Risen From The Dead:

The Written Dead Kyle William Bishop, Angela Tenga, 2017-06-19 From Victor Halperin's *White Zombie* 1932 to George A. Romero's landmark *Night of the Living Dead* 1968 and AMC's hugely successful *The Walking Dead* 2010 zombie mythology has become an integral part of popular culture In a reversal of the typical pattern of adaptation the zombie developed onscreen before appearing in short stories and comic books during the 20th century and more recently as subjects of more traditional novels This collection of new essays examines some of the most influential and inventive zombie literature from the early stories to the most recent narratives including some told from a zombie perspective *The Resurrection of the Dead* Hiram Mattison, 1866 "Remember Jesus Christ Risen from the Dead." Iva June Smith Watkins, 1944 **Dharma of the Dead** Christopher M. Moreman, 2018-07-10 With the increased popularity of zombies in recent years scholars have considered why the undead have so captured the public imagination This book argues that the zombie can be viewed as an object of meditation on death a memento mori that makes the fact of mortality more approachable from what has been described as America's death denying culture The existential crisis in zombie apocalyptic fiction brings to the fore the problem of humanity's search for meaning in an increasingly global and secular world Zombies are analyzed in the context of Buddhist thought in contrast with social and religious critiques from other works Authorized text and paraphrase Henry Hammond, 1845 Words of Warning (Annotated, Updated Edition) Charles H. Spurgeon, 2018-04-02 He that believes in the Son has eternal life and he that does not obey the Son shall not see life but the wrath of God abides on him John 3:36 This book *Words of Warning* is an analysis of people and the gospel of Christ Under inspiration of the Holy Spirit Charles H. Spurgeon sheds light on the many ways people may refuse to come to Christ but he also shines a brilliant light on how we can be saved Unsaved or wavering individuals will be convicted and if they allow it they will be led to Christ Sincere Christians will be happy and blessed as they consider the great salvation with which they have been saved Whether or not we look to Jesus Christ for salvation is the single most important determination we must make during our lifetime Countless books have been written addressing just about every imaginable self help topic Other books are written solely for entertainment Some of these books are okay in their own right but what good are they to the reader if he is lost in the end Why do we spend so much time even with good things but neglect the great Not one thing we can do during our seventy or eighty years on earth amounts to anything if we are not in Christ What we do for Christ is everlasting and by claiming our salvation in Him we have an exceedingly bright future *The Last Midnight* Leisa A. Clark, Amanda Firestone, Mary F. Pharr, 2016-10-12 Do you find yourself contemplating the imminent end of the world Do you wonder how society might reorganize itself to cope with global cataclysm Have you begun hoarding canned goods and ammunition Visions of an apocalypse began to dominate mass media well before the year 2000 Yet narratives since then present decidedly different spins on cultural anxieties about terrorism disease environmental collapse worldwide conflict and millennial technologies

Many of these concerns have been made metaphorical zombie hordes embody fear of out of control appetites and encroaching disorder Other fears like the prospect of human technology s turning on its creators seem more reality based This collection of new essays explores apocalyptic themes in a variety of post millennial media including film television video games webisodes and smartphone apps **Christ Risen from the Dead** W. H. Lambart, **Christian Work** ,1898

Eusebia ,1892 An Amazing God Kent Mayeux,2013-12-07 An Amazing God is not just another conversion story about how a sinner made a 180 degree turn on the wrong path travelled through life In fact very little personal information is exposed Rather this book is a compilation of the revealed knowledge of God learned through three years of active study of the Bible and numerous documents written since its composition This book is a tool for a new evangelization This book uses the book of Genesis as a general outline A heavy emphasis on historical facts figures and dates are used to confirm that God as Jesus walked this earth Theological differences of the major religions are compared and contrasted especially Catholicism and the Protestant Reformists The book s main theme demonstrates the sole purpose of one s life as a reunion of our soul with that of our creator at our earthly death It explains the progression of the revealed truth to man both individually and as a society and how creation has progressed from redemption to salvation to sanctification The book addresses all areas of one s life social political and spiritual This book has an apologist s flare with the ultimate goal of re evangelizing those that have experienced God but have turned away from their religion The book steps on the toes of those superficial professing Jews Christians and Muslims and may present the realization that most are doomed to a painful and punishing eternity How about you can you tell me right now without a doubt where your soul will reside for all of eternity when you die Do you believe in resurrection This book is unique in that it reveals how one achieves salvation and sanctification It explains the transformational process by which one discards all vices and begins to live by the virtues through the power of the Holy Spirit An Amazing God should be considered a crucial self help book With God in the forefront of your consciousness you can begin your progression to perfection The book will challenge those who profess a belief in God yet continue to live a life contrary to a serious faith life The book is designed to demonstrate to atheists and believers alike that there is one universal church established by Christ More information can be found at <http://www.newevangelization.net> *The Walking Dead Live!* Philip L. Simpson,Marcus Mallard,2016-07-05 In 2010 The Walking Dead premiered on AMC and has since become the most watched scripted program in the history of basic cable Based on the graphic novel series by Robert Kirkman The Walking Dead provides a stark metaphoric preview of what the end of civilization might look like the collapse of infrastructure and central government savage tribal anarchy and purposeless hordes of the wandering wounded While the representation of zombies has been a staple of the horror genre for more than half a century the unprecedented popularity of The Walking Dead reflects an increased identification with uncertain times In The Walking Dead Live Essays on the Television Show Philip L Simpson and Marcus Mallard have compiled essays that examine the show as a cultural text Contributors to this volume

consider how the show engages with our own social practices from theology and leadership to gender race and politics as well as how the show reflects matters of masculinity memory and survivor's guilt As a product of anxious times The Walking Dead gives the audience an idea of what the future may hold and what popular interest in the zombie genre means Providing insight into the broader significance of the zombie apocalypse story The Walking Dead Live will be of interest to scholars of sociology cultural history and television as well as to fans of the show *Back from the Dead* Kevin J. Wetmore,

Jr.,2011-07-25 Since 1968 the name of motion picture director George Romero has been synonymous with the living dead His landmark film Night of the Living Dead formed the paradigm of modern zombie cinema often cited as a metaphor for America during the Vietnam War and the Civil Rights movement the film used the tenets of the drive in horror movie genre to engage the sociophobics of late 1960s culture Subsequently Romero has created five more zombie films and other directors including Tom Savini and Zack Snyder have remade Romero's movies This survey of those remakes examines ways in which the sociocultural contexts of different time periods are reflected by changes to the narrative and the zombies of Romero's original versions

When the Dead Rise Christian Livermore,2021 A survey of the motif of the revenant showing how medieval themes and motifs persist today The proliferation of books and films about the undead those literally returning from the grave in modern popular culture has been commented on as a recent phenomenon but it is in fact a storytelling tradition going back more than a millennium It drew on and was influenced by Christian eschatology gathered momentum in medieval ecclesiastical chronicles such as those written by Caesarius of Heisterbach and then migrated into imaginative literature famously in John Lydgate's Dance of Death and art But why did revenant stories and imagery take such a hold in the Middle Ages And why has that fascination held on into today's world This book offers a history of these revenant narratives demonstrating how modern horror is haunted by past literature and exploring the motif of the risen dead as a focus of cultural anxiety and literary effort The author examines the long arc of revenant tales from antiquity and the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations the Middle Ages through the Reformation and into modernity tracing their uncanny similarities and laying bare the rich traditions of narrative theme motif supernatural belief and eschatological fears and preoccupations

Hollow Mountain Dead Jonathan Moon,2014-07-07 For centuries something has been slumbering deep inside of Kimmler's Mountain In the endless darkness an unrelenting horror has grown waiting In the late 1800's greed sets it free A mine owner named Martin Kimmler releases a plague upon the people of the mountain a plague that turns the dead into ravenous

demons Cannibals Monsters that exist only to feed and to spread the horrific infection As the ancient cosmic evil unleashes its Hell on Earth the men and women from the mountain towns of White Wood and Gilliam form unlikely alliances with Natives from the sacred tribe of the Madoosk Some fight the onslaught of the dead or travel toward the heart of the mountain to the source of the plague Others risk life and limb to escape Kimmler s Mountain with as much pilfered gold as possible cutting ruthless swaths across the lawless landscape and through anyone in their way Battles great and small will dot the blood soaked mountain as the good in men battles the cosmic evil The Great Evil is awake The Great Plague is spreading The End of Humanity hangs in the snapping jaws of the Hollow Mountain Dead

The Theological and Literary Journal ,1855 *The Seventh Circle* Todd Cheney,2003-07 The Seventh Circle is a tale of high adventure fantasy and destiny An excerpt Mal Tarsis laid the book on the ground before the altar He then knelt before it and opened it to a book marked page The bindings creaked with age as they always did He remembered long nights poring over this tome just to decipher the ancient dialects within it He found it strange that he had slaved so many long hours over this book But he always knew there had to be something in it Something that would give him the power that was rightfully his If he succeeded in this ceremony tonight then nothing could stand in his way As Mal Tarsis knelt before the altar he laid the curved blade atop the book so that it balanced over the curving pages The first part of the ceremony would imbue the blade with the proper powers and nuances Mal Tarsis read aloud from the book He could hear nothing but his own voice now The man s cries and pleas were a distant dream He saw nothing but the aged yellow pages and his hands as he followed the lines of text He must concentrate With the soul of fire I consecrate you With the stone of earth I will create you Take from him his which is not his Take from him life and give him this Mal Tarsis rose from the ground after reading these words The knife took on a reddish hue Everything went according to plan Yet he had barely begun Sweat began to bead on his forehead Mal Tarsis edged his way to the head of the altar The final most important cut neared He laid the blade across the man s throat With a dark elation the warlock drew the knife from one side to the other As he did so he spoke again I summon thee oh timeless ones The warlock bolted from the center of the circles To remain within would be suicide Soon the tortured souls would bridge the gap between the Lands of Death and the mortal world The outer circle of herbs protected the summoner and any others present from the souls of the damned As he reached the outer edge of the second circle of herbs Mal Tarsis quickly glanced at the red candles The candles had not been very tall to begin with They were almost three quarters down now He must finish the spell quickly
