The Rise of the American People Roland Greene Usher, 1914 *Monthly Bulletin of the Philippine Library and Museum* National Library (Philippines), 1912 *Bulletin of the Philippine Library* National Library (Philippines), Philippine Library and Museum, Manila, 1914 **Monthly Bulletin** National Library (Philippines), 1912 *Bulletin of the Public Library of the City of Boston* Boston Public Library, 1914 *The New York Times Review of Books* , 1968 **Political Liberalism and the Rise of American Romanticism** Scott M. Reznick, 2024-07-18 Political Liberalism and the Rise of American Romanticism explores how American Romanticism developed in response to pervasive conflicts over democracy's moral dimensions in the early republic and antebellum eras By recovering the long under examined tradition of political liberalism for literary studies it traces how US writers reacted to ongoing moral and political conflict by engaging with liberal thinkers and ideas as they endeavored to understand how individuals beholden to a divergent array of moral convictions might nevertheless share a stable and just political world the very dilemma at the core of political liberalism This study demonstrates how those philosophical engagements sparked Romanticism's rise and eventual flourishing as US writers increasingly embraced Romantic literary modes emphasizing the imagination's capacity for creative synthesis and the role it plays in shoring up the habits of mind and feeling that are vital to a meaningful democratic culture It offers revisionary readings of works by Charles Brockden Brown Robert Montgomery Bird James Fenimore Cooper Harriet Beecher Stowe Frederick Douglass and Nathaniel Hawthorne to show how these Romantic writers were preoccupied with how individuals come to embrace their deepest convictions and what happens when they encounter others who see the world differently *The Rise of the Alt-Right* Thomas J. Main, 2018-07-31 What is the Alt Right and how will it affect America Donald Trump's election as president in 2016 suddenly brought to prominence a political movement that few in political circles or the mainstream media had paid much attention to the so called Alt Right Steven Bannon Trump's campaign manager was a leading figure in the movement and the election results seemed to give it a real opportunity to gain some political power But what is the Alt Right Is it a movement a theory a trend or just an unorganized group of people far outside of what used to be the political mainstream in America Or could it be all of these things Why has it suddenly emerged into prominence What impact is it having on American politics today and what are the prospects for the Alt Right in the future Through careful research and analysis *The Rise of the Alt Right* addresses these and other questions tracing the movement's history from the founding of modern conservatism in postwar America to the current Trump era Although the Alt Right might seem to be just the latest extremist group to arise in the United States one likely to take its place in the graveyard of its many predecessors Thomas J Main analyzes evidence that the Alt Right is having a greater influence on the American political mainstream than did past extremist tendencies *The Rise of the Alt Right* is thus an important study for anyone interested in the future of American politics and public life *Rise of American Democracy* Sean Wilentz, 2006-08-29 A political history of how the fledgling American republic developed into a

democratic state offers insight into how historical beliefs about democracy compromised democratic progress and identifies the roles of key contributors The Nation ,1914 **Century Monthly Magazine** Josiah Gilbert Holland,Richard Watson Gilder,1914 **The Rise of the Faceless and the Internet Warrior?** Larry Burchall,2002 After September 11th are you wondering if the world is a safer or more dangerous place for you Are you wondering just who could be against us This book will help show you and help you work out for yourself what peoples and what nations may present future problems to you and your loved ones This book will also help you understand why Larry Burchall is an ex professional soldier He shows that it was activists who have caused many of the changes whose benefits we now enjoy but he also shows that it was activists who did the damage on 11 September Burchall shows the link between what s called activism and what s referred to as terrorism Some of the ideas set out in this book may cause you unease You may end up feeling concerned as the author describes the workings of important modern media and the effects that these workings can have on you You ll find a description of just who and what constitutes the west and westerners Will the west be able to put an end to terrorism You ll find an interesting answer in these pages The New Statesman ,1915 **Bulletin of the Brockton Public Library** ,1913 *The Rise and Fall of American Science Fiction, from the 1920s to the 1960s* Gary Westfahl,2019-10-14 By examining important aspects of science fiction in the twentieth century this book explains how the genre evolved to its current state Close critical attention is given to topics including the art that has accompanied science fiction the subgenres of space opera and hard science fiction the rise of SF anthologies and the burgeoning impact of the marketplace on authors Included are in depth studies of key texts that contributed to science fiction s growth including Philip Francis Nowlan s first Buck Rogers story the first published stories of A E van Vogt and the early juveniles of Isaac Asimov Arthur C Clarke and Robert Heinlein **New York Times Saturday Review of Books and Art** ,1969 *Quarterly Bulletin* Brockton Public Library (Brockton, Mass.),1909 The Rise of Modern Business Mansel G. Blackford,2008 The Rise of Modern Business compares and analyzes the development of business and business institutions in several countries from the preindustrial era to the present Paying close attention to connections between business development and political **The Rise of Constitutional Government in the Iberian Atlantic World** Scott Eastman,Natalia Sobrevilla Perea,2015-06-15 The Rise of Constitutional Government in the Iberian Atlantic World is a collection of original essays that offer insights into how the C diz Constitution of 1812 shaped and influenced the political culture of Iberian America **American Philosophy** Erin McKenna,Scott L. Pratt,2015-02-26 American Philosophy offers the first historically framed introduction to the tradition of American philosophy and its contemporary engagement with the world Born out of the social and political turmoil of the Civil War American philosophy was a means of dealing with conflict and change In the turbulence of the 21st century this remains as relevant as ever Placing the work of present day American philosophers in the context of a history of resistance through a philosophical tradition marked by a commitment to pluralism fallibilism and liberation this book tells the story of a philosophy shaped by

major events that call for reflection and illustrates the ways in which philosophy is relevant to lived experience This book presents a survey of the historical development of American philosophy as well as coverage of key contemporary issues in America including race theory feminism indigenous peoples and environmentalism and is the ideal introduction to the work of the major American thinkers past and present and the sheer breadth of their ideas and influence
