Risk Abatement In Social Care And Social Work:

Handbook for Practice Learning in Social Work and Social Care Joyce Lishman, 2007-05-15 This substantially revised expanded and updated edition of the popular Handbook of Theory for Practice Teachers is a comprehensive summary of the theory knowledge research and evidence relating to practice learning in social care focussing on knowledge based practice with a focus on improving outcomes

Good Practice in Risk Assessment and Risk Management 2 Hazel Kemshall, Jacki Pritchard, 1997 The range of problems that arise due to violence mental health problems substance abuse and familial breakup require fast accurate risk assessment These two volumes by Kemshall and Pritchard explores the techniques needed to solve such problems

Decision Making, Assessment and Risk in Social Work Brian J. Taylor, 2017-04-10 At a time when accountability and the avoidance of risk are increasingly demanded of social workers the ability to make clear and informed decisions is essential This book written for practicing social workers undertaking their ASYE and compulsory CPD has been designed to help professionals make sound judgments in increasingly complex contexts and under pressure The focus is on empowering front line professionals through reflective practice so that they are able to draw on multiple factors and perspectives and make sound problem solving judgements The book begins with the core concepts client focus and legal background before moving on to consider the collaborative processes and the nature of individual judgements It then considers particular dimensions of social work decision making such as safeguarding taking risks assessment and dynamic decision tools and processes It then concludes by look at the organisational context of decision management with a focus on supervision training and effective communication

Social Work Patricia Higham, 2006-03-23 Comprehensive and user friendly The book is helpfully constructed around a number of key themes starting with a good attempt to define social work from historical and international perspectives and moving on to address key issues concerning the practice knowledge values and skills required from contemporary social work in the UK I believe social work students newly qualified and experienced social workers will find this a valuable resource especially when one is confronted by challenges in practice

Professional Social Work Social Work is a good overview that should refresh learner and tutor alike Practice assessors may find this book a useful update for their work with students and also a neat refresher It is a well written and up to date text with a good sense of where future challenges lie for the social work profession in the UK Higham is confident enough to voice the profession's uncertainties as well as mapping the changing organisational landscape that social workers might populate This book is likely to appear on many social work reading lists It has the potential to provide good learning opportunities for post qualifying as well as pre qualifying training

Health and Social Care in the Community The unique aspect of this book which distinguishes it from other competitors is that it is constructed explicitly around the key roles and benchmark statements this book will offer something new and interesting to the growing field of social work education literature and is likely to be relevant to both students and practitioners in the UK and elsewhere Dr Caroline Skehill Queens University Belfast

What is the role of social work What does it mean to be a social worker What are the changes affecting social work training Social Work Introducing Professional Practice addresses these questions and provides an understanding of the knowledge values and skills requirements of professional social work The author has played a key role in constructing the subject benchmarks for the social work degree and offers a reflective and thoughtful commentary upon training education and practice Written in a lively and readable style the book captures the essence of the changes sweeping through social work and engages the reader in these debates Key features of this book include Comprehensive content structured around the guidelines for training and practice Bridges the gap between theory and real life practice Student friendly features such as case studies discussion questions further reading and a glossary This exciting publication will be a core textbook for trainee social workers as they progress through the qualifying social work degree or as they begin their practice as newly qualified workers seeking to consolidate their learning

Manual Handling in Health and Social Care Michael Mandelstam, 2002 This text presents an accessible overview of manual handling law and the legal implications and practical issues involved Topics covered include equipment provision and handling of children in schools and guidelines on health and safety

Handbook for Practice Learning in Social Work and Social Care, Third Edition Joyce Lishman, 2015-08-21 This fully updated and expanded third edition of a classic text provides a comprehensive introduction to key theory knowledge research and evidence relating to practice learning in social work and social care It outlines the theories that underpin social care practice the main assessment models and interventions and also offers guidance on the effective implementation of assessment across a range of professional contexts Contributors from research policy making and practice backgrounds offer guidance on how to apply policy and research findings in everyday practice while ensuring that the complex needs of each individual service user are met This third edition also features new chapters on group work social pedagogy and personalisation The Handbook for Practice Learning in Social Work and Social Care is an essential resource for ensuring effective evidence based practice which will be valued by students educators and practitioners alike

Competence in Social Work Practice Kieran O'Hagan, 1996-01-01 The contributors respond to Paper 30 a curriculum and organization mandate in the United Kingdom requiring various standards for institutions offering a Diploma in Social Work One of the central issues is a core competency requirement Each essay in the volume defines competency in relation to a specific social work area illustrated by case studies and identifying the central themes and principles for British students seeking this degree Annotation copyright by Book News Inc Portland OR

A Dictionary of Social Work and Social Care John Harris, Vicky White, 2018-01-10 This new edition has been fully revised and updated to provide over 1 800 A Z definitions of terms from the field of social care concentrating on social work as a significant area within this field Covering social work theories methods policies organizations and statutes as well as key terms from interdisciplinary topics overlapping with health and education this is the most up to date dictionary of its kind available It also provides extended entries on

specialisms such as children and families domestic violence and residential care and has been extensively updated to include new legislation Useful appendices include a glossary of acronyms and a Table of Legislation Regulations and Codes of Practice cross referenced to Dictionary entries Entry level bibliographies and web links provide further resources and the web links are listed and regularly updated on a dedicated companion website Written by two leading figures in the field and a team of eleven contributors A Dictionary of Social Work and Social Care is a must have for students of social work social care and related subjects as well as for qualified social workers undertaking continuing professional development programmes

Risk Assessment in Social Care and Social Work Phyllida Parsloe,1999 *Professional Decision Making in Social Work* Brian Taylor,2010-04-21 Many social workers face daily pressure to make sound decisions in very difficult circumstances occasionally having to manage impossible expectations Politicians and the media may spotlight care decisions where a tragedy or complaint occurs In this complex arena of conflicting demands and considerations from the public the client the family the organisation the professional needs a robust and yet flexible framework to inform practice decisions This book is written to help social work practitioners and students make professional decisions with clients from exercising statutory powers and duties to protect children from abuse to making decisions about risk

Risk and Risk Taking in Health and Social Welfare Mike Titterton,2005-01-01 In this practical book Mike Titterton offers an innovative model of risk work in health and social care He argues that a thoughtful risk taking approach can lead to empowerment and greater independence for vulnerable individuals He also discusses contemporary definitions of risk and identifies the essential skills needed by professionals

Professional Decision Making and Risk in Social Work Brian Taylor,2013-03-19 This book is written to help social work practitioners and students on CPD courses make professional decisions with clients from exercising statutory powers and duties to protect children from abuse to making decisions about risk This revised second edition has more of a focus on risk within social work practice as many social workers face daily pressure to make sound decisions in very difficult circumstances In this complex arena of conflicting demands and considerations from the public the client the family the organisation the professional needs a robust and yet flexible framework to inform practice decisions Featuring illustrations from practice as well as case studies and practical activities to aid learning this book provides a holistic view of decision making and risk as a core aspect of effective social work practice

Comprehensive Handbook of Social Work and Social Welfare, Social Work Practice ,2008-03-31 Comprehensive Handbook of Social Work and Social Welfare Volume 3 The Profession of Social Work features contributions from leading international researchers and practitioners and presents the most comprehensive in depth source of information on the field of social work and social welfare

Good Practice in Risk Assessment and Risk Management Hazel Kemshall,1996 This book examines the key issues and methods of risk measurement and management A variety of social care settings are included with examples of practice

Risk and Social Work C Paul Brearley,2023-07-28 First published in 1982 Risk and Social Work provides a

useful framework for analysing risk in the social welfare context Surprisingly social work and other helping professions have hitherto given little attention to the use and meaning of risk although the term is frequently employed with clients and helpers being described as at risk or in danger The media have taken up these terms noticeably in cases involving child abuse the elderly and conditions in psychiatric institutions often at the expense of our image of the social services Paul Brearley s discussion of the analysis and management of risk in social work will therefore be of value to people working in the helping professions Mr Brearley begins by establishing a series of definitions drawing primarily from the commercial insurance field and from the literature on scientific and workplace hazards These definitions form the base for a framework of risk analysis which stresses the importance of values and the chance element in decision making about risk He shows how this framework can be used in practice in emergency and risky situations and looks at the management of hazards and uncertainty with particular reference to social work practice *Assessment, Risk and Decision Making in Social Work* Campbell Killick, Brian J. Taylor, 2020-03-28 As practising social workers your students will need to be able to make sound judgments in complex contexts and when they are under pressure This book covers the essential knowledge they will require to understand and develop skills in relation to professional judgement and decision making processes including the use of assessment tools engagement in assessment and decision processes the context of risk complexity and uncertainty in practice communication and management of risk within social care processes **Planning and Support for People with Intellectual Disabilities** Christine Bigby, Chris Fyffe, Elizabeth Ozanne, 2007 Provides comprehensive information for any professional working with people with intellectual disabilities and outlines the skills needed and common issues in case management practice for working with people with intellectual disabilities at different stages of their life *EBOOK: Community Mental Health Nursing And Dementia Care* John Keady, Charlotte Clarke, Trevor Adams, 2003-05-16 it should be compulsory reading for any nurse working with people who have dementia and should be a core text on courses used to train this profession Dementia I d recommend this book to any health professional working in dementia care Its commitment to breaking down inter disciplinary barriers makes it universally applicable Mental Health Today A rounded account of Community Mental Health Nurses practice in dementia care has been long overdue This is the first book to focus on the role of Community Mental Health Nurses in their highly valued work with both people with dementia and their families This book Explores the complexity and diversity of Community Mental Health Nurse work Captures perspectives from along the trajectory of dementia Identifies assessment and intervention approaches Discusses an emerging evidence base for implications in practice Contributions to this collection of essays and articles are drawn from Community Mental Health Nurse practitioners and researchers at the forefront of their fields It is key reading for practitioners researchers students managers and policy makers in the field of community mental health nursing and or dementia care Contributors Trevor Adams Peter Ashton Gill Boardman Angela Carradice Chris Clark Charlotte L Clarke Jan Dewing Sue Hahn Mark Holman

John Keady Kath Lowery Jill Manthorpe Cathy Mawhinney Anne Mason Paul McCloskey Anne McKinley Linda Miller Gordon Mitchell Elinor Moore Michelle Murray Mike Nolan Peter Nolan Tracy Packer Sean Page Marilla Pugh Helen Pusey Assumpta Ryan Alison Soliman Vicki Traynor Dot Weakes Heather Wilkinson Working within the Forensic Paradigm Rosemary Sheehan, James Ogloff, 2014-12-17 Forensic work occurs across the criminal justice sector and the legal and health professions and intersects with work in a range of areas such as child protection family welfare mental health offending disability and addictions family violence programmes juvenile justice and sexual assault centres This book offers contemporary perspectives on forensic policy and practice from the range of practitioners working with people within the forensic domain and canvasses ideas about risk and offending behaviours together with ideas about effective responses to rehabilitation and recovery The contributors to this proposed book are drawn from the practitioners policy contributors advocates and researchers in mental health welfare law criminology policing and health Negligible attention has been paid to forensic policy and practice this proposed book offers cross national attention to how mental health welfare and justice systems intersect who they affect and how practitioners structure effective responses for vulnerable people within the forensic domain A particular strength of the book is its international focus making it relevant to academics and practitioners who work in this field around the world **Duty of Care in the Human Services** Rosemary Kennedy, 2009-11-12 The human services are established to support the most vulnerable and marginalised people in our society Yet media and other reports frequently highlight a disturbing picture of industry failures malpractice and abuse This book addresses the response of legal and quasi legal bodies to human service failures It outlines those areas of law which are most likely to be activated by human service shortcomings and those aspects of direct human service delivery which are most likely to attract legal attention Essential reading for those studying or working in human services and social work this book is designed to alert people to the legal risks arising as a result of inadequate human service delivery
