Keith Soothill, Sylvia Walby, 2023-03-31 First published in 1991 *Sex Crime in the News* is a unique examination of the nature of sex crime reporting in the press. Analysing examples from forty years of newspaper coverage, the authors provide a systematic study of this controversial topic. The book reveals the misleading and trivializing nature of sex crime coverage with serious research reports on rape and discussions on law reform being given short shrift. The authors examine the increasing gap between the reality of sexual abuse and the coverage it receives in the press and they set their detailed empirical work within a context of broader concerns about the relationship between the media, the individual and the state. Critical though it is of the press, this book will be of special interest to people working in the media and to legislators involved in debates about the press. It will also be of value to students on course in women's studies, cultural and media studies and deviancy.

The Ripper's Wife Brandy Purdy, 2014 *The Ripper's Wife* reimagines the most notorious serial killer in history through the eyes of the woman who sealed his fate.

Jack the Ripper's New Testament Nigel Graddon, 2019-09-12 This book offers evidence for the first time that those responsible for the Whitechapel murders were members of a hit team associated with a centuries-old European occult confederacy dedicated to human sacrifice. This was first mooted by Jim Keith in his 1993 book *Secret and Suppressed* and then corroborated in the private papers of a Monsignor who carried out intelligence work for Pope Pius X in the run-up to the outbreak of global conflict in 1914. The priest told of the existence of a Vatican-based cabal of assassins known to its members by the maxim *Dead Men Carry No Tales*, formed by the infamous Borgias that is in alliance with a Teutonic occult group formed in the 9th century. It was from within this unholy alliance that assassins travelled to London to carry out the Ripper murders to solve a sticky problem for the British Royal Family. Keith's Vatican informant. Part of the substantiation for this evidence derives from Joseph Farrell in his recent *Hess and the Penguins* book for AUP. The evidence also substantiates Keith's informant's astonishing claim that the assassins came together in a conference in Basle in 1897 to put the building blocks together for National Socialism and to prepare the blueprint for the Holocaust. For the first time, also, the book substantiates a new line of research that suggests that the work of key figures from America and Britain within the nineteenth century's highly influential and richly funded Bible Revision movement was associated with the grisly events in London's East End during 1888's Autumn of Terror. Topics include Mr Splitfoot, Whitechapel Martha, HPB Polly, The Occult Underground, Dark Annie, The Occult Establishment, Long Liz, The Lady with the Lilacs, From Lilacs to Violets, Mary Kelly, Baconalia, Rothschild's Bible, Basle 1897, Through the Looking Glass, and more.

Just Another Common Killer Chantal Bellehumeur, 2010 Under hypnosis, six-year-old Jack Huntington tells his psychiatrist the dark unsolved tale of Jack the Ripper's 19th-century murders. Such details are given that Dr Philips begins to believe that his patient might be the Ripper himself in another life. When the boy fails to give him any information that would reveal the identity of the White Chapel killer, Dr Philips ridicules himself for having thought the impossible. Years after killing his sisters in a sleepwalking state, Jack is claimed normal and able to re-enter the real world. He is released from the mental institution.

to start a new life but slowly starts to act upon his killer instincts and begins to remember events that happened over one hundred years ago Jack is ready for new games
