are closer to their lived understandings The figure of the audacious raconteur does not only hover in an archive but suffuses everyday life

Underlying these ideas Prasad's personal interactions with the narrators descendants give weight to her innovative argument that the audacious raconteur is a necessary ethical and artistic figure in human experience Thanks to generous funding from Duke University the ebook editions of this book are available as Open Access volumes from Cornell Open [cornellpress](#) [cornell.edu](#) [cornell open](#) and other repositories     [Stories Children Love](#) Charles Welsh,1909     [Calendar](#) University of Aberdeen,1905     *The Chautauquan* ,1913     **The Educational Record** Tasmania.
