Rise Sally Rise:

Rise, Sally, Rise! Elaine Bradford, 2004-04 For years the church has preached about the Proverbs 31 Virtuous Woman She is well known in her community What about the woman with a past She is also well known in the community The question is how does a woman with a past become that Virtuous Woman It s all about choices and changes Little Sally Walker sitting in a saucer was an old rhyme that I grew up with I was amazed at the biblical truths that were unfolded to me in this rhyme You can either be Sally sitting in a saucer crying over this or that or you can be that Virtuous Woman who takes charge of her life This book is written especially for women who somehow find themselves sinking lower and lower in quicksand because of bad choices and decisions that they made in life Most of us have made some poor decisions but the key is we can rise up We don t have to be bound by our past If you feel that life has dealt you a bad hand you don t have to play it Throw it back and get a new one Rise Sally Rise Peter Amidon, Mary Alice Amidon, 2020-08-15 traditional Anglo American and African American singing games for children

Black Girlhood Celebration Ruth Nicole Brown, 2009 This book passionately illustrates why the celebration of Black girlhood is essential Based on the principles and practices of a Black girl centered program it examines how performances of everyday Black girlhood are mediated by popular culture personal truths and lived experiences and how the discussion and critique of these factors can be a great asset in the celebration of Black girls Drawing on scholarship from women s studies African American studies and education the book skillfully joins poetry autobiographical vignettes and keen observations into a wholehearted participatory celebration of Black girls in a context of hip hop feminism and critical pedagogy Through humor honesty and disciplined research it argues that hip hop is not only music but also an effective way of working with Black girls *Black Girlhood Celebration* recognizes the everyday work many young women of color are doing outside of mainstream categories to create social change by painting an unconventional picture of how complex and necessary the goal of Black girl celebration can be **The Hildegarde Series** Laura E.
