

Fire Risk Assessment

Fire risk assessment is a legal requirement for every workplace. Even a small fire could have fatal consequences and will have serious financial implications for any business.

Safety point	Why?	How do you do this?
By law a competent person must carry out a fire risk assessment of the premises.	A competent person will have the knowledge to identify the risks and suggest practical precautions you can take.	By developing your own knowledge, training a suitable, interested member of staff, or employing a qualified advisor. Ask for information from your Fire Authority.

Use the blank fire assessment form provided on the last page to go through this process and do a fire risk assessment of your premises. Photocopy the form for additional areas if required.
