10001	10/10/2023	Materials	If there are changes in architectural plans that require additional or different resources, then there will be delays.	1	8	8	The risk is present throughout the process of finalizing architectural plans.	There are changes in the architectural plans.	A designated team member will continuously monitor any proposed changes in architectural plans and ensure communication between architectural and construction teams about proposed changes.	No current issues	John Smith, architectural liaison	
10002	10/10/2023	Contracts	If contractual issues among contractors, subcontractors, or vendors arise, then there will be delays or cost overruns.	2	4	8	The risk is present before most contract work commences. However, the risk will also be present when additional contracts are added in the early phases of construction.	The contracts manager reports any potential contract issues.	The contracts manager will continuously monitor contracts, open the room when there are issues, and ensure that the team addresses and resolves contract issues before they cause delays.	Working on one unresolved issue with the electrical contract, meeting set for May 2nd.	Sue Johnson, contracts manager	
10003	10/10/2023	Permits / Regulations	If obtaining necessary construction permits takes longer than planned, then there will be delays.	2	8	14	The risk is present throughout the construction phase of the project, including when securing required permits at the beginning of construction.	Construction permits do not arrive within the required timeframe.	The construction manager, or another designated team member, will monitor the project schedule and deadlines and ensure that all permits can accommodate the project's construction schedule.	All deadlines currently being monitored	Dave Swanson, construction manager	
10004	10/10/2023	Construction Site	If unexpected hazardous waste is found on the property, it will require mitigation or cleanup.	1	8	8	The risk is present throughout the project, especially toward the beginning when conducting site preparation work.	On-site manager reports on issue, especially during site preparation.	The construction manager will assign a team member to monitor and explore any possible issues with hazardous waste.
